Mafatlal Industries Appraised at CMMI Level 5, Reinforcing Excellence in Digital Infrastructure Space

Mumbai, August 6th, 2026: Mafatlal Industries Limited (BSE: 500264), a player in the digital infrastructure space and a legacy player in the Indian textile industry, has been appraised at Maturity Level 5 (ML5) of Capability Maturity Model Integration (CMMI®) for CMMI-DEV and CMMI-SVC. The appraisal was conducted by Univate Solutions.

An appraisal at Maturity Level 5 indicates that Mafatlal Industries is performing at an “optimizing” level. At this level, the Company continually improves its processes based on a quantitative understanding of its business objectives and performance needs. The organization uses a quantitative approach to understand the variation inherent in the process and the causes of process outcomes.

CMMI is a proven, outcome-based performance model and the globally accepted standard for improving capability, optimizing business performance and aligning operations to business goals. It is a capability improvement framework that provides organizations with the essential elements of effective processes ultimately improving their performance. The CMMI framework and associated best practices are widely used by organisations around the world to guide improvement in their processes.

Management Commentary

"Achieving CMMI Maturity Level 5 is an important milestone for the digital infrastructure business as it reflects the strength of our process framework, engineering capabilities and culture of continuous improvement."

This recognition validates our continued investment in process excellence, innovation and quantitative performance management. It reinforces our ability to deliver scalable, reliable and high-quality solutions through data-driven decision-making and continuous process optimization, enabling us to better support our customers' evolving digital transformation requirements while creating long-term value for all stakeholders."

- Mr. Priyavrata Mafatlal, MD and CEO
