Limited Review Report on unaudited standalone financial results for the quarterly ended 30th June, 2026 and to date results

To the Board of Directors of
HIRA AUTOMOBILES LMITED

We have reviewed the accompanying statement of unaudited standalone financial results of **Hira Automobiles Limited** ("the Company") for the quarter ended **30th June, 2026. This** statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (IND AS 34) "Interim Financial Reporting", specified under Section 133 of the Companies Act, 2013 as amended read with relevant rules issues thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Key Audit Matter

Based on our review procedures, a material uncertainty has come to our attention that may cast significant doubt on the Company's ability to continue as a going concern. The Company's principal Maruti Suzuki India Limited (MUL) has been temporarily suspended the supplies of Vehicle to the company on account of certain defaults in the Company's banking facilities. As a result, the Company's principal revenue-generating activity has been significantly disrupted, and the Company has incurred loss of Rs.138.24 lakh for the quarter ended 30 June 2026.

The interim financial results do not disclose:

(a) the existence of this material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern;

(b) the possible effects of such uncertainty on the Company's financial position, cash flows and results of operations; and

(c) the fact that the interim financial results have been prepared on a going concern basis, the appropriateness of which depends on the outcome of future events, including but not limited to:

(i) regularization / reinstatement of the operation of sale of Vehicles of MUL;

(ii) resolution of the banking defaults and continuation of working capital facilities; and

(iii) the Company's ability to generate adequate cash flows from operations or arrange alternate financing.

In our opinion, the above matters constitute a departure from the applicable financial reporting framework in that the interim financial results do not adequately disclose the material uncertainty related to going concern.

Based on our review, except for the incomplete disclosure of the material uncertainty related to going concern as described as above, we believe that the accompanying statement of unaudited financial results prepared in accordance with applicable **Indian Accounting Standards** ("**IND AS "**) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
