LAPL Automotive Limited

Business Update

Integrated Manufacturer of Automotive Lighting, Motors, Mirrors & Components

LAPL Automotive Limited is an integrated automotive components manufacturer operating across ODM (Original Design Manufacturing) and OBM (Original Brand Manufacturing) models, offering a diversified product portfolio spanning automotive lighting systems, motors, mirrors, plastic moulded components and accessories. The Company caters to automobile OEMs across passenger vehicles, commercial vehicles, two-wheelers and electric mobility segments from three manufacturing facilities in Chhatrapati Sambhajnagar (Aurangabad), Maharashtra, supported by IATF 16949:2016 certified processes and in-house design and testing capabilities.

Founded in 2004, the Company listed on the BSE SME Platform on August 13, 2026, marking the Company's transition into the next phase of growth. The Company continues to expand into EVs with LED lighting solutions designed for both ICE and electric vehicle platforms.

Key Business Metrics

Metric	As on September 2026
Manufacturing units	3 (Aurangabad, Maharashtra)
Business model	ODM & OBM
Product divisions	4 (Lighting, Motor, Mirror, Hoods)
Product certifications	ARAI, ICAT, CIRT, VRDE

Business Highlights

- **BSE SME listing:** The Company listed on August 13, 2026 through an IPO of ₹32.40 Cr at ₹94 per share. The IPO was subscribed 241.38 times, and the shares listed at ₹135, a premium of 43.6% to the issue price.
- **Unit IV construction:** The Company completed the Bhumi Pujan on August 19, 2026 and commenced construction of the fourth manufacturing facility at Chhatrapati Sambhajnagar, aimed at strengthening manufacturing, testing and in-house production capabilities.
- **Three new vendor codes:** In August 2026, the Company received three new vendor codes from leading automotive companies, enabling participation in upcoming RFQs and development programmes.
- **ACMA Automechanika 2026:** The Company participated in ACMA Automechanika 2026, New Delhi, strengthening the Company's aftermarket presence.
- **EV-ready portfolio:** The Company offers platform-agnostic LED lighting solutions for ICE and EV platforms, with EV-segment customers secured across commercial and two-wheeler platforms, and is increasing focus on LED and projector lighting, BLDC and high-efficiency motors.

- **Product portfolio expansion:** Added a new bus mirror to the product portfolio.
- **New product development:** Successfully developed the Rear Reflector (RR), BGAUSS mirror and Splendor rotor.

Management Commentary

“Over the past two decades, LAPL has grown from a single automotive lighting unit into an integrated manufacturer of lighting systems, motors, mirrors and components, serving OEMs across passenger vehicles, commercial vehicles, two-wheelers and electric mobility. Our listing on the BSE SME Platform marks our transition into the next phase of growth. We intend to leverage the opportunities that come with being a listed entity to strengthen our manufacturing capabilities, expand our product range, deepen our market presence and evolve from a component supplier to a long-term OEM development partner.”

– Mr. Neeraj Satyaprakash Goyal, Chairman & Managing Director
