INDEPENDENT AUDITOR'S REPORT

To

The Board of Directors of Shayona Engineering Limited

Report on the Audit of Standalone Financial Results

Opinion

We have audited the accompanying standalone financial results of Shayona Engineering Limited (hereinafter referred to as the "Company") for the half year and Financial year ended 31st March 2026, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone annual financial results:

- a) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Accounting Standards (AS), and other accounting principles generally accepted in India, of the net profit and other financial information for the half year and financial year ended 31st March 2026.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our opinion on the Standalone financial results.

Emphasis of Matter

We draw attention to Note 7 to the standalone financial results regarding utilization of Initial Public Offer ("IPO") proceeds amounting to ₹1,486.08 Lakh raised during the year. As stated in the said note, an amount of ₹247.81 Lakhs earmarked for the purchase of plant and

machinery remained unutilized as at March 31, 2026. Pending deployment towards the stated object of the issue, ₹105.84 Lakhs was temporarily invested in fixed deposits with scheduled banks and the balance amount of ₹141.97 Lakhs was utilized for interim working capital requirements of the Company.

The Management has represented that such utilization was short-term and temporary in nature, and the entire amount of Rs ₹141.97 Lakhs was subsequently made available with the Company prior to the approval of the financial statements, ensuring availability of funds for the intended objects of the issue.

Our opinion is not modified in respect of this matter.

Management's and Board of Directors' Responsibilities for the Standalone Financial Results

These half yearly and annual financial results have been prepared on the basis of the standalone annual financial statements of the company for the financial year ended March 31, 2026 and the relevant interim financial information for the half year ended September 30, 2025, as applicable.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these standalone annual financial results that give a true and fair view of the net profit/ loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone annual financial results, including the disclosures, and whether the standalone annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to those charged with governance that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The figures for the half year ended March 31, 2026 are the balancing figures between the audited figures in respect of the full financial year ended March 31, 2026 and the figures for the half year ended September 30, 2025. Further, the figures for the half year ended September 30, 2025 and the corresponding comparative periods were not previously published under Regulation 33 of the Listing Regulations, as the equity shares of the Company were listed on BSE SME on January 30, 2026.
