Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Business Update relating to HYGI AIR

Dear Sir / Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, read with the applicable provisions of Schedule III thereto, we wish to inform the Exchange of a business development relating to the Company's connected smart washroom air-quality and hygiene monitoring solution, HYGI AIR.

The Company has successfully completed a pilot deployment of HYGI AIR across 100 retail outlets, with the deployed devices connected to the Company's centralized monitoring platform and transmitting field data for remote monitoring.

The pilot has demonstrated the operational capability of the solution across multiple locations, including device connectivity, centralized monitoring, alerts, analytics and device-health visibility.

Following completion of the pilot, the Company is evaluating and preparing for commercial deployment of HYGI AIR across fuel-retail and other distributed/high-footfall facilities, subject to customer requirements, commercial negotiations, deployment schedules and applicable statutory and regulatory requirements.

HYGI AIR extends the Company's technology and solutions portfolio into connected sensing, cloud-based monitoring, analytics and managed service support for distributed facilities.

The Company clarifies that the above business update does not represent any confirmed purchase order, binding contract, assured revenue, financial guidance or guarantee of future business. Commercial deployments and revenues, if any, will depend upon customer approvals, commercial negotiations, product configuration, deployment timelines, market conditions and other applicable factors.

The Company will make further disclosures to the Stock Exchange as and when required under the applicable provisions of the SEBI LODR Regulations.

Kindly take the above information on record.
