Patel Chem Specialities Ltd Completes Talod Facility (2nd) Expansion, Scaling Capacity ~6.25× to 4,500 MT

Ahmedabad, October 7, 2026 – Patel Chem Specialities Limited, a manufacturer of pharmaceutical excipients and speciality chemicals, has successfully completed **the expansion of its manufacturing facility at Talod, Gujarat**, significantly enhancing the **plant's annual production capacity from 720 MTPA to 4,500 MTPA**.

The expansion marks an important milestone in the Company's growth strategy and is aimed at addressing anticipated growth in product demand while enabling shorter delivery schedules for customers.

Trial batches at the expanded facility have already commenced, and the **Company expects to begin commercial production** from the enhanced capacity shortly. The increased manufacturing capacity is expected to strengthen Patel Chem Specialities Limited's ability to cater to growing market requirements and support its future business growth.

Glimpses of Talod's Manufacturing Facility

Key Highlights

1. **Expanded Production Capacity:** 4,500 MT per annum
2. **Facility:** TALOD PLANT, GUJARAT
3. **Status:** Expansion successfully completed
4. **Trial Batches:** Commenced
5. **Commercial Production:** Expected to commence shortly
6. **Capital Expenditure:** Approximately ₹20 crore
7. **Funding:** Bank loans and internal accruals
8. **Expansion Objective:** To cater to anticipated growth in demand and facilitate shorter delivery schedules

Management Commentary

Commenting on the development, **Mr. Bhupesh Patel, Managing Director of Patel Chem Specialities Limited** said: *"The successful completion of the expansion at our Talod facility represents an important step in strengthening our manufacturing capabilities. With the enhanced capacity from 720 MT per annum to 4,500 MT per annum, we are better positioned to cater to growing market demand and improve delivery timelines for our customers. At peak utilisation levels, the Talod facility has the **potential to generate annual revenue of approximately ₹85–100 crore**. As trial batches have already commenced, we look forward to commencing commercial production from the expanded facility shortly and leveraging the additional capacity to support the Company's future growth."*

About Patel Chem Specialities Limited

Patel Chem Specialities Limited operates in the specialty chemicals industry, with a focus on cellulose-based excipients and specialty chemicals used across pharmaceutical, food & beverage, cosmetics and industrial applications.

The Company has **3 manufacturing facilities** located at Vatva, Ahmedabad; Talod, Himmatnagar; and Indrad, Mehsana, supporting its production capabilities and expanding product requirements across key end-user industries.
