Award of Repeat Export Order from M/s Argentera Oil and Gas, Brazil

New Delhi, Wednesday, June 24, 2026, United Drilling Tools Ltd. (UDTL) (BSE - 522014, NSE - UNIDT) is pleased to announce the **receipt of repeat order** from a valued customer **M/s Argentera Oil and Gas, Brazil**, for the supply of Casing Pipe with Multi Start High Performance Connector which scheduled to be fulfilled over a period of approximately 4-5 Months.

The new order underscores the confidence that leading oil and gas operators continue to place in UDTL's advanced engineering capabilities, product quality, timely execution, and customer-centric approach. Over the years, the Company has consistently delivered critical drilling solutions for both domestic and international markets, establishing a strong reputation for reliability and performance in demanding operating environments.

UDTL's continued success in securing repeat orders reflects the trust built through long-term relationships with customers, adherence to stringent quality standards, and commitment to technological excellence. The Company's ability to deliver high-performance products that meet international specifications has enabled it to expand its footprint across global markets and strengthen its position as a reliable supplier to the international oil and gas industry.

The order also highlights the growing recognition of Indian manufacturing capabilities in the global energy sector. Through its focus on innovation, engineering expertise, and operational excellence, UDTL continues to contribute to the development of indigenous technologies while successfully competing in international markets.

The awarded contract involves the supply of **Casing Pipe with Multi Start High High Performance Connector**, a critical and high-precision component used in the drilling of oil and gas wells.

We are delighted to receive this order associated with Petrobras, a globally respected leader in the energy sector. This order underscores the confidence that international customers place in our product quality, manufacturing capabilities, and commitment to timely delivery. It represents another important milestone in our efforts to expand our presence in overseas markets and strengthen our position as a trusted supplier to the global oil and gas industry. We look forward to building a long-term relationship and supporting the evolving requirements of the energy sector through reliable and high-quality solutions.
