Roadmap Ahead

Initial growth

- Founded by the Pitti brothers as a B2B2C platform for flight bookings, without external funding
- Entered direct-to-consumer (B2C) through website and mobile app in 2011 and corporate travel (B2E) by 2013
- Built an in-house technology platform from day one to support seamless and automated booking operations
- Introduced zero-convenience-fee and full-refund policy to attract value-conscious customers
- Rapidly grew product mix to include hotels, holiday packages, rail and bus tickets, becoming a complete travel platform

Expansion

- Positioned as a comprehensive full-service travel platform offering flights, hotels, holiday packages, rail, bus, cab, charter and activities
- Built a differentiated hotels portfolio combining direct contracts and supplier partnerships, alongside flexible holiday packages that enable online customization or offline seller interaction
- Expanded nationwide franchise and travel agent network, earning industry recognition such as the Travel & Tourism Awards 2017, enhancing brand visibility
- Started operations in UAE, UK, Thailand and USA markets to tap outbound those markets
- Acquired travel-tech assets including YoloBus (intercity bus platform), a B2B hotel marketplace, and Spree Hotels to broaden service verticals
- Launched India's First Marketplace, ScanMyTrip.com, integrated on ONDC Network and introduced charter services to broaden customer offerings
- Introduced various features using AI to offer customers hassle free travel

Scale-up

- With the robust product offering, expanding the hotel and holiday segments through cross-selling initiatives, and personalized offerings, leveraging data and customer insights
- Scaling operations by expanding international offices, subsidiaries and introducing new product verticals tailored to each regional market to drive deeper penetration and localization
- Driving growth across all subsidiaries by enhancing operational efficiency, fostering innovation, and identifying synergistic opportunities within the group ecosystem
- Entered the electric bus segment with Easy Green Mobility
