Subject: Magellanic Cloud Limited's Wholly Owned Subsidiary, Provigil Surveillance Limited Receives Letter of Acceptance (LOA) from Northern Railway, Moradabad Division for Contract Worth ₹29.13 Crore

Magellanic Cloud Limited, through its wholly owned subsidiary **Provigil Surveillance Limited**, continues to deepen its presence in India's critical infrastructure security landscape with the receipt of a **Letter of Acceptance (LOA)** worth **Rs.29,13,11,564.72/-** from Northern Railway, Moradabad Division.

The contract pertains to the Provision of CCTV at all railway stations between **LRJ-HW and HW-RKSH for Kumbh Mela 2027**. The project involves deploying an integrated e- surveillance system and associated security infrastructure across the designated railway stations.

The scope of work includes the **SITC of IP-based CCTV cameras, Video Management System (VMS), video recording servers and storage systems, video analytics and face recognition systems**, workstations, displays and associated networking infrastructure.

The scope also covers the establishment of **Command & Control Centre infrastructure, Network Management System, firewall and other allied e-surveillance and network components**, enabling centralized monitoring and management of the deployed e-surveillance infrastructure.

The entire work is scheduled to be completed within a period of **3 months from the date of the Letter of Acceptance**. The contract also includes a **Comprehensive Annual Maintenance Contract (AMC) for a period of 5 years after completion of the warranty period**.

The order strengthens the Company's order book and further expands its presence in the **e-surveillance, security and technology solutions segment**, particularly across railway and other critical infrastructure projects. The inclusion of video analytics and face recognition capabilities also reflects the increasing adoption of technology-enabled E-surveillance systems for large-scale public infrastructure and high-footfall environments.

The aforesaid contract has been awarded in the ordinary course of business of the Company and is aligned with its core business of providing integrated E-surveillance, security and technology solutions.

The Company remains committed to executing the project with the highest standards of quality, efficiency and operational excellence while continuing to pursue similar opportunities across the transportation, government and critical infrastructure sectors.

We request you to kindly take the above information on record.

Thanking You,
Yours Faithfully,

For Magellanic Cloud Limited
