  - Consolidated volumes grew **mid-single digits YoY**
  - India Region returned to its **double-digit volume growth**
  - Specialty Care business sustained its momentum across international markets
- **Strong recovery in AMET**
  - AMET volumes declined **low-single digits YoY** due to geopolitical developments in West Asia
  - However, the region witnessed a **strong sequential recovery during the quarter**, demonstrating resilient underlying customer demand and the strength of execution across the business vertical
- **Improved business mix and customer demand**
  - Recovery in demand from **Tier-1 customers** supported performance
  - Higher contribution within **Specialty Care** strengthened overall mix and profitability
  - Disciplined pricing actions

- **Operational excellence and resilience**
  - Despite sharp feedstock price fluctuations and supply-chain disruptions linked to developments in West Asia, Galaxy leveraged its, diversified product portfolio, agile supply chain, strong vendor relationships, and operational excellence. This enabled the company to deliver record quarterly profitability.

Commenting on the performance Mr. K. Natarajan, Managing Director, Galaxy Surfactants Limited,

"I am pleased that the strategic foundations we have been building over the years have translated into tangible outcomes. Our ability to anticipate risks, manage volatility, make disciplined commercial decisions and leverage a diversified portfolio has enabled us to emerge stronger despite a challenging external environment.

This performance is also a reflection of the exceptional efforts and collaboration demonstrated by our teams across business development, commercial excellence, procurement, global logistics, manufacturing and operations, who have ensured agility, continuity and flawless execution amidst significant external disruptions.

While we remain watchful of evolving geopolitical developments and their impact on global supply chains, we are encouraged by the recovery in customer demand, the strong momentum in Specialty Care and the continued strength of our India business.

We remain confident in our ability to deliver sustainable long-term growth through disciplined execution, customer centric approach and a continued focus on creating long-term value for all stakeholders."
