Independent Auditor's Limited Review Report on Unaudited Standalone Financial Results of A-One Steels India Limited for the quarter ended June 30, 2026 pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of A-One Steels India Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of A-One Steels India Limited (hereinafter referred to as "the Company") for the quarter ended June 30, 2026 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"). Attention is drawn to the fact that the figures for the corresponding quarter ended June 30, 2025 and the preceding quarter ended March 31, 2026 as reported in these standalone financial results have been approved by the Board of Directors, but have not been subjected to review by auditors.
2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the standards on auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would be aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results read with notes therein, prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The balance claim is under review by the insurance company, and the Company is in the process of obtaining the remaining settlement.

Based on the assessment of the loss and the terms of the insurance policy, the Management expects to recover the full amount of the eligible loss incurred. However, as the final settlement is pending and the amount and timing of receipt remain subject to the insurer's assessment and approval, no further insurance claim receivable or related income has been recognized in the financial statements beyond the amount received. The Company is in the process of assessing the extent of damage or loss, if any, arising from the incident and evaluating its consequential impact, if any, on the plant's operations and financial results. Necessary precautionary and preventive measures are being undertaken to mitigate the risk of recurrence of similar incidents. The Company's assets at the said plant are insured, and the losses arising from the incident, if any, are expected to be covered under the insurance policies held by the Company, subject to the terms and conditions thereof.
