Subject: Opening of 3-screen multiplex at DLF Summit Plaza, Gurugram, Haryana.

Dear Sir/Madam,

We are pleased to inform you about the opening of new 3-screen multiplex at DLF Summit Plaza, Gurugram, Haryana.

The three-screen cinema is equipped with 4K digital laser projection, Dolby 7.1 surround sound and Next-Gen 3D, delivering exceptional visual clarity, immersive audio and a richly detailed, lifelike cinematic experience across all auditoriums.

With this launch PVR INOX now operates the largest multiplex network with 1,792 screens at 357 properties in 114 cities (India and Sri Lanka).

A Copy of press release is enclosed.

This is for your information and to all concerned.

Yours sincerely,
For **PVR INOX Limited**

PVR INOX ELEVATES GURUGRAM'S ENTERTAINMENT EXPERIENCE WITH A NEW CINEMA AT DLF SUMMIT PLAZA

~ Located on Golf Course Road, the new destination combines premium comfort, immersive design and the distinctive Sapphire seating experience. ~

National, September 17, 2026: PVR INOX Limited, India's largest and most premium multiplex chain, today announced the launch of its new three-screen multiplex at DLF Summit Plaza, Gurugram. Located on the prestigious Golf Course Road corridor, the new destination marks the company's latest expansion in one of India's most cosmopolitan urban markets.

Gurugram has evolved into a dynamic city where global workplaces, premium residences, contemporary dining, retail and entertainment come together. Within this ecosystem, DLF Summit Plaza is a well-connected destination for shopping, dining and leisure, surrounded by premium residences, corporate offices and hospitality destinations. With easy access to Golf Course Road, the Rapid Metro and key business districts, the new PVR INOX multiplex further adds to DLF Summit Plaza's appeal as a lifestyle and entertainment address.

The multiplex features three auditoriums with 352 premium Sapphire seats, finished in luxurious leatherette upholstery. The seating offers 650 mm centre-to-centre spacing and a 1,500 mm back-to-back seat pitch, providing generous personal space and enhanced comfort. The three-screen cinema is equipped with 4K digital laser projection, Dolby 7.1 surround sound and Next-Gen 3D, delivering exceptional visual clarity, immersive audio and a richly detailed, lifelike cinematic experience across all auditoriums.

The auditoriums feature rich monochromatic palettes, giving each screen a distinct identity while maintaining a cohesive design language. Softly curved wall panelling, integrated acoustic detailing and vertical illuminated feature panels create depth, rhythm and visual distinction.

A defining feature is the dramatic double-height foyer, designed as a hospitality-inspired social space rather than a conventional cinema lobby. Sculptural suspended lighting, café-style seating and dedicated social zones create an inviting setting to relax, connect and extend the visit beyond the screening.

Hanging greenery and biophilic elements soften the environment, while warm ambient lighting adds comfort and intimacy. A striking chrome-plated vintage projector installation anchors the arrival experience as a signature visual landmark. Metallic accents, textured finishes and warm tones complete the refined material palette, bringing together cinema, hospitality and contemporary lifestyle in one cohesive setting.

Commenting on the launch, **Mr. Ajay Kumar Bijli, Managing Director, PVR INOX Limited**, said, "Gurugram is a city that embodies India's ambition, energy and cosmopolitan way of life. The launch of our new multiplex at DLF Summit Plaza reflects our commitment to creating elevated cinema experiences in destinations that are central to how modern audiences live, work and socialise. Located in the heart of DLF5 and Golf Course Road, this property brings together

comfort, design, technology and hospitality to create a distinctive new entertainment destination for Gurugram.”

Mr. Sanjeev Kumar , Executive Director, PVR INOX Limited, added, As India’s entertainment landscape continues to evolve, audiences are seeking spaces that offer more than a conventional visit, they are looking for moments of connection, discovery and enjoyment. Our new multiplex at DLF Summit Plaza has been designed as a complete leisure destination, bringing together thoughtful architecture, premium comfort and a welcoming social environment. With its distinctive foyer, immersive auditoriums and carefully curated details, the property reflects our vision of making every PVR INOX experience meaningful, memorable and relevant to the way people live today.”

The launch further reinforces PVR INOX’s commitment to expanding access to elevated theatrical experiences and creating destination-led cinemas that enrich the evolving leisure and entertainment landscape across India.

About PVR INOX Limited

PVR INOX Limited is India’s largest film exhibition company, operating 1,792 screens across 357 properties in 114 cities in India and Sri Lanka. Formed through the merger, in 2023, of two of the country’s most established and widely recognized cinema brands, PVR Limited and INOX Leisure Limited, the company represents the convergence of scale, operational excellence, and long-term creative vision. Operating as a unified platform, PVR INOX brings together deep industry expertise and a strong consumer-centric approach to deliver world-class cinema experiences.

PVR INOX continues to invest in continuous innovation, next-generation formats, and immersive experiences, enabling the seamless introduction of global content and storytelling to audiences across the region. Guided by international benchmarks and evolving audience preferences, the company remains committed to shaping the future of out-of-home entertainment in South Asia. Its portfolio spans thoughtfully designed child-friendly auditoriums, state-of-the-art projection and immersive sound technologies, a diverse and curated food and beverage offering, film and non-film programming, and an expansive suite of premium large-format screens.
