Management Comment:

Commenting on the results, **Lancy Barboza, CEO & Managing Director, Flomic Global Logistics Ltd said:**

"Q1 FY27 marked a strong start to the financial year for Flomic, with continued momentum across our integrated logistics platform. During the quarter, we reported Revenue from Operations of ₹11,999.77 lakh, EBITDA of ₹1,120.57 lakh and PAT of ₹206.25 lakh. Revenue grew 18.4% YoY, while EBITDA increased 67.8% YoY, with EBITDA margin improving to 9.34% from 6.59% in Q1 FY26. We also returned to profitability at the PAT level, reflecting improved operating efficiency and disciplined cost management.

Our diversified service portfolio across freight forwarding, customs clearance, warehousing, supply chain management and project logistics, supported by our asset-light business model, continues to provide a strong foundation for growth. During the quarter, we remained focused on strengthening customer relationships, improving service capabilities and enhancing operational efficiencies across the business.

Looking ahead, we remain positive about the long-term prospects of the logistics industry, supported by India's manufacturing, trade and export growth. We will continue to focus on expanding our integrated logistics platform, strengthening our warehousing and specialized logistics capabilities, deepening customer relationships and driving sustainable, profitable growth through disciplined execution."

About Flomic Global Logistics Limited:

Flomic Global Logistics Ltd. is an integrated logistics and freight forwarding company offering end-to-end supply chain solutions across air, sea, and land transportation. Founded in 1988 and listed on the BSE, the company operates an asset-light, scalable logistics platform supported by a strong global partner network. Flomic provides a wide range of services including ocean and air freight forwarding, project cargo and break-bulk logistics, customs broking, warehousing, transportation, and specialized logistics solutions.

With a network of 25 branches and 30+ warehouses across India, Flomic serves 5,000+ active customers across SME and enterprise segments. The company has handled over 42,628 shipments during FY2026, supported by a workforce of more than 510 professionals and technology-enabled operations that deliver efficiency, visibility, and reliability across the supply chain.
