Subject: Press Release on Receipt of Orders from **Punjab State Transmission Corporation Limited (PSTCL)**

Ref: Regulation 30 SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that Atlanta Electricals Limited (“the Company”) has secured an order worth approximately ₹285 crore from Punjab State Transmission Corporation Limited (PSTCL) for the supply of power transformers.

As per the Letter of Award received from PSTCL, the order involves the supply of 23 units of 160 MVA, 220/66 kV Power Transformers along with Nitrogen Injection Fire Prevention and Extinguishing System (NIFPES) and optional spares, with an aggregate order value of approximately ₹285.15 crore, including applicable taxes.

Please find enclosed a Press Release proposed to be issued in this regard. We request you to take the above on record and disseminate the information.

Thanking you,

Yours faithfully,
For Atlanta Electricals Limited

Press Release

Atlanta Electricals Ltd secures Rs 285 cr order from Punjab State Transmission Corporation Limited (PSTCL)

~ Company wins order for supply of 23 units of 160 MVA 220/66 kV Power Transformers

Anand (Gujarat), June 3, 2026: Atlanta Electricals Limited (NSE, BSE: ATLANTAELE), a leading manufacturer of power transformers, has secured an order worth approximately ₹285 crore from Punjab State Transmission Corporation Limited (PSTCL) for the supply of power transformers.

As per the Letter of Award received from PSTCL, the order involves the supply of 23 units of 160 MVA, 220/66 kV Power Transformers along with Nitrogen Injection Fire Prevention and Extinguishing System (NIFPES) and optional spares, with an aggregate order value of approximately ₹285.15 crore, including applicable taxes.

“This order from PSTCL reflects the continued trust placed in Atlanta Electricals’ execution capabilities in delivering high-capacity transformers. Our longstanding association with PSTCL is a proof of our ability to consistently meet technical and operational requirements, and this order will further strengthen our presence in the state while supporting capacity utilisation across our manufacturing facilities,” said **Mr. Niral Patel, Chairman and Managing Director, Atlanta Electricals Limited.**

Atlanta Electricals commenced its association with PSTCL in 2018 and has since supplied approximately 200 transformers, with an aggregate installed capacity of around 5,000 MVA across the state of Punjab. This order further strengthens the Company’s presence in a strategically important market and reinforces its capability to deliver technologically advanced power transformers to leading state utilities.

About Atlanta Electricals Limited

Atlanta Electricals Limited manufactures and supplies a wide range of power transformers starting from 5 MVA (megavolt-ampere)/11 kV (kilovolt) up to 500 MVA/765 kV as well as auto transformers, inverter duty transformers, furnace transformers, generator transformers and special duty transformers in India, at its five facilities in Gujarat and Karnataka. With over 30 years of experience and as of December 31st 2025, the Company has supplied 4,710 transformers, totaling to 1,07,229 MVA, across the country.
