Expansion of Product Portfolio to 400 kV Transformer Segment

Dear Sir/ Madam,

Pursuant to Regulation 30 (3) read with Para B of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Company's Policy for Determination of Materiality of Events and Information, we wish to inform you that the Company has received approval from **NTPC Limited** to manufacture transformer in the **400 kV voltage class** for **Battery Energy Storage System (BESS) projects** and we received order for supply of 2 nos. 90 MVA 400 kV transformers through one of the reputed EPC.

This approval marks a significant milestone in the Company's technological capabilities and **expands its product portfolio** from the **existing 220 kV range to the 400 kV range**.

The key details are as follows:

1. **Nature of Event:** Expansion of the Company's product portfolio and capability to manufacture and supply transformers in the 400 kV voltage class.
2. **Background:** The Company has received the necessary approval/qualification from NTPC Limited for the supply of 400 kV class transformers for BESS projects.
3. **Business Impact:**
 - Entry into the Extra High Voltage (EHV) 400 kV transformer segment.
 - Enhanced eligibility to participate in large utility, renewable energy, transmission and Battery Energy Storage System (BESS) projects.
 - Strengthening of the Company's product portfolio and competitive positioning in the power transmission sector.
 - Expected to provide access to higher-value business opportunities over the medium to long term.
