**Subject: Increase in Volume**

Dear Sir / Madam,

This has a reference to above letter, received by us through email, seeking response on a significant increase in the volume of security of the Company across Exchanges, in the recent past.

Please be informed that the Company keeps the stock exchanges informed about all information and events that have a bearing on the operation / performance of the Company which include all price sensitive information, pursuant to the provisions of Regulation 30 of the SEBI (Listing Obligations and Disclosure requirements), Regulations, 2015 ("SEBI LODR Regulations").

At present to the best of our knowledge, the Company does not possess any information / announcement (including impending announcement), which in our opinion may have a bearing on the price / volume behavior in the Company's scrip and is required to be disclosed as per the provisions of Regulation 30 of SEBI LODR Regulations.

The movement in volume of our scrip / increase in the share price appears to be purely market driven.

We trust this clarifies the matter. We request you to take the above information on record.

Thanking you,

Yours sincerely,
