*****_Q4 FY26 PAT reflects the impact of current tax provision recognised during the quarter._

<u>Standalone</u>

- **Revenue from Operations: ₹3.54 Crore**, up **8.6% YoY**
- **Profit Before Tax: ₹0.84 Crore**, up **42.7% YoY**

<u>Consolidated</u>

- **Revenue from Operations: ₹14.29 Crore**, up **7.9 % YoY**
- **Profit Before Tax: ₹1.18 Crore,** compared to ₹1.22 Crore in Q1 FY 2025-26, reflecting continued investments in AI, technology platforms and proprietary intellectual property.

Strategic Priorities

The Company continues to strengthen its technology capabilities with strategic focus on:

- Artificial Intelligence
- Enterprise Software
- Digital Commerce Platforms
- Scalable SaaS Businesses
- Global Technology Services
- Proprietary Intellectual Property

The Company continues to invest in selected technology initiatives, product development and capability enhancement aligned with these focus areas. These initiatives support ACE's long-term strategy of expanding its portfolio of technology solutions, strengthening customer relationships and enhancing its global delivery capabilities.

Management Commentary

Mr. Amit M. Mehta, Managing Director & CEO, said:

> *"We are pleased to present our first-quarter results and commence FY 2026-27 in line with our strategic priorities. The quarter reflects our continued focus on disciplined execution, sustained investments in technology and building long-term value creation. Our focus remains on building a globally relevant technology enterprise through innovation, AI-enabled solutions, digital products and platform-led businesses. We also continue to evaluate, where appropriate, strategic acquisitions, partnerships and investments that complement our capabilities, strengthen our market position and support sustainable long-term value creation for all stakeholders."*

About Ace Software Exports Limited

Ace Software Exports Limited (BSE: 531525) is a technology company with over three decades of experience in software engineering, digital transformation and enterprise technology services. Through its AQeDigital ecosystem, the Company delivers digital products, cloud, data, AI and enterprise technology solutions to customers across diverse industries and global markets.

As it enters its next phase of growth, ACE is strengthening its focus on AI-enabled products, digital platforms, proprietary technology assets and scalable SaaS businesses. Guided by innovation, disciplined execution and strategic investments, the Company is focused on building technology businesses serving domestic and international markets and creating sustainable long-term value for its customers, shareholders and other stakeholders.
