Dear Sir,

Sub: News Clarification

This is with reference to the e-mail communication dated June 5, 2026 received from the National Stock Exchange of India Limited ('NSE'), seeking clarification from Tata Steel Limited ('Company') relating to the recent news item titled "**Fire causes substantial damage at Tata Steel UKs plant in Wales**" dated June 4, 2026, which appeared in the "NA".

In this connection, we wish to clarify that on June 3, 2026, a fire occurred in the Pickle Line at Port Talbot Cold Rolled Products, Tata Steel UK Limited ('TSUK'), wholly owned foreign subsidiary of the Company.

There were no injuries. TSUK personnel followed emergency procedures and safely evacuated all individuals. Emergency services were alerted and assisted in bringing the situation under control. Local isolations of major services were carried out to help prevent further spread.

TSUK is currently assessing the cause of the fire, the extent of the damage, and any potential financial/operational impact. TSUK will actively seek insurance claims, to recover the damages, as appropriate. Further, TSUK is working towards ensuring customer requirements are met through alternate assets.

Should there be any development that is material to Tata Steel Limited, the Company will make necessary disclosures in due course.

This clarification is being provided in terms of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

This is for your information and records.

Yours faithfully,
Tata Steel Limited
