Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- 1. This section shall include discussion on the following matters within the limits set by the listed entity's competitive position:**

A. INDUSTRY STRUCTURE AND DEVELOPMENTS

Sanghvi Brands Limited (CIN: L74999PN2010PLC135586) was incorporated on February 16, 2010 under the provisions of the Companies Act, 1956 and is presently listed on the BSE SME Platform. The Registered Office of the Company is situated at Sanghvi House, 105/2, Shivajinagar, Pune – 411005, Maharashtra, India.

The Company has established its presence in the **spa, salon and wellness industry**, where it focuses on developing premium lifestyle and wellness brands through strategic partnerships, brand management, franchising and operational excellence.

The beauty, wellness and personal care industry continues to be one of the fastest-growing segments of the consumer services sector in India. Increasing disposable incomes, rapid urbanisation, changing lifestyles, greater awareness of personal grooming and wellness, and the growing preference for premium beauty and wellness services have significantly contributed to the expansion of the organised spa and salon industry. The increasing influence of digital platforms, social media and evolving consumer expectations has further accelerated the demand for quality wellness experiences and internationally recognised brands.

Globally, the wellness economy continues to witness robust growth, with the spa industry emerging as one of its fastest-growing segments. Hotel and destination spas have experienced significant expansion, driven by increasing travel, wellness tourism and consumer preference for

holistic health and rejuvenation services. Asia continues to strengthen its position as a major global wellness market, supported by rising consumer spending, expanding hospitality infrastructure and increasing investment in premium wellness services. These industry trends present significant opportunities for companies operating in the organised spa and wellness sector. Against this favourable industry backdrop, Sanghvi Brands Limited continues to strengthen its position by leveraging its expertise in operating and managing premium international wellness and lifestyle brands. The Company remains focused on enhancing customer experience, expanding strategic business relationships, improving operational efficiencies and identifying new opportunities for sustainable growth within the wellness and personal care ecosystem.

The management believes that the long-term fundamentals of the Indian spa, salon and wellness industry remain strong. Supported by favourable demographic trends, increasing health and wellness consciousness and the growing demand for organised premium wellness services, the Company is well positioned to capitalise on emerging opportunities while continuing to create sustainable value for its stakeholders.

B. OPPORTUNITIES AND THREATS

The business environment in which the Company operates continues to evolve rapidly, driven by changing consumer preferences, increasing demand for branded lifestyle and wellness products, growth of organised retail and franchise-led models, expansion of digital and omnichannel platforms, and rising consumer spending on premium goods and services. These developments create significant opportunities for growth, expansion and value creation for the Company in its core areas of operations.

Accordingly, the key opportunities available to the Company and the threats associated with its business operations are mentioned as under:

Opportunities	Threats
- Increasing demand for premium spa, salon and wellness services in India and international markets - Expansion of organised hospitality, tourism and luxury lifestyle infrastructure. - Growth in franchise-led and asset-light business models across wellness and lifestyle segments. - Rising consumer preference for internationally recognised wellness and spa brands. - Strong opportunities through strategic partnerships with leading hotel chains and real estate developers.	- Intense competition from established domestic and international spa and wellness operators. - Dependence on strategic franchise, brand licensing and hospitality partnerships. - Sensitivity of the business to economic slowdown, inflation and discretionary consumer spending. - Foreign exchange fluctuations impacting international operations and brand arrangements. - Regulatory changes affecting hospitality, franchising, labour laws and foreign collaborations.

• Expansion potential across emerging markets in the Middle East and Indian Ocean region. • Continued brand recognition and awards strengthening customer trust and market positioning.	• Operational risks associated with maintaining service quality across multiple geographies and partners • Talent acquisition and retention challenges in the skilled wellness and hospitality workforce.
--	--

The Company continuously evaluates these opportunities and risks and remains focused on strengthening its partnerships, enhancing operational efficiencies and implementing appropriate risk mitigation strategies to ensure sustainable long-term growth.

C. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company is engaged in the business of establishing, acquiring, operating, importing, marketing and promoting various Indian and international brands and dealing in branded goods and services. In line with its business model, Sanghvi Brands Limited has developed a strong presence in the luxury wellness and spa industry and operates an integrated portfolio of international spa, salon and wellness brands across multiple geographies.

Sanghvi Brands has created and operates one of the largest portfolios of luxury lifestyle and international wellness brands in India and South Asia, and is positioned amongst the leading spa and wellness operators globally. The Company holds exclusive rights and master franchise arrangements for premium international brands including Spa L'OCCITANE, ELLE Spa & Salon, and Warren Tricomi Salon & Spa, with operations across India, the Middle East and the Indian Ocean region including Sri Lanka and Fujairah (UAE).

The Company's business model is supported by a strong network of more than 50+ spa, salon and gym partnerships worldwide, which are either operational or under development. These partnerships include collaborations with leading hospitality brands such as JW Marriott, Accor, Hilton and IHG, as well as prominent real estate developers including Lodha Developers, Godrej Properties, Ajmera Developers, Kanakia, TVH Developers and K Raheja Corp, thereby strengthening its presence across premium hospitality and residential destinations.

The Company has also received industry recognition for its operational excellence, including awards from L'OCCITANE for operating one of the best spas in the Asia-Pacific region, and has been recognised among India's most influential luxury brands by leading industry publications. Its flagship brand portfolio, including SPA by L'OCCITANE, has also been acknowledged by reputed platforms such as Condé Nast Traveller and ELLE Magazine for excellence in spa and wellness services.

Despite having a diversified portfolio of brands, geographies and operational formats, the Company continues to operate within a single reportable business segment, namely spa, salon and wellness services along with brand management and related activities. Accordingly, segment-wise reporting is not applicable.

D. Outlook

The management remains optimistic regarding the long-term growth prospects of the Company, supported by the continued expansion of the luxury spa, salon and wellness industry. The increasing demand for premium wellness experiences, growth of organised hospitality and lifestyle destinations, rising consumer spending on wellness services, and expanding franchising and brand collaboration opportunities are expected to provide sustainable avenues for growth and value creation.

The Company intends to further strengthen its portfolio of premium international spa and wellness brands, deepen existing strategic partnerships with leading hospitality groups and real estate developers, and explore new alliances across key domestic and international markets. It also remains focused on enhancing operational efficiencies through technology adoption, cost optimisation initiatives and disciplined financial management, with the objective of improving service quality and long-term shareholder value.

The outlook for the Company remains positive however, it is subject to prevailing economic conditions, consumer demand trends within the wellness sector, regulatory developments and geopolitical uncertainties that may have an impact on business operations.

E. Risks and Concerns

The Company operates in the luxury spa, salon and wellness industry, which is influenced by evolving consumer preferences, discretionary spending patterns, and global lifestyle trends. While the industry presents significant growth opportunities, it is also exposed to various internal and external risks that may impact the business operations and financial performance of the Company.

i. External Risks

The Company's performance is influenced by macroeconomic conditions such as economic slowdown, inflationary pressures, geopolitical uncertainties and fluctuations in foreign exchange rates. These factors, particularly given the Company's association with international brands and overseas operations, may impact consumer spending on premium spa and wellness services and, consequently, affect profitability.

The spa and wellness industry is highly competitive, with the presence of both organised and unorganised players in domestic and international markets. Increasing competition, entry of new players and expansion of existing competitors may result in pricing pressures and impact the Company's market share.

The Company's business is also dependent on strategic relationships with international brands, hospitality groups and real estate developers. Any adverse changes, non-renewal or termination of such arrangements, as well as regulatory changes relating to hospitality, franchising, labour laws, taxation and health and safety standards, may impact business operations and compliance requirements.

ii. Internal Risks

The Company's operations are dependent on the availability of skilled manpower in the spa and wellness sector. Any inability to attract, train and retain qualified professionals may affect service quality, customer satisfaction and operational efficiency.

The business is also exposed to risks related to dependency on key brand partnerships and franchise arrangements. Any operational disruptions, contractual limitations or inability to effectively manage such partnerships may impact business continuity.

Operational risks, including service delivery standards, quality control, and efficient management of multiple locations across geographies, remain critical to sustaining brand reputation and customer experience.

F. Internal Control Systems and their Adequacy

The Company has an adequate system of internal controls commensurate with the nature, size and complexity of its business. The internal control framework is designed to ensure safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records and timely preparation of reliable financial information.

The internal financial controls are periodically reviewed by the management. The Audit Committee regularly reviews the adequacy and effectiveness of internal control systems and recommends improvements wherever considered necessary.

G. Discussion on Financial Performance with respect to Operational Performance

i. Consolidated Performance

During the financial year under review, the Company achieved a consolidated turnover of Rs. 1,46,142.82 thousand, as compared to the previous financial year, reflecting continued growth in business operations.

The Profit After Tax stood at Rs. 8,500.13 thousand as compared to Rs. 10,869.77 thousand in the previous year. Although revenue increased during the year, profitability was impacted primarily due to higher operating and administrative expenses incurred during the year. The management continues to focus on improving operational efficiencies, cost optimisation and sustainable profitability.

Overall, the financial position of the Company remains stable and provides a sound platform for future growth.

H. Material Developments in Human Resources / Industrial Relations

The Company firmly believes that its employees are its most valuable asset and continues to focus on attracting, retaining and developing talented professionals.

Our opinion is not modified in respect of the above matters

Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters below to be the key audit matters to be communicated in our report.

Key audit matter	Response to Key audit matter
Testing of carrying value of Investment in Subsidiaries was considered as key audit matter as it involved significant management judgement and reliance on future projections. The Company has 100% investment Sanghvi Beauty and Salons Pvt Ltd and 97.5% in Sanghvi Fitness Pvt Ltd. These entities are engaged in the business of providing beauty, fitness and spa treatment. At March 31, 2026, the net worth of above-mentioned subsidiaries has completely eroded. The existence of the above impairment indicator required management to estimate the recoverable amount of the Company's investment in subsidiaries along with loans and advances provided.	Our audit approach was a combination of test of controls and substantive procedures which included the following: i. Obtained understanding of the Company's policy on the assessment of impairment of investment/advances in subsidiaries and assumptions used by the management including design and implementation of the controls. ii. Assessed the methodology used by the management to estimate the recoverable value of each investment/advances and consistency with accounting standards. iii. Based on our audit procedures, we noted no reportable matters regarding investments except stated in paragraph 4 above.

Information Other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's board report but does not include the Standalone Financial Statements and our Auditor's Report thereon.
7. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

8. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
9. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

10. The Company's Board of Directors is responsible for the matters in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India.
11. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
12. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
13. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

14. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
15. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - a. Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk

of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b. Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - e. Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
16. Materiality is the magnitude of misstatements in the Standalone Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.
17. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
18. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements section of our report of even date]

Qualified Opinion

We have audited the internal financial controls with reference to the Standalone Financial Statements of Sanghvi Brands Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

According to the information and explanations given to us and based on our audit procedure, the following material weakness has been identified in Company's internal financial controls as at March 31, 2026.

The Company needs to improve internal financial controls in accrual and recording of administrative and other expenses.

In our opinion, except for the effects of material weakness described above, the Company has maintained, in all material respects, an adequate internal financial controls system with reference to financial statements and such financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India ("the ICAI").

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statement of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under Section 143(10) of the Act, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial

controls with reference to financial statement was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the Board of Directors is responsible for assessing the Companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate,

they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company and its subsidiaries which are incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Companies included in the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on the consideration of audited Indian Subsidiaries referred to in other matter paragraph below, the following material weakness have been identified as at March 31, 2026.

The Company needs to improve internal financial controls in accrual and recording of administrative and other expenses.

In our opinion, except for the effects of material weakness described above, and to the best of our information and according to the explanations given to us and based on the consideration of audited Indian subsidiaries referred to in Other Matter paragraph below, the Holding Company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to subsidiary companies incorporated India, whose financials statements/information are audited and our opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of the Group is not affected as this financial statements/information is not material to the Group.
