DIVIDEND

In order to infuse greater transparency and uniformity in practice, Reserve Bank of India vide its Circular RBI/2021-22/59 DOR.ACC.REC.No. 23/21.02.067/2021-22 dated June 24, 2021 has issued guidelines to all Non-Banking Financial Companies (NBFCs) for declaration of dividends. These guidelines are effective for declaration of dividend from the profits of the financial year ended March 31, 2022 and onwards. Accordingly, as the Company has incurred losses and in order to strengthen its resource base, your directors have decided not to recommend any Dividend for the year ended 31st March, 2026, but to conserve the funds for future contingencies.

MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)

FINANCIAL REVIEW

The total income for the year was Rs. 284.89 Lacs as compared to Rs.135.93 Lacs in the previous year. Depreciation was Rs. 54.98 Lacs (Previous Year Rs. 44.17 Lacs). The Provision for Taxation for the year under report was NIL. Loss after tax was Rs. (301.94) Lacs.

This year, the company has decided not to transfer any funds to General Reserve and Statutory Reserve Fund pursuant to Section 45IC of RBI Act, 1934.

The Net Worth of the Company as at 31st March, 2026 stood at Rs. 2,995.55 Lacs as against Rs. 4,099.30 Lacs on 31st March, 2025.

NBFC INDUSTRY

The NBFC sector has a significant role in bringing efficiency and diversity in the financial system. It has evolved extensively in terms of its operations, technology, profitability and asset quality and entered into newer areas of financial services and products. NBFCs are now deeply interconnected with the entities in the financial sector, on both sides of their balance sheets.

Being financial entities, they are exposed to risks arising out of counterparty failures, funding and asset concentration, interest rate movement and risks pertaining to liquidity and solvency, as any other financial sector player.

Business Review

The Company's operations continue to be primarily focused on inter-corporate investments, capital market activities and financing. During the year under review, the Company diversified into the textile and apparel segment by commencing the business of manufacturing, distribution, sales and marketing of Ready-to-Stitch (RTS) Fancy Suiting and Shirting (excluding Uniform Fabric), Linen Fabric RTS, and all types of garments under the brand name "STANROSE MAFATLAL" within India.

Accordingly, the Company is now engaged in both financial services and branded textile and garment business activities, with the objective of exploring new avenues of growth and enhancing long-term value for stakeholders.

Segment-wise brief outline of the financial and operational performance during the year under review is set out below:

(i) Investments

The Company's investment portfolio is reviewed from time to time to buy securities to add to its Portfolio or to sell in order to make Capital gains. Details of Company's investments are given under Note No. 9 to Financial Statements of the Company for the year ended 31st March, 2026. The total worth of Company's Quoted and Unquoted Investments in

STANROSE MAFATLAL

Shares and Securities (Including Stock-in-trade) as at 31st March, 2026 is Rs. 2,400.94 Lacs (Previous Year Rs. 2742.89 Lacs). The Company has adopted IND-AS from 1st April, 2019. Under IND-AS, investments are valued at fair value whereas in case of IGAAP, Long term investments were valued at lower of cost or fair value.

During the year under report, the Company:

- a) has made no disinvestment from its Non-current Quoted and Non-Quoted Equity Investments as against Rs. 46.34 Lacs in the Previous Year.
- (b) booked a net profit of Rs. 7.48 Lacs on sale of Non-Current investments as against Rs. 114.40 Lacs in the previous year.
- (c) earned income by way of Dividend of Rs. 70.47 Lacs against Rs. 134.39 Lacs in the previous year.

The Company has been pursuing Investment activities without any public funds and also not having any public interface.

(ii) Finance

Interest on Inter-corporate Deposit:

During the year under report the Company has not earned any interest income on Inter Corporate Deposits.

Changes in Key Financial Ratios:

Sr. No.	Ratios	F.Y. 2025-26	F.Y. 2024-25
1.	Current Ratio	3.80	3.54
2.	Debt Equity Ratio	NA	NA
3.	Operating Profit Margin (%)	-109.14%	-163.20%
4.	Net Profit Margin (%)	-106.29%	-166.33%
5.	Return on Net Worth (%)	-10.08%	-5.49%

Note: The Company is not having any Debt/Borrowings as at 31st March, 2026. Also, the Company is not into Customer based products which are manufactured/produced by the Company. Hence, as required under Part B of Schedule V to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Debtors Turnover Ratio, Inventory Turnover Ratio and Interest Coverage Ratio have not been provided.

(ii) Diversification into Textile and Garment Business

During the year under review, the Company

diversified its business activities to explore new growth opportunities by entering into the business of manufacturing, distribution, sales and marketing of Ready-to-Stitch (RTS) Fancy Suiting and Shirting (excluding Uniform Fabric), Linen Fabric RTS and all types of garments under the brand name "STANROSE MAFATLAL" within the territory of India.

The Company shall continue to pursue Investment activities without any public funds and also not having any public interface and accordingly the proposes to alter its Main Object clause to regularise its NBFC and non-NBFC activities.

For this purpose, the Company has entered and may continue to enter into, appropriate arrangements and agreements with manufacturers and/or distributors for manufacturing, distribution, sales and marketing of the aforesaid products under the Company's trademark and logo.

Opportunities and Threats

As various factors are posing constant threats and high volatility in the Capital Markets, it appears beneficial to diversify the portfolio to reduce the risk and insulate from the vagaries of stock-market. Mutual Funds help to reduce risk through diversification and professional management. Therefore, the Company invests its surplus funds in debt/equity oriented Mutual Funds. One of the biggest advantages of Mutual Fund investment is Liquidity. Open-end funds provide option to redeem on demand, which is beneficial during rising or falling markets. The management is exploring other avenues of business.

Outlook

The Company intends to continue focusing on capital market activities including trading in securities and emerging products in derivatives.

Risk and Concern

The Company is exposed to specific risks that are particular to its business and the environment within which it operates, including interest rate volatility, economic cycle, credit and market risks. The Company has quoted investments which are exposed to fluctuations in stock prices. These investments represent a material portion of the Company's business and are vulnerable to fluctuations in the stock markets. Any decline in prices of the Company's quoted investments may affect its financial position and the results of its operations. It continuously monitors its market exposure and tries to manage these risks by following prudent business and risk management practices.

Adequacy of Internal Control

The Company has a proper and adequate system of

STANROSE MAFATLAL INVESTMENTS AND FINANCE LIMITED

internal control in all spheres of its activities to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized, recorded and reported diligently. The Internal control is supplemented by an effective internal audit being carried out by an external firm of Chartered Accountants.

The Company ensures adherence to all internal control policies and procedures as well as compliances with all regulatory guidelines.

The Audit Committee of the Board of Directors reviews the adequacy of internal controls.

Human Resources

The Company has diverse workforce which leads to sustainable growth and improvement in productivity. The Company has maintained cordial relations with its employees at all levels during the year.

CORPORATE GOVERNANCE

The Company has complied with applicable provisions of Corporate Governance as provided under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. A separate report on Corporate Governance compliance is included as a part of the Annual Report along with the Auditors' Certificate.

DEPOSITS

Your Company has not accepted any public deposits during the year under review.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members of

STANROSE MAFATLAL INVESTMENTS AND FINANCE LIMITED

(CIN: L65910GJ1980PLC003731)

6th Floor, Popular House, Ashram Road,
Ahmedabad - 380009

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **STANROSE MAFATLAL INVESTMENTS AND FINANCE LIMITED** (hereinafter called the "**Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange

Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

The Management of the Company has identified and confirmed that the following laws are specifically applicable to the Company:

- a) The Reserve Bank of India Act, 1934 and Applicable NBFC Regulations
- b) The Prevention of Money Laundering Act, 2002.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreement(s) entered into by the Company with Stock Exchange(s), if any.

We hereby report that during the period under review, the Company has complied with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above subject to the following observations:

- a. The Company has commenced textile and garment related business activities pursuant to the approval of the Board of Directors. It was informed that the said activities were undertaken as part of the Company's diversification initiative for exploring

STANROSE MAFATLAL

new growth opportunities and expanding its business operations. The Company is yet to take steps to alter the Main Objects of its Memorandum of Association.

- b. Due to pursuing of textile and garment related business activities, during the FY 2025-26, the non-finance income has been more than 50% of the total income. Therefore, the Company has to take clear decision with respect to its continued registration with RBI as NBFC. The Company has informed that it has been pursuing Investment activities only without any public funds and also not having any public interface and will accordingly regularise its NBFC and non-NBFC activities.

We further report that:

- (a) The Board of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- (b) Adequate notice is given to all Directors to

schedule the Board Meetings at least seven days in advance. Agenda and detailed notes on agenda were also sent to all Directors and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

- (c) Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that based on the review of the compliance mechanism established by the Company and on the basis of compliance certificates issued by various departments and taken on record by the Board of Directors at their meeting, we are of the opinion that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, no events /actions have taken place (except the event/action already mentioned in this report) which have major bearing on the affairs of the Company in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

The Shareholders can view the aforesaid information on the website of IEPF 'www.iepf.gov.in' and under "Investor Relations" on the website of the Company, 'www.stanroseinvest.com'. The concerned members are requested to verify the details of their unclaimed dividend, if any, from the said websites and lodge their claim with the Company at its Registered Office or with its Registrar and Transfer Agent, MUFG Intime India Pvt. Ltd., (formerly Link Intime India Pvt. Ltd.) before the same is due for transfer to IEPF.

The Unclaimed Dividend Claim Form - Letter of Indemnity can be downloaded from www.stanroseinvest.com.

- (iii) All the shares in respect of which the dividends are unpaid or unclaimed for seven consecutive years or more shall be transferred in the name of IEPF. All the Members whose dividends for the last seven years are unpaid or unclaimed and whose shares are liable to be transferred to IEPF are informed and requested to claim their dividends before their shares are transferred to IEPF. Once transferred, Members can claim their shares or dividends from IEPF Authority by filing online Form IEPF 5 on IEPF's website, www.iepf.gov.in.

(d) Dividends:

(i) Receipt of Dividend through Electronic Mode:

Securities and Exchange Board of India (SEBI) vide its Circular No. CIR/MRD/DP/10/2013 dated March 21, 2013 has directed all listed companies to mandatorily make all payments to investors, including dividend to shareholders, by using any Reserve Bank of India (RBI) approved electronic modes of payment viz. ECS, LECS (Local ECS), RECS (Regional ECS), NECS (National ECS) and NEFT, etc.

In order to receive the dividend without loss of time, all eligible shareholders holding shares in demat mode are requested to update with their respective Depository Participants, their correct Bank Account Number including nine-digit MICR Code and eleven-digit IFSC Code, E-Mail ID and Mobile No(s). This will facilitate

the remittance of dividend amount in the Bank Account electronically. Updation of Email Ids and Mobile Nos.(s) will enable sending communication relating to credit of dividend, unencashed dividend, etc.

Shareholders holding shares in physical form are requested to provide the following details along with an authorization letter allowing the Company to directly credit the dividend to their bank accounts: Name of the first account holder (as appearing in the Bank Account records), Bank Name, Branch Name, Branch Address, Account Type, Account Number, Nine digit MICR Code, Eleven digit IFSC Code, Email Id and Mobile No.(s) to the Company at its Registered Office or its Registrar and Transfer Agent, MUFG Intime India Pvt. Ltd. at: 506-508, Amarnath Business Centre-1 (ABC-1), B/s. Gala Business Centre, Nr. St. Xavier's College Corner, Off. C.G. Road, Ellisbridge, Ahmedabad - 380 006, by quoting reference folio number and attaching a photocopy of the cheque leaf of their active Bank Account and a Self-attested copy of their PAN Card.

(ii) Various Electronic modes for making payment of Dividend:

In case the shareholder has updated the complete and correct bank account details (including nine-digit MICR Code and eleven-digit IFSC Code) before the deadlines given here in above, the Company shall make the payment of dividend to such shareholders under any one of the following modes:

1. National Electronic Clearing Service (NECS)
2. Electronic Clearing Service (ECS)
3. National Electronic Fund Transfer (NEFT)

In case the dividend payment by electronic mode is returned or rejected by the corresponding bank due to some reason, then the Company will issue a Dividend Warrant/ Demand Draft/Cheque and print the bank account details available on its records on the said dividend warrant to avoid fraudulent encashment of warrants.

(e) Nomination Facility:

In accordance with SEBI Circular no. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021, Members holding shares in single name in physical form are advised to make nomination or may choose to opt-out in respect of their shareholding in the Company. The Nomination

Form SH-13 and Nomination opt-out Form ISR-3 can be downloaded from the Company's website, www.stanroseinvest.com.

Members holding shares in dematerialized form may contact their DP for recording their nomination.

(f) Share Transfer System:

The Registrars and Share Transfer Agent have put in place an appropriate share transfer system to ensure timely share transfers.

Further, SEBI had vide its circular dated January 25, 2022, mandated companies to issue its securities in demat form only while processing various service requests such as issue of duplicate securities certificates, sub-division, consolidation, transmission, etc. to enhance ease of dealing in securities markets by investors. Members who are holding shares in physical form are hereby requested to convert their holdings in electronic mode to avail various benefits of dematerialisation.

The Company obtains yearly certificate from M/s. Rutu Shaghvi & Associates, Practising Company Secretaries confirming the compliance by the Company of the timelines specified under Regulation 40(9) of the Listing Regulations for registering transmission/consolidation etc. and files the same with the stock exchanges in the prescribed timeline.

(g) PAN Requirement for every Participant in Securities Market:

In case of transfers, deletion of name of deceased shareholder, transmission and transposition of names in respect of shares held in physical form, submission of self-certified photocopy of PAN Card of the transferee(s), transferor(s), surviving holder(s) respectively, along with necessary documents at the time of lodgment of request for these transactions are mandatory.

(h) Registration of Email ID for receipt of Notices of General Meetings, Annual Report, etc. in electronic mode:

To support the 'Green Initiative in Corporate Governance' of the Ministry of Corporate Affairs in full measure, members who have not registered their email addresses, are requested to register the same with the Depository through their Depository Participants, in respect of electronic holdings. Members holding shares in physical form are requested to get their email addresses registered with the Company/its Registrar & Share Transfer Agent.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying **Standalone Financial Statements of Stanrose Mafatlal Investments and Finance Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the Standalone Financial Statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, (hereinafter referred to as "Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the loss and total

comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (hereinafter referred to as "SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (hereinafter referred to as "ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements, Consolidated Financial Statements and our auditor's reports thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information consider whether the other information, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Final Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions as per applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting

records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ❖ Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ❖ Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

❖ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

❖ Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

the Investor Education and Protection Fund by the Company.

- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), which the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year. Therefore, whether the Company is in compliance with section 123 of the Act does not arise.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. The audit trail has been preserved by the company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure - B", a statement on the matters specified in the paragraph 3 and 4 of the order.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Stanrose Mafatlal Investments and Finance Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Stanrose Mafatlal Investments and Finance Limited** ("the Company") as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to the Standalone Financial Statements of the Company criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Standalone Financial Statements was established and maintained and if

such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to the Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to the Standalone Financial Statements

A company's internal financial control with reference to the Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including

STANROSE MAFATLAL INVESTMENTS AND FINANCE LIMITED

the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under "Report on Other Legal and Regulatory Requirements" section of our report section of our report to the members of Stanrose Mafatlal Investments and Finance Limited of even date)

Report on the Companies (Auditor' Report) Order, 2020, issued by the Central Government of India in terms of section 143 (11) of the Companies Act, 2013('the Act') of Stanrose Mafatlal Investments and Finance Limited ('the Company')

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of Right-of-Use assets.
- (B) The Company does not have any intangible assets. Therefore, the provisions of clause 3(i)(a)(B) of the order are not applicable to the company.
- (b) The Property, Plant and Equipment have been physically verified by the management once in a year which we consider reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no discrepancies were noticed on such verification.

- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company provided to us, we report that, title deeds of all immovable properties (other than property where the company is the lessee and the lease agreement is duly executed in favour of the lessee), disclosed in the financial statements are held in the name of the Company as at the balance sheet date.
- (d) The company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company does not have any Inventory. Therefore, the provisions of clause 3(ii)(a) of the Order are not applicable to the company.
- (b) The company has not been sanctioned any working capital limits at any point of time during the year from banks or financial institutions. Therefore, the provisions of clause 3(ii)(b) of the Order is not applicable to the company.
- (iii) During the year, the Company has not provided any guarantee or security to companies, firms, limited liability partnerships or any other parties. During the year, the Company has made investments in companies and other parties and also granted loans to other parties in respect of which:

- a) (i) Aggregate amount of loan provided to subsidiary is Rs. Nil and balance outstanding at the balance sheet date is Rs. 126.45 Lakhs.
- (ii) During the year, aggregate amount of loan provided to other parties is Rs. Nil and balance outstanding at the balance sheet date is Rs. 13.28 Lakhs.
- b) In our opinion, the investments made, during the year, prima facie, not prejudicial to the interest of the Company.
- c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest, wherever applicable, have been stipulated and the repayments of principal amounts and receipts of interest have generally been regular as per stipulation.
- d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- f) Loan of Rs. 126.45 Lakhs granted to subsidiary is repayable on demand. Percentage of loan granted to subsidiary to the total loans granted is 90.50%. Other loans granted by the Company are not repayable on demand or without specifying terms or period of repayment.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) The Company has not accepted any deposits. Hence, the provisions of clause 3(v) of the Order are not applicable to the company.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company.
- (vii) (a) In our opinion, the Company is generally regular in depositing the undisputed statutory dues, including goods and service tax, provident fund, employee's state insurance, income tax, and other material statutory dues, as applicable, with appropriate authorities.
- (b) In our opinion, no undisputed amounts payable as applicable were in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues which have not been deposited on account of any dispute.
- (viii) The Company does not have any transactions related to previously unrecorded income in the books of the account that have been surrendered or disclosed as income during the year in the tax assessments under Income Tax Act, 1961.
- (ix) (a) The Company has not taken any loans or other borrowings from any lender. Therefore, clause 3(ix)(a) of the order is not applicable.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and therefore, the provisions of clause 3(ix)(c) of the Order are not applicable to the company.
- (d) On an overall examination of the Standalone Financial Statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of Standalone Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.
- (f) The Company has not raised any loans during the year and therefore reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause 3(x)(a) of the Order are not applicable to the company.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence, the provisions of clause 3(x)(b) of the Order are not applicable to the company.
- (xi) (a) According to the information and explanations given to us, no fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section 12 of section 143 of the Act has been filed in Form ADT - 4 as

STANROSE MAFATLAL INVESTMENTS AND FINANCE LIMITED

- prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government of India, during the year and up to the date of this report.
- (c) As represented to us by the Management, there are no whistle blower complaints received by the company during the year.
- (xii) The Company is not a Nidhi company. Accordingly, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and details of such transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has adequate internal audit system commensurate with size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year till date, in determining the nature, timing and extent of our audit procedures.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3(xv) of the Order are not applicable to the company.
- (xvi) (a) The Company is registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company has not conducted any non-banking financial activities without valid Certificate of Registration from Reserve Bank of India. The Company has not carried out any housing finance activities.
- (c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Therefore, the provisions of clause 3(xvi)(c) of the Order are not applicable to the company.
- (d) The Group does not have any CIC as part of the group. Therefore, the provisions of clause 3(xvi)(d) of the Order are not applicable to the company.
- (xvii) The company has incurred cash losses of Rs. 243.94 lakhs during the financial year covered by our audit. The company has incurred cash losses of 176.82 lakhs in the immediately preceding financial year.
- (xviii) There has been no resignation of statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company does not require to spend any money in respect of Corporate Social Responsibility till the end of the current financial year. Therefore, paragraph 3(xx) of the Order is not applicable.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS for the year ended March 31, 2026

1. Company overview

Stanrose Mafatlal Investment and Finance Limited (the 'Company') is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act with its registered office located at 6th Floor, Popular House, Ashram Road, Ahmedabad - 380 009. The Company is also Non - Systemically Important Non-deposit Taking Non-Banking Finance Company (NBFC) registered with Reserve Bank of India (RBI). As per RBI/DoR/2023-24/106 DoR.FIN.REC.No.45/03.10.119/2023-24 dated November 10, 2023, the Company is categorised in Base - Layer NBFC.

The financial statements are approved for issue by the Company's Board of Directors on May 18, 2026.

2. BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and the provisions of the RBI as applicable to Systemically Important Non-deposit Taking NBFC.

2.2 BASIS OF MEASUREMENT

The Financial Statements have been prepared on the historical cost basis except for the following items which are measured at fair values:

- Certain financial assets and liabilities
- Defined benefit plans assets

2.3 FUNCTIONAL AND PRESENTATION CURRENCY

Indian rupee is the functional and presentation currency.

2.4 USE OF ESTIMATES :

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects

are disclosed in the notes to the financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

- Useful lives of property, plant and equipment
- Valuation of financial instruments
- Provisions and contingencies
- Income tax and deferred tax
- Consideration of significant related party transactions
- Measurement of defined employee benefit obligations

3. MATERIAL ACCOUNTING POLICIES

3.1 REVENUE RECOGNITION :

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Interest income

Interest income is recognised using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

Dividend

Dividend income is recognised when the right to receive the dividend is established.

Gain or loss on derecognition of financial assets

Gain or Loss on derecognition of financial asset is determined as the difference between the sale price (net of selling costs) and carrying value of financial asset.

All other incomes are recognised and accounted for on accrual basis.

3.2 PROPERTY, PLANT AND EQUIPMENTS :

Property, plant and equipments are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended

use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

For transition to Ind AS, the carrying value of property plant and equipment under previous GAAP as on April 01, 2018 is regarded as its cost. The carrying value was original cost less accumulated depreciation and cumulative impairment.

Gains or losses arising from derecognition of property, plant and equipments are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation on property, plant and equipment is calculated on written down value method basis using the ratio arrived as per the useful life prescribed under Schedule II to the Companies Act, 2013.

In respect of property, plant and equipment purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is ready to use.

The residual value, useful live and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.3 FINANCIAL INSTRUMENTS

3.3.1 Initial recognition

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

All financial assets and liabilities are recognized at fair value on initial recognition.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to or deducted from the fair value of financial assets or financial liabilities on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Regular way purchase and sale of financial assets are accounted for at trade date.

3.3.2 Subsequent measurement

(a) Non-derivative financial instruments

(i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. For such equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently measured at fair valued through profit or loss. Fair value changes are recognised as other income in the Statement of Profit or Loss.

(iv) Financial liabilities

Financial liabilities are subsequently

carried at amortized cost using the effective interest method.

(b) Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognised as a deduction from equity instrument net of any tax effects.

3.3.3 Derecognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when obligation specified in the contract is discharged or cancelled or expires.

3.3.4 Off-setting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when the company currently has a legally enforceable right to offset the recognised amount and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

3.4 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial

statements are categorized within the fair value hierarchy. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 – inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 – inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived prices)

Level 3 – inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

3.5 Income tax

Income tax expense comprises current tax and deferred tax.

3.5.1 Current Tax

Current tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity, respectively.

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Current tax assets and current tax liabilities are offset, where company has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

3.5.2 Deferred Tax

Deferred tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred tax liabilities are recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from initial recognition of goodwill;

or initial recognition of an asset or liability in a transaction which is not a business combination and at the time of transaction, affects neither accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax losses and carry forward of unused tax credits to the extent that it is probable that taxable profit will be available against which those temporary differences, losses and tax credit can be utilized, except when deferred tax asset on deductible temporary differences arise from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit or loss.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rules and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset, where company has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

3.6 Impairment

3.6.1 Financial assets

The Company recognizes impairment on financial assets, which are not carried at fair value, using expected credit loss (ECL) model as prescribed in Ind AS.

The expected credit losses (ECLs) is recognized based on forward-looking information for all financial assets at amortized cost, no impairment loss is applicable on equity investments.

At the reporting date, an allowance is required for the 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognized for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since

initial recognition (Stage 2) or which are credit impaired (Stage 3).

The measurement of ECL is calculated using three main components: (i) probability of default (PD) (ii) loss given default (LGD) and (iii) the exposure at default (EAD). The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD. The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively. The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities. The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

The Company applies a three-stage approach to measure ECL on financial assets accounted for at amortized cost. Assets migrate through the following three stages based on the change in credit quality since initial recognition.

Stage 1 : 12-months ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognized. Exposures with days past due (DPD) less than or equal to 29 days are classified as stage 1. The Company has identified zero bucket and bucket with DPD less than or equal to 29 days as two separate buckets.

Stage 2 : Lifetime ECL – not credit impaired

For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognized. Exposures with DPD equal to 30 days but less than or equal to 89 days are classified as stage 2. At each reporting date, the Company assesses whether there has been a significant increase in credit risk for financial asset since initial recognition by comparing the risk of default occurring over the

expected life between the reporting date and the date of initial recognition. The Company has identified cases with DPD equal to or more than 30 days and less than or equal to 59 days and cases with DPD equal to or more than 60 days and less than or equal to 89 days as two separate buckets.

Stage 3 : Lifetime ECL – credit impaired

Financial asset is assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For financial asset that have become credit impaired, a lifetime ECL is recognized on principal outstanding as at period end. Exposures with DPD equal to or more than 90 days are classified as stage 3.

A loan that has been renegotiated due to a deterioration in the borrower's condition is usually considered to be credit-impaired unless there is evidence that the risk of not receiving contractual cash flows has reduced significantly and there are no other indicators of impairment.

ECL is recognized on EAD as at period end. If the terms of a financial asset are renegotiated or modified due to financial difficulties of the borrower, then such asset is moved to stage 3, lifetime ECL under stage 3 on the outstanding amount is applied.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2.

Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are 90 calendar days or more past due move to Stage 3 automatically.

Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk and when any cure criteria used for credit risk management are met.

The definition of default for the purpose of determining ECLs has been aligned to the Reserve Bank of India definition

of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due.

The measurement of all expected credit losses for financial assets held at the reporting date are based on historical experience, current conditions and reasonable and supportable forecasts. The measurement of ECL involves increased complexity and judgement, including estimation of PDs, LGD, a range of unbiased future economic scenarios, estimation of expected lives and estimation of EAD and assessing significant increases in credit risk.

Presentation of ECL allowance for financial asset:

Financial assets measured at amortized cost are shown separately under the head provisions and not as a deduction from the gross carrying amount of the assets.

Write off

Impaired loans and receivables are written off, against the related allowance for loan impairment on completion of the Company's internal processes and when the Company concludes that there is no longer any realistic prospect of recovery of part or all of the loan. For loans that are individually assessed for impairment, the timing of write off is determined on a case by case basis. A write-off constitutes a de-recognition event. The Company has a right to apply enforcement activities to recover such written off financial assets. Subsequent recoveries of amounts previously written off are credited to the income statement.

3.6.2 Non-financial assets

Tangible Assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists the company estimates the asset's recoverable amount.

An asset's recoverable amount is the higher of an assets net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset

exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The impairment loss is recognised in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

3.7 Employee Benefits

Short term employee benefits for salary that are expected to be settled wholly within 12 months after the end of the reporting period in which employees render the related service are recognized as an expense in the statement of profit and loss.

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

The company operates two defined benefit plan for its employees, viz., gratuity plan and leave encashment plan. The costs of providing benefits under the plans are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method made at the end of each reporting date. Re-measurement of the net defined benefit liability (asset) comprise of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability (asset) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability / (asset)). Re-measurement are recognised in other comprehensive income and will not be reclassified to profit or loss in a subsequent period.

3.8 Provisions

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is

material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

3.9 Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

3.10 Contingent Asset

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. The company does not recognize a contingent asset but discloses its existence in the financial statements.

3.11 Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.12 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

3.13 Lease

Company as lessee

The Company's lease asset classes primarily consist of leases for Office building. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

3.14 Segment Reporting

An operating segment is component of the company that engages in the business activity from which the company earns revenues and incurs expenses, for which discrete financial information is available and whose operating results are regularly reviewed by the chief operating decision maker, in deciding about resources to be allocated to the segment and

STANROSE MAFATLAL INVESTMENTS AND FINANCE LIMITED

assess its performance. The company's chief operating decision maker is the Managing Director.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as un-allocable.

Revenue and expenses directly attributable to segments are reported under each reportable segment. All other expenses which are not attributable or allocable to segments have been disclosed as un-allocable expenses.

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

3.15 Cash Flow Statement

Cash flows are reported using indirect method whereby profit for the period is adjusted for the effects of the transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts and payments and items of income or expenses associated with investing and financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.16 Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

4. RECENT ACCOUNTING PRONOUNCEMENTS

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to existing standards under the Companies (Indian Accounting Standards) Rules from time to time. During the year ended March 31, 2026, no new standards or amendments were notified that are applicable to the Company. Accordingly, there is no impact on the Company's financial statements.

29.2 Valuation in level 1

Fair Value of Investments in Equity instruments are based on quoted prices.

As investment in other equity shares of private limited of Rs. 1.5 lakhs is not material, the carrying value of such shares is considered to be its fair value.

29.3 The Fair value of other financial assets and other financial Liabilities measured at amortised cost are considered to be the same as their carrying amount because they are of short term nature.

29.4 There are no transfer between level 1 and level 2 during the year.

30. Financial Risk Management

30.1 Financial Instruments Risk management objectives and Policies

The company's activities expose it to variety of financial risks : market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

30.2 Market Risk

The market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises other price risk. The company does not have any foreign currency transactions, hence it is not exposed to currency risk. The company does not expose to interest rate risk as it does not have any borrowings and in respect of loans given (other than loan given to employees) are repayable on demand and are not interest bearing. Further, loans given to employees are insignificant and at fixed rate of interest.

Other price risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded

price. The Company is exposed to price risk arising mainly from investments in equity instruments.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Stanrose Mafatlal Investments and Finance Limited ("the Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2026, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year ended on that date, and notes to the consolidated financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (hereinafter referred to as "Ind AS") and other accounting principles generally accepted in India, of their consolidated state of affairs of the

Company as at March 31, 2026 of the consolidated loss and total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (hereinafter referred to as "SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (hereinafter referred to as "ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements, consolidated financial statements and our auditor's reports thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information consider whether the other information is materially inconsistent with the Consolidated Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Final Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions as per applicable laws and regulations.

Responsibilities of the Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal

financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the group are responsible for overseeing the financial reporting of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ❖ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ❖ Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ❖ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group's to cease to continue as a going concern.
- ❖ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ❖ Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the consolidated financial statements of which we are the independent auditors. For the other entity included in the consolidated financial statements, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other

matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of subsidiary; whose financial statements reflect total assets of Rs. 379.06 Lakhs as at March 31, 2026, total revenues of Rs. 0.62Lakhs, total net loss of Rs. 0.30 lakhs and net cash outflows amounting to Rs.0.79Lakhs for the year ended on that date, as considered in the consolidated financial statements. The Consolidated Financial Statements also include the Group's share of net (loss) (including other comprehensive income) of (Rs. 0.30 Lakhs), in respect of subsidiary, whose financial statements have not been audited by us. These financial statements have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law as required by law relating to

- preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of Holding Company as on March 31, 2026 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure - A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group does not have any pending litigations which would impact its financial position.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.
 - iv. (a) The Managements of the Holding Company have represented to us that, to the best of their knowledge and belief and based on consideration of report of other auditor on separate financial statements of subsidiary incorporated in India, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company and its subsidiary to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company and its subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(b) The Managements of the Holding Company have represented to us that, to the best of their knowledge and belief and based on consideration of report of other auditor on separate financial statements of subsidiary incorporated in India, no funds (which are material either individually or in the aggregate) have been received by the Holding Company and its subsidiary from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company and its

subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Holding Company nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Holding Company and the subsidiary company have not declared or paid any dividend during the year. Therefore, whether the Company is in compliance of section 123 of the Act does not arise.
- vi. Based on our examination which included test checks and that performed by the respective auditor of the subsidiary which is company incorporated in India whose

financial statements have been audited under the Act, the Holding Company and subsidiary have used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective auditor of the above referred subsidiary did not come across any instance of audit trail feature being tampered with. The audit trail has been preserved by the Holding company and above referred subsidiary as per the statutory requirements for record retention.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO report issued by other auditor of subsidiary included in the Consolidated Financial Statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in this CARO report.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the consolidated financial statements of **Stanrose Mafatlal Investments and Finance Limited** ("the Holding Company") as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to Consolidated Financial Statements of the Holding Company and its subsidiary (the Holding Company and its subsidiary together referred to as the "the Group") which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the companies included in the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Consolidated Financial Statements of the Company criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards

and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1. Securities premium : Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013.

2. Statutory Reserve : As required by section 45-IC of the RBI Act 1934, the company maintains a reserve fund and transfers there in a sum not less than twenty per cent of its net profit every year as disclosed in the profit and loss account and before any dividend is declared. The company cannot appropriate any sum from the reserve fund except for the purpose specified by Reserve Bank of India from time to time. Till date RBI has not specified any purpose for appropriation of Reserve fund maintained under section 45-IC of RBI Act, 1934.

3. General reserve : The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS for the year ended March 31, 2026

1. Company overview

The consolidated financial statements (herein after referred to as "financial statements") have been prepared by consolidating financial statements of the subsidiary company, Stanplaza Limited with parent company, Stanrose Mafatlal Investments and Finance Limited (together referred to as 'the Group').

Stanrose Mafatlal Investment and Finance Limited (the 'Parent Company') is a public limited Group domiciled in India and is incorporated under the provisions of the Companies Act with its registered office located at 6th Floor, Popular House, Ashram Road, Ahmedabad - 380 009. The Group is also Systemetically Important Non-deposit Taking Non-Banking Finance Group (NBFC) registered with Reserve Bank of India (RBI).

The financial statements are approved for issue by the Group's Board of Directors on May 18, 2026.

2. Basis of preparation of Consolidated Financial Statements

2.1 STATEMENT OF COMPLIANCE

The Consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and the provisions of the RBI as applicable to Systemetically Important Non-deposit Taking NBFC.

2.2 PRINCIPLE OF CONSOLIDATION

2.2.1 The consolidated financial statements incorporate the financial statements of the Parent company and all its subsidiaries (from the date control is gained), being the entities that it controls. Control is evidenced where the investor is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Power is demonstrated through existing rights that give the ability to direct relevant activities, which significantly affect the entity returns. The financial statements of subsidiaries are prepared for the same reporting year as the Parent Group. Where necessary, adjustments are made to the financial statements of subsidiaries to align the accounting policies in line with accounting policies of the Parent Group. The Parent Group holds the entire shareholding in its subsidiaries and there are no contractual arrangements which rebut the control of the Parent Group over its subsidiaries.

2.2.2 The financial statements of following subsidiary has been consolidated as per Ind AS 110 on 'Consolidated Financial Statements'.

Name of the Subsidiary	Proportion of effective ownership interest
Stanplaza Limited	100%

2.2.3 Stanrose Mafatlal Lubechem Limited (SMLL) - In Liquidation, a substantially owned subsidiary of Stanrose Mafatlal

Investment and Finance Limited has been ordered to be wound-up by the High Court of Mumbai vide its order dated 10th June, 2011 and has appointed official liquidator to take charge of its assets, bank accounts, books of account, affairs, business and properties with all the powers under the provisions of the then prevailing Companies Act, 1956. Accordingly, financial statements of SMLL have not been consolidated as per Ind AS 110 on 'Consolidated Financial Statements'.

2.3 BASIS OF MEASUREMENT

The Financial Statements have been prepared on the historical cost basis except for the following items which are measured at fair values:

- a. Certain financial assets and liabilities
- b. Defined benefit plans assets

2.4 FUNCTIONAL AND PRESENTATION CURRENCY

Indian rupee is the functional and presentation currency.

2.5 USE OF ESTIMATES :

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

- Useful lives of property, plant and equipment
- Valuation of financial instruments
- Provisions and contingencies

- Income tax and deferred tax
- Consideration of significant related party transactions
- Measurement of defined employee benefit obligations

3. Significant Accounting Policies

3.1 Revenue Recognition :

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Interest income

Interest income is recognised using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

Dividend

Dividend income is recognised when the right to receive the dividend is established.

Gain or loss on derecognition of financial assets

Gain or Loss on derecognition of financial asset is determined as the difference between the sale price (net of selling costs) and carrying value of financial asset.

All other incomes are recognised and accounted for on accrual basis.

3.2 PROPERTY, PLANT AND EQUIPMENTS :

Property, plant and equipments are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably.

STANROSE MAFATLAL INVESTMENTS AND FINANCE LIMITED

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

For transition to Ind AS, the carrying value of property plant and equipment under previous GAAP as on April 01, 2018 is regarded as its cost. The carrying value was original cost less accumulated depreciation and cumulative impairment.

Gains or losses arising from derecognition of property, plant and equipments are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation on property, plant and equipment is calculated on written down value method basis using the ratio arrived as per the useful life prescribed under Schedule II to the Companies Act, 2013.

In respect of property, plant and equipment purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is ready to use.

The residual value, useful live and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.3 FINANCIAL INSTRUMENTS

3.3.1 Initial recognition

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

All financial assets and liabilities are recognized at fair value on initial recognition.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to or deducted from the fair value of financial assets or financial liabilities on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Regular way purchase and sale of financial assets are accounted for at trade date.

3.3.2 Subsequent measurement

a Non-derivative financial instruments

i Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Group has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. For such equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently measured at fair valued through profit or loss. Fair value changes are recognised as other income in the Statement of Profit or Loss.

iv Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

b Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Group after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognised as a deduction from equity instrument net of any tax effects.

3.3.3 Derecognition

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when obligation specified in the contract is discharged or cancelled or expires.

3.3.4 Off-setting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when the Group currently has a legally enforceable right to offset the recognised amount and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

3.4 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 – inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 – inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived prices)

Level 3 – inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

3.5 Income tax

Income tax expense comprises current tax and deferred tax.

3.5.1 Current Tax

Current tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity, respectively.

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Current tax assets and current tax liabilities are offset, where Group has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

3.5.2 Deferred Tax

Deferred tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred tax liabilities are recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from initial recognition of goodwill; or initial recognition of an asset or liability in a transaction which is not a business combination and at the time of transaction, affects neither accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax losses and carry forward of unused tax credits to the extent that it is probable that taxable profit will be available against which those temporary differences, losses and tax credit can be utilized, except when deferred tax asset on deductible temporary differences arise from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit or loss.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rules and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset, where Group has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

3.6 Impairment

3.6.1 Financial assets

The Group recognizes impairment on financial assets, which are not carried at fair value, using expected credit loss (ECL) model as prescribed in Ind AS.

The expected credit losses (ECLs) is recognized based on forward-looking information for all financial assets at amortized cost, no impairment loss is applicable on equity investments.

At the reporting date, an allowance is required for the 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognized for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since initial recognition (Stage 2) or which are credit impaired (Stage 3).

The measurement of ECL is calculated using three main components: (i) probability of default (PD) (ii) loss given default (LGD) and (iii) the exposure at default (EAD). The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD. The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively. The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities. The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

The Group applies a three-stage approach to measure ECL on financial assets accounted for at amortized cost. Assets migrate through the following three stages based on the change in credit quality since initial recognition.

Stage 1: 12-months ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognized. Exposures with days past due (DPD) less than or equal to 29 days are classified as stage 1. The Group has identified zero bucket and bucket with DPD less than or equal to 29 days as two separate buckets.

Stage 2: Lifetime ECL – not credit impaired

For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognized. Exposures with DPD equal to 30 days but less than or equal to 89 days are classified as stage 2. At each reporting date, the Group assesses whether there has been a significant increase in credit risk for financial asset since initial recognition by comparing the risk of default occurring over the expected life between the reporting date and the date of initial recognition. The Group has identified cases with DPD equal to or more than 30 days and less than or equal to 59 days and cases with DPD equal to or more than 60 days and less than or equal to 89 days as two separate buckets.

Stage 3: Lifetime ECL – credit impaired

Financial asset is assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For financial asset that have become credit impaired, a lifetime ECL is recognized on principal outstanding as at period end. Exposures with DPD equal to or more than 90 days are classified as stage 3.

A loan that has been renegotiated due to a deterioration in the borrower's condition is usually considered to be credit-impaired unless there is evidence that the risk of not receiving contractual cash flows has reduced significantly and there are no other indicators of impairment.

ECL is recognized on EAD as at period end. If the terms of a financial asset are renegotiated or modified due to financial difficulties of the borrower, then such asset is moved to stage 3, lifetime ECL under stage 3 on the outstanding amount is applied.

The Group assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2

Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are

90 calendar days or more past due move to Stage 3 automatically.

Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk and when any cure criteria used for credit risk management are met.

The definition of default for the purpose of determining ECLs has been aligned to the Reserve Bank of India definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due.

The measurement of all expected credit losses for financial assets held at the reporting date are based on historical experience, current conditions and reasonable and supportable forecasts. The measurement of ECL involves increased complexity and judgement, including estimation of PDs, LGD, a range of unbiased future economic scenarios, estimation of expected lives and estimation of EAD and assessing significant increases in credit risk.

Presentation of ECL allowance for financial asset:

Financial assets measured at amortized cost are shown separately under the head provisions and not as a deduction from the gross carrying amount of the assets.

Write off

Impaired loans and receivables are written off, against the related allowance for loan impairment on completion of the Group's internal processes and when the Group concludes that there is no longer any realistic prospect of recovery of part or all of the loan. For loans that are individually assessed for impairment, the timing of write off is determined on a case by case basis. A write-off constitutes a de-recognition event. The Group has a right to apply enforcement activities to recover such written off financial assets. Subsequent recoveries of amounts previously written off are credited to the income statement.

3.6.2 Non-financial assets**Tangible Assets**

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists the Group estimates the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The impairment loss is recognised in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

3.7 Borrowing costs

Borrowing cost includes interest and other costs that Group has incurred in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset.

All other borrowing costs are expensed in the year they occur.

Investment income earned on temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

3.8 Employee Benefits

Short term employee benefits for salary that are expected to be settled wholly within 12

months after the end of the reporting period in which employees render the related service are recognized as an expense in the statement of profit and loss.

Retirement benefit in the form of provident fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

The Group operates two defined benefit plan for its employees, viz., gratuity plan and leave encashment plan. The costs of providing benefits under the plans are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method made at the end of each reporting date. Re-measurement of the net defined benefit liability (asset) comprise of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability (asset) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability / (asset)). Re-measurement are recognised in other comprehensive income and will not be reclassified to profit or loss in a subsequent period.

3.9 Provisions

A provision is recognized when the Group has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

3.10 Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence

will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

3.11 Contingent Asset

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. The Group does not recognize a contingent asset but discloses its existence in the financial statements.

3.12 Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.13 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

3.14 Lease

Group as lessee

The Group's lease asset classes primarily consist of leases for Office building. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract

conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

3.15 Business Combination

Business combinations are accounted for using the acquisition method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The consideration transferred is measured at fair

value at acquisition date and includes the fair value of any contingent consideration. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognized in accordance with the requirements of Ind AS 12, Income Taxes and Ind AS 19, Employee Benefits, respectively. Where the consideration transferred exceeds the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired and liabilities assumed, the Company after assessing fair value of all identified assets and liabilities, record the difference as a gain in other comprehensive income and accumulate the gain in equity as capital reserve. The costs of acquisition excluding those relating to issue of equity or debt securities are charged to the Statement of Profit and Loss in the period in which they are incurred.

In case of business combinations involving entities under common control, the above policy does not apply. Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies. Any excess or shortfall of the consideration paid over the share capital of transferor entity or business is recognised as capital reserve under equity.

3.16 Goodwill

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognized. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed, measured in accordance with Ind AS 103, 'Business Combinations'.

Goodwill is considered to have indefinite useful life and hence is not subject to amortization but tested for impairment at least annually. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill acquired in a business combination, is from the acquisition date, allocated to each of the Company's cash generating units (CGUs) that are expected to benefit from the combination. A CGU is the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or group of assets. Each CGU or a combination of CGUs to which goodwill is so allocated represents the lowest level at which goodwill is monitored for internal management purpose and it is not larger than an operating segment of the Company.

A CGU to which goodwill is allocated is tested for impairment annually, and whenever there is an indication that the CGU may be impaired, by comparing the carrying amount of the CGU, including the goodwill, with the recoverable amount of the CGU. If the recoverable amount of the CGU exceeds the carrying amount of the CGU, the CGU and the goodwill allocated to that CGU is regarded as not impaired. If the carrying amount of the CGU exceeds the recoverable amount of the CGU, the Company recognizes an impairment loss by first reducing the carrying amount of any goodwill allocated to the CGU and then to other assets of the CGU pro-rata based on the carrying amount of each asset in the CGU. Any impairment loss on goodwill is recognized in the Statement of Profit and Loss.

An impairment loss recognized for goodwill is not reversed in subsequent periods.

On disposal of a CGU to which goodwill is allocated, the goodwill associated with the disposed CGU is included in the carrying amount of the CGU when determining the gain or loss on disposal.

3.17 Segment Reporting

An operating segment is component of the Group that engages in the business activity from which the Group earns revenues and incurs expenses, for which discrete financial information is available and whose operating results are regularly reviewed by the chief operating decision maker, in deciding about resources to be allocated to the segment and assess its performance. The Group's chief operating decision maker is the Managing Director.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under

STANROSE MAFATLAL

each reportable segment. All other assets and liabilities are disclosed as un-allocable.

Revenue and expenses directly attributable to segments are reported under each reportable segment. All other expenses which are not attributable or allocable to segments have been disclosed as un-allocable expenses.

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Group as a whole.

3.18 Cash Flow Statement

Cash flows are reported using indirect method whereby profit for the period is adjusted for the effects of the transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts and payments and items of income or expenses associated with investing and financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

3.19 Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

4. RECENT ACCOUNTING PRONOUNCEMENTS

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to existing standards under the Companies (Indian Accounting Standards) Rules from time to time. During the year ended March 31, 2026, no new standards or amendments were notified that are applicable to the Company. Accordingly, there is no impact on the Company's financial statements.

11.3.1 The Company was in possession of tenancy right in respect of unit situated at Devi Sahay Chawl, Mumbai. The unit, for which the tenancy right was with the Company, gone into redevelopment. In respect of such tenancy right, the Company executed an agreement with Contemporary Builders Private Limited (the Builder) to vacate the said unit and hand over the possession to the builder and in lieu of such tenancy right, the builder would provide a flat free of cost on ownership basis.

STANROSE MAFATLAL

The Company got the possession of such flat on October 18, 2021 for the purpose of making furniture and interior designing work. As the Company has received the possession of such flat in lieu of tenancy right, the Company has derecognized tenancy right of Rs. 70.66 Lakhs from books of account and recognized such flat, as investment property, at price of Rs. 108.56 Lakhs (calculated based on Jantri Price) and recognized profit of Rs. 37.90 Lakhs being difference between fair value of flat acquired and cost of tenancy right surrendered.

As the builder has not received occupation certificate till March 31, 2026, sale deed of such flat in the name of the Company has not been executed.

29.2 Valuation in level 1

Fair Value of Investments in Equity instruments are based on quoted prices.

As investment in other equity shares of private limited of Rs. 1.5 lakhs is not material, the carrying value of such shares is considered to be its fair value.

29.3 The Fair value of other financial assets and other financial Liabilities measured at amortised cost are considered to be the same as their carrying amount because they are of short term nature.

29.4 There are no transfer between level 1 and level 2 during the year.

30 Financial Risk Management

30.1 Financial Instruments Risk management objectives and Policies

The company's activities expose it to variety of financial risks : market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

30.2 Market Risk

The market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises other price risk. The company does not have any foreign currency transactions, hence it is not exposed to currency risk. The company does not expose to interest rate risk as it does not have any borrowings and in respect of loans given

(other than loan given to employees) are repayable on demand and are not interest bearing. Further, loans given to employees are insignificant and at fixed rate of interest.

Other price risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. The Company is exposed to price risk arising mainly from investments in equity instruments.

a The company's exposure to price risk is as follows:

	(Rs. in Lacs)

INSTRUCTIONS FOR SHAREHOLDERS REGARDING E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER: (EVS N 260603003)

- (i) The voting period begins on Saturday, July 11, 2026 (9:00 a.m.) and ends on Monday, July 13, 2026 (5:00 p.m.). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of July 7, 2026 may cast their votes electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date will not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.

However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/Depository Participants. Demat account holders would be able to cast their votes without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

ANNEXURE TO THE NOTICE

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013. [It may also be regarded as a disclosure under SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015]:

In conformity with the provisions of Section 102 of the Companies Act, 2013, the following Explanatory Statement sets out all material facts relating to item Nos. 3 to 6 contained in the accompanying Notice dated May 18, 2026.

Item No. 3

An Ordinary Resolution was passed at the Forty-first Annual General Meeting of the Company held on August 5, 2021, for approving the payment of commission to Directors at a rate not exceeding 3% or 1%, as the case may be, of the net profit of the Company for a period of five years commencing from 1st April, 2021.

Since November, 2008 the Company has become a Board managed Company. At present, except Shri Madhusudan J. Mehta, all the Directors are Non-Executive Directors. Looking to the present day complex business environment and the increased responsibilities either statutory or otherwise being shouldered by the Directors, it is considered reasonable, fair and justifiable to pay commission to the Directors.

Regulation 17(6) of the SEBI Listing Regulations authorizes the Board of Directors to recommend all fees and compensation, if any, paid to Non-Executive Directors, including Independent Directors and the same would require approval of the members in general meeting. Accordingly, it is proposed that in terms of Section 197 of the Companies Act, 2013 (the Act) and Regulation 17(6) of the SEBI (LODR) Regulations, 2015, the Non-Executive Directors be continued to be paid, for each financial year of the Company upto a period of five years commencing from 1st April, 2026, a remuneration by way of commission,

STANROSE MAFATLAL

within the limit prescribed under the Act, viz. at a rate not exceeding 1% of the net profit of the Company if the Company has engaged a Managing or a Whole-time Director or a Manager and 3% of the net profit of the Company, in any other case, computed in accordance with the provision of Section 198 of the Act, exclusive of any fees payable to a Director for each Meeting of the Board or of a Committee of the Board attended by him/her. This remuneration will be distributed amongst all or some of the Directors in accordance with the directions given by the Nomination and Remuneration Committee/Board.

Accordingly, your directors recommend an Ordinary Resolution as set out in Item No. 3 of the accompanying Notice for the approval of the Members.

All the Directors of the Company except Shri Madhusudan J. Mehta are concerned or interested in the aforesaid Resolution to the extent of the remuneration that may be received by them. None of the Key Managerial Personnel or their relatives are concerned or interested in this Resolution.

Item No. 4

Shanudeep Private Limited, one of the promoters of the Company, is a private limited company wherein the director of the Company is director and / or member and hence a related party under Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has been renewing from time to time the Leave & Licence Agreement with Shanudeep Pvt. Ltd., for use of their Office Premises admeasuring 2,000 Sq.ft. or thereabouts, at Vijjalaxmi Mafatlal Centre at 57A Dr. G. Deshmukh Marg, Mumbai-400 026.

The last renewal was for a period of three years from 19th August, 2023 to 18th August, 2026, at a licence fee of Rs. Rs.1,80,000/- p.m. excluding applicable taxes, levies and sharing of common expenses.

The Company has also been renewing from time to time an arrangement for sharing of Facilities and/or Services, with Shanudeep Pvt. Ltd., at the above mentioned premises, for better enjoyment of the premises.

The Company had entered into an arrangement for sharing of Facilities and/or Services, with Shanudeep Private Limited for a period of three years from 19th August, 2023 to 18th August, 2026 at Service Charges of Rs. 2,42,000 p.m. excluding applicable taxes, levies and sharing of common expenses. The aforesaid transactions with Shanudeep Private Limited are in the ordinary course of business and at arms' length basis. The Company now proposes to renew the Leave and Licence Agreement with Shanudeep Private Limited at Vijjalaxmi Mafatlal Centre at 57A, Dr. G. Deshmukh Marg, Mumbai-400 026, for a

period of three years from 19th August, 2026 to 18th August, 2029, at a license fee of Rs.1,80,000/- p.m. exclusive of all applicable taxes, levies and sharing of common expenses.

The Company also proposes to renew the arrangement for sharing of Facilities and/or Services, with Shanudeep Private Limited at Vijjalaxmi Mafatlal Centre at 57A, Dr. G. Deshmukh Marg, Mumbai-400 026, for a period of three years from 19th August, 2026 to 18th August, 2029, for better enjoyment of the premises at service charges of Rs. 2,42,000/- p.m. exclusive of all applicable taxes, levies and sharing of common expenses.

The terms and conditions of renewed arrangements are identical to the previous terms and conditions which were approved by the Audit Committee and the Board in 2023.

The Audit Committee has approved entering into the above Agreements at its meeting held on May 18, 2026, as it is in the ordinary course of business and at arm's length basis. The Audit Committee also noted that the transactions with Shanudeep Private Limited pursuant to the new agreement proposed to be entered into will exceed the materiality threshold of 10% of the annual consolidated turnover of the Company during each of the financial years for the tenure of the Leave and Licence Agreement and Facilities & Services Agreement and hence will require approval of the shareholders by Ordinary Resolution as per Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Board of Directors at its meeting held on May 18, 2026, has approved the said Leave and Licence Agreement and arrangement for sharing of Facilities and/or Services as material related party transactions subject to approval of the shareholders by Ordinary Resolution.

The approval of shareholders is sought for the entire tenure of the said Leave and Licence Agreement and arrangement for sharing of Facilities and/or Services.

The information required pursuant to Rule 15(3) of the Companies (Meeting of Board and its Powers) Rules, 2014 is provided in the Resolution and Explanatory Statement.

The Board of Directors of your Company recommend the Resolution at Item No. 4 for your approval as an Ordinary Resolution.

Shri Pradeep R. Mafatlal may be regarded as interested in the Resolution to the extent of his shareholding / directorship in Shanudeep Private Limited. None of the other Directors or Key Managerial Personnel or their relatives is concerned or interested in this Resolution.

Item No. 5

To comply with Regulation 17(1A) of the Securities and Exchange Board of India (Listing Obligations and

STANROSE MAFATLAL INVESTMENTS AND FINANCE LIMITED

Disclosure Requirements) Regulations, 2015, and in accordance with the compliance of the SEBI circular SEBI/HO/CFD/CMD/CIR/P/2018/79, dated 10th May, 2018, a Special Resolution is being proposed to be passed by the Members for continuation of holding Office of Shri Dhansukh H. Parekh (DIN 00015734) a Non-Executive Non-Independent Director of the Company who will be attaining the age of 75 (Seventy Five) years on 16th July, 2026, upto the expiry of his present term of office on the existing terms and conditions and whose appointment is proposed in the 46th Annual General Meeting of the Company to be held on 14th July, 2026.

Shri Parekh is a qualified Chartered Accountant. He has diversified experience of around 49 years in financial, accounting, taxation and management.

He is an Executive Director on the Board of Standard Industries Limited and a Director of Stan Plaza Limited, Standard Salt Works Ltd, Duville Estates Private Limited, Umiya Real Estate Private Limited and Umiya Balaji Real Estate Private Limited. He is a member of the Corporate Social Responsibility Committee of the Company. He is not holding any Equity Shares in the Company.

He was appointed as an Additional Non-Executive Non-Independent Director on the Board of the Company on 2nd February, 2021.

In the opinion of the Board, Shri Parekh fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder for his appointment as Director of the Company. A copy of the draft letter of his appointment as a Non-Executive Non-Independent Director setting out the terms and conditions would be available for inspection of the members without any fee at the Registered Office of the Company during normal business hours on working days.

Considering his extensive experience in finance, taxation and corporate management and valuable guidance to the Board, the Board is of the opinion that continued association of Shri Dhansukh H. Parekh would be beneficial to the Company.

He is not related to any director or key managerial personnel inter-se. The Company may pay him sitting fees and commission as a Director of the Company. The details regarding the number of Meetings of the Board attended and remuneration paid to him are given in the Corporate Governance Report.

Accordingly, the Board of Directors recommends the Special Resolution set out at Item No. 5 of the accompanying Notice for the approval of the Members.

Except Shri Parekh, being an appointee, none of the Directors and Key Managerial Personnel of the Company

and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item no.5.

Item No. 6

The Company has traditionally been engaged in the business of inter-corporate investments, capital market activities and financing activities as a Non-Banking Financial Company (NBFC).

With a view to exploring new business opportunities, diversifying revenue streams and achieving long-term business growth, the Company has, during the financial year 2025-26, diversified into the textile and apparel segment under the brand name "STANROSE MAFATLAL". The Company has commenced the business of manufacture, distribution, sales and marketing of Ready-to-Stitch (RTS) Fancy Suiting and Shirting, Linen Fabric RTS, and all types of garments within India through suitable arrangements with manufacturers and distributors.

The management believes that the textile and garment sector offers substantial growth potential and synergies with the Company's brand value and business strategy. The diversification is expected to create additional opportunities for revenue generation, business expansion and enhancement of stakeholder value.

The Company has been pursuing Investment activities only without any public funds and also not having any public interface and accordingly proposing alteration in Main Object clause to regularise its NBFC and non-NBFC activities. This may also be considered as rationale for proposing this agenda item.

Although the Company has already commenced the aforesaid business activities on a strategic and exploratory basis, the existing Main Object Clause of the Memorandum of Association ("MOA") does not specifically cover textile, garment and allied business activities in explicit terms. Accordingly, in order to align the Memorandum of Association with the present and proposed business activities of the Company and to avoid any ambiguity in future operations, it is proposed to alter the Main Object Clause of the Memorandum of Association by inserting appropriate enabling clauses relating to textile, garment, apparel and allied business activities.

The alteration of the Memorandum of Association requires approval of the shareholders by way of a Special Resolution pursuant to the provisions of Sections 4, 13 and other applicable provisions, if any, of the Companies Act, 2013 read with applicable rules framed thereunder.

A copy of the existing Memorandum of Association along with the proposed amended Memorandum of Association shall be available for inspection by the Members during business hours at the Registered Office of the Company and shall also be made available electronically for inspection by the Members up to the

STANDROSE MAFATLAL

date of the Annual General Meeting in accordance with applicable statutory provisions.

None of the Directors, Key Managerial Personnel of the Company and/or their relatives are, in any way, concerned or interested, financially or otherwise, in the

proposed resolution except to the extent of their shareholding, if any, in the Company.

The Board of Directors recommends the Special Resolution set out at Item No. 6 of the Notice for approval of the Members.
