**Sub: Outcome of Bidding Process – Emergence as Lowest Bidder (L1) Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Emergence as Lowest Bidder (L-1) for a Railway Construction Tender awarded by Northeast Frontier Railway Construction (NFR-CONST)**

**Ref: Regulation 30 read with Schedule III, Part A of SEBI (LODR) Regulations, 2015**

Dear Sir / Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"), read with Para A of Part A of Schedule III thereto, we wish to inform the Exchange that Brahmaputra Infrastructure Limited ("the Company"), in Joint Venture with HBMCPL, has emerged as the Lowest Bidder (L-1) for the tender particulars set out below :

<b>Particulars</b>	<b>Details</b>
Name of the tendering/awarding authority	Northeast Frontier Railway Construction (NFR-CONST)
Tender No.	CE-CON-KJG-EPC-2026-03
Bidder	Brahmaputra Infrastructure Limited, in Joint Venture with HBMCP
Status	Declared Lowest Bidder (L-1)
Scope of work	Earthwork in formation and cutting, blanketing, construction of RCC box, RCC and PCC drains, retaining walls and toe walls, nine (9) minor bridges, one (1) Road Over Bridge (ROB), and Railway Electrification works comprising design, supply, erection, testing and commissioning of OHE, Electrical (General) works, and Signalling and Telecom works, on Hybrid-EPC mode.
Project stretch	From Kokrajhar station (excluding) to CH-4.100, and from Salakati station (excluding) to CH-0.400 – forming the starting chainage of the new Kokrajhar-Gelephu cross-border rail line.
Net offer value (L-1 bid)	Approximately ₹137.60 crore.
Whether related to a promoter/promoter group/group company	No
Date of receipt of L-1 intimation/communication	09.07.2026

This development is significant as it establishes the Company (through the BIL-HBMCPL Joint Venture) as the first contractor of record on the Kokrajhar-Gelephu corridor – a 69-km cross-border rail link connecting the Indian rail network to Gelephu in the Kingdom of Bhutan, undertaken pursuant to the India-Bhutan inter-governmental MoU signed in September 2025, at an announced total project cost of approximately ₹3,456 crore. The present package covers the very first construction stretch on this corridor, positioning the Company for participation in future packages to be floated by NFR-CONST as the line progresses toward Gelephu.

The Company shall make a further disclosure to the Exchange upon receipt of the formal Letter of Acceptance (LoA) and/or execution of the definitive contract agreement with NFR-CONST, in accordance with Regulation 30 of the SEBI LODR Regulations.

This is for your information and records, and for dissemination to the members/investors.

Kindly take the above on record.

Thanking you,

Yours faithfully,

**For Brahmaputra Infrastructure Limited**

## PRESS RELEASE

July 9, 2026

### **Brahmaputra Infrastructure Limited Emerges as L1 Bidder for ₹137.60 Crore Railway EPC Contract on Strategic Kokrajhar–Gelephu Cross-Border Corridor**

*Company's JV with HBMCPL to execute the first construction package on the new India–Bhutan rail link, positioning it for future works along the corridor*

**Guwahati, July 9, 2026:** Brahmaputra Infrastructure Limited (BSE: 535693) ("BIL" or "the Company"), in joint venture with HBMCPL, has emerged as the lowest bidder (L1) for Tender No. CE-CON-KJG-EPC-2026-03, awarded under Northeast Frontier Railway Construction (NFR-CONST). The contract, awarded on Hybrid-EPC mode, covers earthwork in formation and cutting, blanketing, construction of RCC box, RCC and PCC drains, retaining walls and toe walls, nine (9) minor bridges, and one (1) Road Over Bridge (ROB), together with Railway Electrification works comprising design, supply, erection, testing and commissioning of Overhead Equipment (OHE), Electrical (General) works, and Signalling and Telecom works.

The scope of work covers the stretch from Kokrajhar station (excluding) to CH-4.100, and from Salakati station (excluding) to CH-0.400. The BIL-HBMCPL JV's net offer value stands at approximately ₹137.60 crore.

This stretch marks the starting chainage of the new railway line between Kokrajhar and Gelephu – a 69-km cross-border rail link announced at a total project cost of approximately ₹3,456 crore under the India–Bhutan inter-governmental MoU signed in September 2025, that will connect the Indian rail network to Gelephu in the Kingdom of Bhutan. The project is one of the most significant cross-border rail investments planned for Northeast India. Under this contract, BIL will execute the very first construction package on the corridor, at the point closest to the existing Indian rail network.

#### **First Mover on a Strategic New Corridor**

Beyond its contracted value, the win establishes the BIL-HBMCPL JV as the first contractor of record on the Kokrajhar–Gelephu line, at the very chainage where the new line begins. Executing this package requires the JV to mobilise plant, machinery, manpower and logistics at the starting point of the corridor, and to

build a working interface with NFR-CONST from the project's outset – a base and a relationship expected to carry forward as the line is extended toward Gelephu.

Northeast Frontier Railway is expected to float further packages along the same corridor as the line progresses toward Gelephu, in line with the broader push to strengthen rail connectivity along India's border with Bhutan. Having established its presence, track record and interface with NFR-CONST at the starting chainage, the BIL-HBMCPL JV is well placed to bid for and execute this upcoming pipeline – converting its position on the first package into a platform for sustained participation across the corridor.
