**Sub: Intimation of “VASTU PUJAN” performed at the Company new expansion site at Plot No. 32- A, Suncity Industrial Park, Village Haripura, Taluka Savli Dist. Vadodara.**

We would like to inform you that on **Monday, 25th May, 2026**, the Company performed a “**Vastu Pujan**” ceremony at its new manufacturing facility situated at **Plot No. 32-A, Suncity Industrial Park, Village: Haripura, Taluka: Savli, District: Vadodara, Gujarat.**

The ceremony marks an important milestone following the earlier Bhoomi Pujan and commencement activities, signifying further progress of the expansion project towards operational readiness.

The said Vastu Pujan was conducted in view of the completion and execution of significant work at the new facility, which is being developed for commencement of trial production of Resin Impregnated Paper (RIP) / Resin Impregnated Synthetic (RIS) transformer condenser graded bushings, funded through the IPO proceeds of the Company.

The Company wishes to inform the following developments at the new project site:

1. The Construction of the Office Building has been completed.
2. The necessary plant and machinery have been procured, and the process of installation is going on.
3. The Company has procured all major production and testing equipment, which are presently under the stage of commission and installation.
4. The Peripheral infrastructure and development work at the facility are in the final stages of execution.
5. The Company expects to complete the commissioning process and related installation and developmental activities by the end of the first quarter of FY 2026-27, and accordingly, a trial production is expected to commence during the second quarter of FY 2026-27.
