KEC International wins New Orders of Rs. 1,180 crores

~Secures its first Transmission line order to power a Data Centre in India

Mumbai, July 14, 2026: KEC International Ltd., a global infrastructure EPC major, an RPG Group Company, has secured new orders of **Rs. 1,180 crores** across various businesses:

Transmission & Distribution (T&D):

The business has secured orders for T&D projects across India, the Middle East and the Americas:

- 400 kV transmission line project in Western India to power a Data Centre
- Supply of transmission line towers in the Middle East
- Supply of towers, hardware, and poles in the Americas

Renewables:

The business has secured an order for a 200+ MW Solar PV project in Western India from an existing client- a renowned private developer.

Civil:

The business has secured an order for additional civil and structural works for a 150 MW thermal power plant from a prominent private player in Eastern India.

Cables & Conductors:

The business has secured various orders in India and the overseas market.

Mr. Vimal Kejriwal, MD & CEO, KEC International Ltd. commented, *"We are pleased with the new order wins across businesses. The T&D business has secured its first transmission line order for evacuation of power to a Data Centre from a reputed private developer. This order marks an important milestone for the T&D business in supporting the power infrastructure needs of the growing Data Centre segment. We have bolstered our Tower Supply business with a significant order from the Middle East. Our Renewables business continues to strengthen relations-with existing clients as reflected in the award of the large solar project. With these orders, our YTD order intake stands at over Rs. 5,200 crores."*
