PRESS RELEASE

Monarch Surveyors Secures ₹51.20 Crore Order from Southern Railway

Pune, October 17th, 2026: Monarch Surveyors and Engineering Consultants Limited (BSE: 544453), an India's leading infrastructure consulting and engineering services company, has secured a **₹51.20 crore order from Southern Railway** for conducting traffic surveys, final location surveys and preparing Detailed Project Reports (DPRs) for new Broad Gauge (BG) line construction, doubling and multi-tracking projects.

The contract has been awarded under the jurisdiction of the Chief Administrative Officer/Construction, Southern Railway, Egmore, Chennai. The assignment involves undertaking critical survey and planning activities to support the development and expansion of railway infrastructure across the Southern Railway network. The project is expected to contribute to the planning and execution of railway capacity enhancement initiatives through new line construction, track doubling and multi-tracking.

The entire work is scheduled to be completed within 36 months from the date of issuance of the Letter of Acceptance, subject to necessary approvals from the relevant government authorities. This order marks another important milestone in Monarch's growing portfolio of infrastructure consultancy assignments and reinforces its capabilities in railway infrastructure planning, surveying and engineering consultancy. The Company continues to leverage its multidisciplinary expertise to support the development of critical transportation infrastructure and contribute to India's infrastructure expansion.

Commenting on the new order, **Mr. Sunil Kokare, Director – Business, Monarch Surveyors and Engineering Consultants Limited, said:**

“We are glad to have received this order from Southern Railway. The order further strengthens our growing order book and testifies the confidence that the industry places in Monarch. We will leverage our technical prowess, know-how and experience in railway engineering consultancy to execute this project. The rail infrastructure sector in India continues to grow significantly, as connectivity and transportation capacities increase, providing an ample opportunity for companies like Monarch. We remain committed to delivering high-quality surveying and engineering consultancy services that contribute to the nation's infrastructure development while generating long-term value for all our stakeholders”
