Subject: Clarification on Significant Movement in the Price of Security

Dear Sir/Madam,

With reference to your email dated June 17, 2026 bearing Letter No. letter no. **L/SURV/ONL/PV/SJ/ 2026-2027 / 3956** regarding the significant movement in the price of the equity shares of the Company across Exchanges in the recent past, we wish to inform you that the Company has been regularly disclosing all material information, events and announcements that have a bearing on the operations and performance of the Company in compliance with Regulation 30 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company would like to clarify that, as on date, there is no undisclosed material event, information, announcement, pending decision or any other price sensitive information which, in our opinion, may have a bearing on the price and/or volume behaviour of the Company's securities and which requires disclosure to the Exchange.

The movement in the price/volume of the Company's securities is purely market-driven and the Company is not aware of any reason that may have contributed to such movement.

The Company remains committed to complying with all applicable disclosure requirements under the SEBI (LODR) Regulations, 2015 and shall promptly inform the Exchange of any material information/event as and when required.

This is for your information and record.

Thanking you,
For **Nurture Well Industries Limited**
(Formerly Known as Integrated Industries Limited)
