We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

10. Attention is drawn to the fact that the figures for the quarter ended March 31, 2026 and the corresponding quarter ended in the previous year as reported in these standalone financial results are the balancing figures between audited figures in respect of full financial year and the published unaudited year to date figures up to the end of the third quarter of the relevant financial year which were subject to limited review by us. Our opinion is not modified in respect of this matter.
