Independent Auditor's Report on Standalone Financial Results of Ishan Dyes & Chemicals Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
Ishan Dyes & Chemicals Limited

Report on the audit of the Standalone Financial Results

We have audited the accompanying statement of Standalone Financial Results of **M/s Ishan Dyes & Chemicals Limited** (the "Company") for the year ended March 31, 2026 ("Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Financial Results for the year ended March 31, 2026: except for the effects of the matters described in the Basis for Qualified Opinion paragraph below:

- i) is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended; and
- ii) gives a true and fair view in conformity with the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India, of the net loss, total comprehensive income and other financial information of the Company for the year ended March 31, 2026.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

The Company has advanced a loan of Rs. 1,460.22 Lakhs to a related party. As per the audited financial statements of the related party, its net worth has turned negative and it has no active business due to ongoing legal issues. As per the requirements of Ind AS 109 – Financial Instruments, the Company is required to assess such financial assets for impairment using the Expected Credit Loss (ECL) model and recognise appropriate impairment loss. The management has not made any provision for impairment of the said loan. In our opinion, a provision of Rs. 1,460.22 Lakhs is required in respect of the aforesaid loan. Had this provision been made, the net loss for the year ended March 31, 2026 would have been higher by Rs. 1,460.22 Lakhs and the reserves and surplus as at March 31, 2026 would have been lower by Rs. 1,460.22 Lakhs.

Also, the Company has valued certain inventories (Finish Goods) held against specific customer contracts at Net Realisable Value (NRV) amounting to Rs. 2759.49 Lakhs. As per Ind AS 2 – Inventories, inventories are required to be measured at the lower of cost and Net Realisable Value. Since the NRV of these inventories (Finish Goods) exceeds their cost, the Company has carried them above cost, which is not in conformity with Ind AS 2. In our opinion, the said inventories (Finish Goods) should be measured at cost. Had the inventories been so measured, the value of inventories (Finish Goods) would have been lower by Rs. 284.78 Lakhs, the net loss for the year ended March 31, 2026 would have been higher by Rs. 284.78 Lakhs, and the total equity as at March 31, 2026 would have been lower by Rs. 284.78 Lakhs.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements.

The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive loss of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or

has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Statement made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Financial Results of the Company to express an opinion on the Annual Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

As per the requirements of Ind AS 109 - Financial Instruments, the Company is required to assess such financial assets for impairment using the Expected Credit Loss (ECL) model and recognise appropriate impairment loss. The management has not made any provision for impairment of the said loan.</p> <p>In our opinion, a provision of Rs. 1,460.22 Lakhs is required in respect of the aforesaid loan. Had this provision been made, the net loss for the year ended March 31, 2026, would have been higher by Rs. 1,460.22 Lakhs and the reserves and surplus as at March 31, 2026, would have been lower by Rs. 1,460.22 Lakhs.</p>

	d.	For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	The Company has extended Unsecured Loan of Rs. 1460.22 Lakhs to Cluster Enviro Private Limited, one of its associate concerns. The said loan was extended in the ordinary course of the business. Further the said loan is strategic in nature and fully recoverable. The management is confident for the recovery of the said loans considering the ongoing discussions by the said Company with its potential investors with whom revival plans and fund infusion plan discussions are undergoing. Barring unforeseen circumstances, the management is hopeful for the recovery of the said loans and in view of the said facts no provision was considered necessary.
	e.	For Audit Qualification(s) where the impact is not quantified by the auditor:	
	I.	Management's estimation on the impact of audit qualification:	Not Applicable
	II.	If management is unable to estimate the impact, reasons for the same:	Not Applicable
	III.	Auditors' Comments on (i) or (ii) above:	NIL
II.	a.	Details of Audit Qualification:	<p>The Company has valued certain inventories (Finish Goods) held against specific customer contracts at Net Realisable Value (NRV) amounting to Rs. 2759.49 Lakhs. As per Ind AS 2 - Inventories, inventories are required to be measured at the lower of cost and Net Realisable Value. Since the NRV of these inventories (Finish Goods) exceeds their cost, the Company has carried them above cost, which is not in conformity with Ind AS 2.</p> <p>In our opinion, the said inventories (Finish Goods) should be measured at cost. Had the inventories been so measured, the value of inventories (Finish Goods) would have been lower by Rs. 284.78 Lakhs, the net loss for the year ended March 31, 2026 would have been higher by Rs. 284.78 Lakhs, and the total equity as at March 31, 2026 would have been lower by Rs. 284.78 Lakhs.</p>

	d.	For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	The Inventory was produced against specific export/local confirmed order for supply, however, due to geopolitical situation, delayed availability of the shipments and other external variables, the supplies for such orders were delayed. Since the inventory was produced for specific confirmed order, which was subsequently dispatched, the said inventories were valued at market price which could have been otherwise recorded as revenue for the year in case supplied were made on time before year end.
