## PRESS RELEASE

### Monarch Surveyors Secures ₹16.47 Crore Consultancy Mandate Under Maharashtra Green Roads Connectivity Program

**Pune, June 11<sup>th</sup>, 2026:** Monarch Surveyors and Engineering Consultants Limited (BSE: 544453), a leading civil infrastructure consulting and engineering services company, has announced that it has received the **Letter of Acceptance (LoA)** for providing **ADB/PISC Consulting Services as Program Implementation Support Consultant (PISC)** for the **Maharashtra Green Roads Connectivity for Inclusive Growth Program**.

The project has been awarded under a Joint Venture (JV) arrangement, wherein Monarch Surveyors and Engineering Consultants Limited holds a **70% partnership stake**. The total project value stands at **₹23.53 crore**, with Monarch's share amounting to approximately **₹16.47 crore**.

The consultancy assignment has been awarded by the **Maharashtra Rural Roads Development Association (MRRDA)** and involves providing implementation support services for the development of sustainable and inclusive rural road connectivity infrastructure across Maharashtra. The program is expected to play a significant role in enhancing rural accessibility, promoting economic development, and supporting environmentally sustainable transportation infrastructure.

This order further strengthens Monarch's position in the transportation and infrastructure consulting segment and reinforces its growing track record in delivering large-scale government-backed infrastructure projects.

Commenting on the development, **Mr. Sunil Kokare, Director – Business, Monarch Surveyors and Engineering Consultants Limited, said:**

*"We are pleased to secure this important mandate under the Maharashtra Green Roads Connectivity Program. The project strengthens our position in the transportation infrastructure segment and reflects the confidence that government agencies continue to place in our technical expertise and execution capabilities.*

*With our strong track record in infrastructure consulting and project management, we are well-positioned to support the successful implementation of this program while contributing to improved rural connectivity and sustainable infrastructure development across Maharashtra."*
