Sanathan Textiles announces Commercial Production from

Expanded Technical Textiles Capacity at Silvassa

Mumbai, August 20, 2026: Sanathan Textiles Limited today announces that it has commenced commercial production from its expanded Technical Textiles yarn manufacturing capacity at its Silvassa facility. The expansion doubles the Company's Technical Textiles yarn capacity from 9,000 MTPA to 18,000 MTPA and takes total installed capacity across all three yarn verticals for both locations (Silvassa and Punjab) to **488,250 MTPA**. Commercial production has commenced in line with the timeline communicated earlier in the Company's intimation dated July 23, 2026. The expanded capacity strengthens Sanathan Textiles' integrated manufacturing platform and provides capacity to address evolving market requirements across a range of specialised applications.

Technical Textiles is a high-growth segment, with Sanathan Textiles' yarns used across automotive, agriculture, defence, infrastructure, roads and railways, sportswear, healthcare and industrial safety applications, as well as protective and strategic end-uses such as fire-retardant wear.

About Sanathan Textiles Limited

With over three decades of operations, today, Sanathan Textiles is among the leading yarn manufacturers India that has strong presence across three yarn segments namely that are polyester filament yarns, cotton yarn and yarns for technical textiles, thereby contributing significant value to the textile ecosystem.

The Company has its strategically located manufacturing facilities in Silvassa and Punjab. These facilities are technologically advanced with automated warehousing transportation and package handling systems.

Sanathan Textiles has a diverse product portfolio catering across various sectors with more than 3,200 yarn products and nearly 50,000 SKUs. The Company has over 7,000 customers, 400+ distributors across India and exports to around 27 countries.
