PRESS RELEASE

KPIL Secures Major* Order in Oil and Gas Business

Mumbai | Monday, 28 September 2026: Kalpataru Projects International Limited (KPIL), a leading Engineering, Procurement and Construction (EPC) company in the Oil & Gas, Power and Infrastructure sectors, has received a Letter of Award (LoA) for the Engineering, Procurement and Construction (EPC) of a gas pipeline project in the United Arab Emirates.

Commenting on the win, Mr. Manish Mohnot, MD & CEO, KPIL, said, *"We are delighted to secure this prestigious international project, which reinforces our proven capabilities and robust track record in the global Oil and Gas sector. This win stands as a powerful testament to our technical expertise, operational excellence and capability to scale global operations."*

*Order Classification: Major indicates an order value estimated over ₹4,000 crore

About Kalpataru Projects International Limited

Kalpataru Projects International Limited (KPIL) is one of the largest engineering, procurement, and construction (EPC) companies in the world, with a global footprint spanning 75 countries. KPIL offers integrated EPC solutions across diverse sectors, including power transmission and distribution, buildings and factories, water supply and treatment, railways, oil and gas infrastructure, urban mobility, highways, and airports. The company operates two manufacturing facilities in India for the fabrication of power transmission towers, heavy metal structures, and scaffolding and formwork systems. In FY2026, KPIL generated a revenue of ₹27,143 crores (~USD 2.9 billion), with more than 250 projects under execution across over 30 countries.
