Sub: Clarification on Price Movement of Equity Shares – Regulation 30 of Securities and Exchange Board of India (LODR) Regulations, 2015.

Dear Sir/Madam,

This is in reference to your email seeking clarification with respect to the significant movement in the price of the equity shares of the Company in the recent past.

In this regard, we wish to inform you that the Company has no information / announcement (including any impending announcement) which, in our opinion, may have a bearing on the price behaviour of the equity shares of the Company, and which requires disclosure under Regulation 30 of the SEBI (LODR) Regulations, 2015.

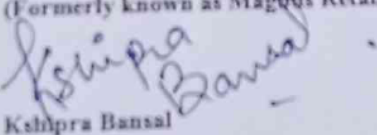

The movement in the price of the equity shares of the Company is purely market-driven, arising out of buying and selling by investors / shareholders in the open market, and is not attributable to any material event, development, proposal, or decision at the Company's end.

The Company continues to comply with all applicable disclosure requirements and confirms that all material information, if any, has been duly disclosed to the Stock Exchange from time to time.

We request you to take the above clarification on record.

Thanking you,
Yours faithfully,

For Magnus Steel and Infra Limited,
(Formerly known as Magnus Retail Limited)
