Subject: Intimation regarding the proposed launch of a mobile application for mutual fund investments focused on rural India.

Dear Sir / Madam,

We wish to inform the Exchange that the Company is in the process of launching a new mobile application designed to bring mutual fund investment opportunities closer to the rural population of India.

The application is being developed with the objective of promoting financial inclusion by providing a simple, secure, and user-friendly digital platform through which investors can explore and invest in mutual fund products with ease. It will also offer educational content to help first-time investors make informed financial decisions.

Conceptualised to simplify the investment journey, the application enables investors to access mutual fund services anytime and anywhere through a secure, easy-to-use, and technology-driven platform. With its emphasis on financial literacy, accessibility, and convenience, the application aims to encourage greater participation in mutual fund investments among first-time and rural investors.

The mobile application is expected to be launched shortly. Further details regarding the launch date, features, availability, and the user registration process will be announced in due course through the Company's official website.
