## TCS and Rezolve Ai forge first-of-its-kind partnership to scale Agentic Commerce globally

*Together, they will help retailers embed agentic-AI into core commerce workflows and drive enterprise-wide transformation at scale*

**NEW YORK | MUMBAI, May 12, 2026:** [Tata Consultancy Services](#) (TCS) (BSE: 532540, NSE: TCS), a global leader in IT services, consulting, and business solutions has announced a global strategic partnership with Rezolve Ai, a leading AI-native commerce infrastructure provider. This partnership marks TCS' entry into the agentic AI commerce market. Along with Rezolve Ai, TCS will help retailers worldwide embed AI into core commerce workflows at enterprise scale.

Under the partnership, TCS will enable retail enterprises to leverage Rezolve Ai's proprietary intelligent commerce platform, **brainpowa™**. These specialized agentic solutions will facilitate retailers to create AI-led experiences across conversational commerce, intelligent discovery, and agentic checkout. As part of the collaboration, TCS and Rezolve Ai will jointly enable global retail enterprises to integrate production-grade AI solutions within their core commerce workflows.

**Daniel M. Wagner, Chief Executive Officer, Rezolve Ai, said,** *"This partnership is a major commercial milestone for Rezolve Ai. TCS brings extraordinary reach, deep enterprise trust, and global execution capability. Together, we are creating a clear pathway to take agentic commerce from platform innovation to enterprise-scale deployment. We believe, this collaboration will significantly accelerate enterprise adoption of our technology and further strengthen Rezolve Ai's position as a category leader in AI-powered commerce."*

**Shekar Krishnan, Head of Retail, UK and Europe, TCS, said,** *"Enterprises are increasingly seeking AI solutions that deliver measurable business outcomes at scale. Our partnership with Rezolve Ai, combines TCS' global transformation capabilities with a specialized AI-powered commerce platform built for real-world enterprise deployment. Together, we aim to help customers modernize digital commerce in ways that improve customer experience and commercial performance. This partnership is a key component of TCS' strategy to create an integrated AI ecosystem bringing together in-house innovation with strategic partnerships to industrialize AI and deliver scalable, real-world outcomes for enterprises."*

This partnership combines TCS' deep enterprise relationships, global delivery network, scale, and go-to-market capabilities with Rezolve Ai's native technology for the retail sector. TCS will help organizations scale AI-led commerce solutions reliably and responsibly and achieve enterprise-grade deployment capabilities by leveraging Rezolve Ai's platform innovation across global markets. Global retailers can also experience this unique agentic commerce solution hands-on across TCS' global network of Pace Port™ innovation centers.

TCS is helping businesses across various industries realize the advantages of AI by incorporating Human+AI decision-making systems into their operations. Collaborating with AI-focused firms like Resolve AI are central to TCS' mission of making AI practical for organisations and ensuring they gain tangible, large-scale benefits from AI technology.
