Reason:

counsel appearing for the respondent(s) submits that the earlier order requires to be looked into, on the basis of the fact that the present successful tenderer was allowed to participate in the

tender process, as it was a mistake committed by the official respondent.

The petitioner before us was also allowed to participate once again. Thereafter, considering the bid, the private respondent No.2, being the lowest bidder, was accordingly awarded the tender.

List the matter on 01.12.2026.

Meanwhile, we make it clear that the construction work shall continue, after following the due procedure, which shall be subject to the final order to be passed in the present Special Leave Petition
