Dear Sir/Madam,

Subject: Capital Expenditure proposal approved by the Board

In compliance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that the Board of Directors has at its meeting held on July 22, 2026, approved proposal for setting up of a BOPET Thick Film Line at a projected cost of Rs. 250 Crores.

Information as required under the provisions of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is as under:

a) existing capacity;	Not Applicable
b) existing capacity utilization	Not Applicable
c) proposed capacity addition;	25,000 MTPA
d) period within which the proposed capacity is to be added	24 months from the date of Board approval.
e) investment required	Rs. 250 Crores
f) mode of financing	Mix of debt and internal accruals
g) rationale	BOPET thick film is a specialized product with applications in industrial and electronic end use segments. Since it is a new substrate, it does not have the same cycle as commodity thin films, helping us better manage the cyclical. Limited domestic capacity in India further reduces volatility.

Thanking you,

Yours faithfully,

for **SRF LIMITED**
