Dear Sirs/Madam,

Sub: Change in Senior Management

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR) read with master circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, we wish to inform you that Mr. V Sukumar Hebbar, Senior Vice President & IC Head - Transportation Infrastructure IC has been categorized under senior management.

The information pursuant to Regulation 30 of SEBI LODR read with master circular HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, is enclosed herewith as Annexure A.

Kindly take the same on record.

Thanking You

Yours faithfully,

For Larsen & Toubro Limited

**Subramanian Narayan
Company Secretary & Compliance Officer
(ACS 16354)**

Annexure A

Sr. No.	Details of Events that needs to be provided	Mr. V Sukumar Hebbar, Senior Vice President & IC Head - Transportation Infrastructure IC
1	Reason for change viz. resignation	Promoted as Senior Vice President
2	Date of appointment & term of appointment	Mr. Sukumar Hebbar is an existing employee of the Company. Mr. Hebbar joined the Company as Graduate Engineer Trainee (GET) on August 1, 1990.
3	Brief Profile	<p>Mr. Sukumar Hebbar currently heads the Transportation Infrastructure (TI) IC at L&T Construction, overseeing the Roads, Bridges & Formation and Railways Business Groups. With 36 years of experience, he previously led the HPA SGB (Health, Public Spaces, Airports, Data Centres & International Business) and played a pivotal role in building the Health Business unit from the ground up into one of the most profitable verticals. An Architecture graduate from Mysore University (1989) and an INSEAD alumnus, he began his career at L&T in 1990 at EDRC, where he contributed to several landmark residential, commercial, and hospital projects. He later established a dedicated hospital design team and secured major healthcare projects under the design-build model.</p> <p>He has been instrumental in driving strategic growth across business segments, including expanding into international data centre projects and securing the Tashkent Datacenter project. Under his leadership, several marquee projects were won and executed, such as Patna Medical College & Hospital, SCB Cuttack Hospital, and Tata ACCF Cancer Hospitals. He championed innovation through technologies like 3D concrete printing, PPVC, and modular construction, while strengthening the data centre business globally. His tenure also saw the successful delivery of landmark projects such as the Ram Mandir, Navi Mumbai International Airport, and Kartavya Bhawan, along with securing large data centre orders worth over ₹4,500 Cr from leading hyperscalers</p>

4	Disclosure of relationships between directors (in case of appointment of a director)	Not Applicable
