Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 ("Listing Regulations")

Dear Sir/ Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that Nanta Tech Limited has entered into a Memorandum of Understanding (MoU) with GM BIOVALLEY SDN BHD on 20th July 2026 for the introduction, commercialisation, deployment and development of robotics and automation solutions in Malaysia, Brunei and Singapore.

The details of the said Memorandum of Understanding as required under Regulation 30 of the SEBI Listing Regulations are enclosed herewith as '**Annexure – A**'.

You are requested to take the same on records.

Thanking you.
For Nanta Tech Limited

Mayank Jani
Managing Director

Annexure “A”

Sr. No.	Particulars	Details
1	Name of the entity with whom agreement is signed:	Memorandum of Understanding (MoU) is executed between Nanta Tech Limited and GM BIOVALLEY SDN BHD.
2	Area of agreement:	This Memorandum of Understanding (MoU) is entered for the introduction, commercialisation, deployment and development of robotics and automation solutions in Malaysia, Brunei and Singapore.
3	Domestic/ International:	International entity
4	Share exchange ratio / Joint Venture (JV) ratio:	Not Applicable
5	Scope of business operation of agreement:	The cooperation contemplated under this MOU include, robotics, automation and intelligent systems as may be mutually agreed by the Parties
6	Details of consideration paid/ received in agreement:	No upfront consideration paid or received upon execution of this MOU.
7	Significant terms and conditions of agreement in brief:	Significant terms and conditions of MOU in brief– • The Parties recognise that the cooperation contemplated under this MOU should extend beyond the sale of individual robotics products. • The longer-term objective is to develop a sustainable robotics and intelligent automation ecosystem capable of supporting the complete value chain • Through this cooperation, the Parties seek to combine NANTA's robotics, engineering and technology capabilities with GM Biovalley's market-development capabilities, commercial networks, strategic relationships and regional execution capabilities. • The Parties may consider granting GM Biovalley exclusive or preferential commercial rights for agreed NANTA products within all or part of the Territory. • The Parties intend to explore positioning Malaysia as a strategic hub for the deployment, technical support, training and future localisation of robotics technologies serving Malaysia, Brunei and Singapore, with the potential to expand progressively into the wider ASEAN market.
8	Whether the acquisition would fall within related party transactions and whether the promoter/ promoter group/ group companies have any interest in the entity being acquired? If yes, nature of interest and details thereof and whether the same is done at “arm’s length”	Not Applicable
9	Size of the entity(ies)	Not Applicable
10	Rationale and benefit expected	The Parties believe that combining NANTA's robotics and technology capabilities with GM Biovalley's market development, commercial networks and regional execution capabilities may create significant opportunities for the deployment of robotics and automation solutions in Southeast Asia.
