PRESS RELEASE

MethodHub Software Limited Recognized as “Great Place to Work – Certified™” for India Work Locations for the Second Consecutive Year

MethodHub Software Limited (“the Company”) is pleased to announce that it has been recognized as a “Great Place to Work – Certified™” organization for its India work locations for the period May 2026 to May 2027, marking its second consecutive year of receiving this recognition.

The certification is awarded by Great Place to Work® Institute based on a rigorous evaluation of employee feedback captured through its Certification™ survey and an assessment of workplace culture and practices. Based on the survey results, the Company has successfully met the prescribed threshold to be recognized as a Great Place to Work® Certified™ organization in India.

This recognition specifically reflects the experience and feedback of employees across the Company’s India operations, highlighting the strength of its workplace culture, people practices, and commitment to fostering a high-trust, inclusive, and performance-driven environment.

The Company acknowledges that this achievement has been made possible through the active participation, feedback, and continued efforts of its employees across India, whose contributions have been instrumental in earning this distinction for the second consecutive year.

The Company remains committed to further enhancing employee engagement, strengthening workplace practices, and continuing to build a culture that promotes innovation, collaboration, and long-term growth across all its locations.
