The engagement

SOW No. 1 is issued under the Master Services Agreement between Blue Cloud USA and SpaceX International. It brings together AI infrastructure and data centre solutions (US$100 million), cybersecurity (US$25 million) and telecommunications (US$25 million) in a single programme. The October certificate records that the services and deliverables for the month were rendered across these workstreams in accordance with the scope of the Statement of Work. The programme is executed through PT SUHANA TT, a subsidiary of Blue Cloud USA in Jakarta. Blue Cloud USA, the Company's US branch, is the contracting party for the programme.

Deliverables under SOW No. 1 are invoiced once accepted. For October 2026, the Company has raised an invoice of US$10 million. The revenue schedule under SOW No. 1 provides for not less than US$25 million per quarter, and October forms the first part of the quarter ending 31 December 2026.

Next steps

Delivery continues across all four workstreams, with acceptance and invoicing following month by month under the Statement of Work. The Company will continue to make disclosures under Regulation 30 of the Listing Regulations.

Management comment

Tejesh Kumar Kodali, Group Chairman, Blue Cloud Softech Solutions Limited, said: "A signed acceptance from the client is the clearest proof that delivery is meeting the standard the Statement of Work sets. October shows our teams working across AI infrastructure, data centres, cybersecurity and telecom as one programme, and we will bring the same discipline to every month that follows."
Bhaskar Nallamilli, Chief Executive Officer, Blue Cloud USA, said: "The October acceptance reflects our delivery teams in the United States and Indonesia working as one. Our Indonesian subsidiary has given us a strong local delivery base, and our priority is to keep every month accepted and invoiced on schedule under the Statement of Work."
