Dear Sir/Madam,

Sub: Special Window for Transfer and Dematerialisation of Physical Securities – Newspaper Publication

This is in continuation of our earlier intimation letter dated 02.04.2026 bearing reference no. SD:570/571/11/12:2025-26. In this regard, please find enclose herewith the copy of Newspaper Publication in Financial Express (English), Jansatta (Hindi) and Vijayavani (Kannada) published on 09.06.2026 for attention of the shareholders of the Bank regarding Special Window for Transfer and Dematerialisation Requests of Physical Shares.

This is for your information and records.

Yours faithfully,

**Santosh Kumar Barik
Company Secretary**

MOVE COMES AS OMCs INCUR LOSSES OF ₹600-700 CRORE A DAY

Centre trims Ujjwala LPG cylinder refills to 4 a year

● Subsidy support limited amid weak LPG consumption

SAURAV ANAND
New Delhi, June 8

THE GOVERNMENT HAS reduced the number of subsidised LPG refills available annually under the Pradhan Mantri Ujjwala Yojana (PMUY) to four from nine, as state-run oil marketing companies (OMCs) continue to incur losses of ₹600-700 crore a day despite recent fuel price hikes that have sharply reduced under-recoveries on petrol and diesel.

Addressing reporters on Monday, Additional Secretary in the petroleum ministry Praveen Mal Khanuja said under-recoveries on petrol and diesel have fallen to around ₹6 per litre and ₹30 per litre, respectively, following multiple fuel price increases since May 14. However, domestic LPG remains heavily underpriced, with OMCs currently losing about ₹700 on every cylinder sold.

"The under-recovery on diesel is about ₹30 per litre. When you buy diesel in Delhi at ₹95, actually the balance ₹30 is borne by the company, and for petrol it is about ₹6 per litre, even now. Daily losses are

THE LPG CONUNDRUM

■ The government has undertaken multiple fuel price hikes since May 14

■ Under-recoveries on petrol and diesel have fallen to ₹6/litre and ₹30/litre, respectively, since May

■ Cumulative under-recoveries on domestic LPG rose to ₹60,000 cr by the end of FY26

■ OMCs currently losing about ₹700 on every cylinder sold

■ Ujjwala beneficiaries will now receive a subsidy of ₹300 per cylinder on four refills annually

■ The scheme covers more than 105.8 mn Ujjwala connections across the country

still to the tune of ₹600-700 crore," Khanuja said.

According to the official, the government has decided to limit subsidy support under PMUY to four cylinders annually, in line with average household consumption of four to five cylinders a year.

Under the revised structure, PMUY beneficiaries will receive a subsidy of ₹300 per cylinder on four refills annually, amounting to ₹1,200 per household a year. Previously, subsidy support was available on up to nine cylinders.

The latest measure follows two successive increases in domestic LPG prices. Household LPG prices were raised by ₹60 per cylinder in March and by another ₹29 this week, taking the retail price of a 14.2-kg cylinder to ₹942 in Delhi, ₹941.50 in Mumbai and ₹968

in Kolkata.

As per official data, cumulative under-recoveries on domestic LPG reached ₹60,000 crore by the end of the last financial year, up from ₹41,338 crore in the previous year. To partly offset these losses, the Union Cabinet has approved ₹30,000 crore as compensation to the OMCs. The PMUY subsidy is over and above this support, with eligible beneficiaries receiving ₹300 per cylinder directly into their bank accounts, covering more than 105.8 million Ujjwala connections across the country.

The decision comes even as LPG consumption has weakened. India's LPG demand fell to 2.13 million tonnes in May, the lowest level since the Covid period, amid higher prices and pressure on household budgets.

The government said that while PMUY households would receive ₹300 per cylinder on the first four refills each year, even non-PMUY consumers continue to pay significantly below market-linked rates. Officially maintained that substantial under-recoveries persist despite recent price revisions.

The official said that the recent fuel price hikes have significantly narrowed OMC losses on auto fuels. In March, under-recoveries were estimated at around ₹26 per litre on petrol and ₹81.90 per litre on diesel, with diesel losses at one stage touching ₹100 per litre. Since then, petrol and diesel prices have been increased by about ₹7.5 per litre, while international crude oil prices have moderated from April highs and are currently below \$100 per barrel.

Exports in April-May rise 15%

FE BUREAU
New Delhi, June 8

INDIA'S EXPORTS GREW 15% in year in April-May despite ongoing disturbances in world trade due to the war in West Asia and tariff uncertainties, a senior official said on Monday.

In April-May of the last financial year, goods exports stood at \$76.5 billion. If the 15% growth is added to the number, the shipments are seen touching \$76.5 billion in April-May of 2026-27.

Even if oil exports are taken out of the equation, India's exports were up 11% in the first two months of this financial year, the official said. Due to higher crude oil prices, the earnings on petroleum product exports have seen a sharp jump. In April, petroleum product exports grew 34.66% to \$9.6 billion. Overall merchandise exports in April had risen 13.7% to \$43.5 billion.

Due to the war, India's exports to West Asia fell 28% to \$4.16 billion in April, but Singapore saw growth of 179%. Tanzania 157%, Sri Lanka 214%, Bangladesh 64%, Hong Kong 50%, Malaysia 59%, Australia 5% and Vietnam 42%.

Eight workers killed in Vizag steel plant mishap

AT LEAST EIGHT workers of the Rashtriya Ispat Nigam, known as Vizag steel plant, were killed and six others injured on Monday after molten iron spilt on them, officials said.

Flames erupt at the steel plant on Monday

"Eight workers were killed, and six others were injured, some of them grievously," an official said.

Reacting to the mishap, Prime Minister Narendra Modi expressed sadness and also extended ex-gratia to the kin of the deceased and injured workers.

"Saddened by the mishap at the Visakhapatnam Steel Plant. Condolences to those who have lost their loved ones. Praying that the injured recover at the earliest," the prime minister said in a post on 'X'.

An ex-gratia of ₹2 lakh would be given to the next of kin of each deceased, he said, adding that the injured would be given ₹50,000.

Visakhapatnam District Collector M Abhishek Kishore said the accident occurred at 4.15 pm. He observed that the injured workers were shifted to two private hospitals. **PTI**

Tanker with 24 Indians catches fire near Oman

SAURAV ANAND
New Delhi, June 8

A FOREIGN-FLAGGED vessel carrying 24 Indian seafarers caught fire off the Oman coast on Monday, with authorities stating that all crew members were safe. The cause of the fire remained under investigation.

The incident involving MT Marivex was reported at around 1:30 pm, according to the Shipping Ministry. The vessel was located south of the Gulf of Oman, outside the Strait of Hormuz, when the fire broke out.

A crew member aboard the vessel informed that the tanker was hit by a missile, damaging some lifeboats and triggering a fire. The vessel subsequently sent distress calling seeking evacuation.

However, Shipping Ministry Director Oshesh Kumar Sharma said the cause of the fire had not been established.

"We are in touch with the owners. We are trying to ascertain the facts," he said.

Maharashtra CM approves 65 railway infra projects

PRESS TRUST OF INDIA
Mumbai, June 8

MAHARASHTRA CHIEF MINISTER Devendra Fadnis on Monday approved 65 railway infrastructure projects under the state Rail Infrastructure Development Corporation (MahaRail) and directed officials to work towards making the state free of railway level crossings.

Chairing a meeting of MahaRail in Mumbai, Fadnis said infrastructure such as railway overbridges, underpasses and pedestrian bridges should be developed to eliminate level crossings across Maharashtra and improve connectivity in rapidly urbanising areas.

According to an official release, the 65 projects form the first phase of 131 proposed works to be undertaken by MahaRail on roads under the Public Works and Urban Development departments.

The chief minister said priority should be given to projects located on roads with Train Vehicle Units (TVU) ranging between 25,000 and one lakh and where land

Maharashtra Chief Minister Devendra Fadnis

The government said that a total of 80 railway infrastructure projects have been proposed in urban centres across Maharashtra.

Among them, 17 projects are in the Mumbai Metropolitan Region, 15 in Pune, 13 in Nagpur, five each in Nashik and Amravati, and the remaining projects are spread across several other cities in the state, the release said.

Fadnis asked authorities to constitute committees comprising municipal commissioners and district collectors to verify the projects before they are taken up by MahaRail.

The chief minister also flagged the possibility of traffic congestion at junctions on newly constructed flyovers in Nagpur and called for advance planning to address the issue.

He directed officials to construct a new railway overbridge on the Amravati-Badnera route in place of the existing old bridge.

Fadnis asked officials to arrange funding for the projects through HUDCO and explore mechanisms to reduce borrowing costs.

India, China should stick to perception of being cooperative partners: Beijing

K J M VARMA
Beijing, June 8

CHINA AND INDIA should stick to the "right strategic perception" that they are not rivals but cooperative partners and opportunities for each other's development, not threats, a top Chinese official said on Monday.

Foreign Ministry spokesperson Lin Jian made the remarks at a media briefing here in response to a question on Russian President Vladimir Putin's comments on Sino-India relations and Moscow's efforts to maintain close ties with both of them during an interaction with heads of lead-

ing global news agencies, including PTI, on Thursday.

The China-India border situation is at the moment generally stable and the two sides have smooth communication, Lin said.

"China and India need to

have the right strategic perception that the two countries are cooperation partners, not competition rivals, and are opportunities, not threat, for each other's development," he said.

Beijing has been reiterating for a while that India and China should not regard each other as rivals but cooperative partners. Lin's response on Monday adds "right strategic perception" to that oft-repeated narrative. "The two sides need to view and handle the bilateral relations from a strategic height and long-term perspective, enhance mutual trust, expand cooperation, properly handle differences, and promote the sound and steady development of China-India relations," he said.

On India's concerns over China's close ties with Pakistan, Lin said China has made clear its position on multiple occasions on India-Pakistan relations. "We support the two sides in properly handling differences through dialogue and consultation and jointly keeping the region peaceful and stable," he said, skirting a response to New Delhi's concerns over Beijing's close defence ties with Islamabad, especially its on-site technical support to Pakistan against India during Operation Sindoor. **—PTI**

Coal reserves sufficient, says minister

UNION MINISTER G Kishan Reddy on Monday said the Centre has adequate coal reserves to meet the requirements of power generation for 80 days.

Speaking about the achievements of the Nationalist Democratic Alliance government since 2014, Reddy also said that exploration has begun in the critical mineral blocks acquired in Argentina,

and production should commence as early as possible.

"Earlier, there used to be a shortage of coal. Now, the Government of India has coal reserves sufficient for 80 days of power generation. Since the monsoon season has begun, coal production could face disruptions due to heavy rainfall," the Union coal and mines minister told reporters in New Delhi.

"Following the directives of

Prime Minister Narendra Modi, we have maintained coal reserves for 80 days."

Highlighting the importance of critical minerals, Reddy said that the Centre is identifying critical mineral reserves and undertaking exploration activities. He added that auctions have also begun in areas where exploration has been completed. **—PTI**

Jan Dhan accounts surge to 580 million

PRESS TRUST OF INDIA
New Delhi, June 8

FINANCE MINISTER NIRMALA Sitharaman on Monday said that over 580 million Jan Dhan accounts have brought millions of Indians into the formal banking system. The Jan Dhan scheme has ensured that benefits under welfare schemes, low-cost insurance, and pensions reach without leakages, the Finance Minister's Office said in a post on social media platform 'X'.

"Garib Kalyan is Hon'ble PM Shri @narendramodi's guarantee of dignity, opportu-

nity and empowerment for every Indian," the finance minister said.

India has stood out globally in its fight against poverty and deprivation, she added. Launched on August 28, 2014, Pradhan Mantri Jan Dhan Yojana (PMJDY) is one of the world's largest financial inclusion initiatives.

Of total PMJDY account holders, 56% are women, while 67% of accounts are opened in rural and semi-urban areas.

As much as ₹45 lakh crore was transferred directly to beneficiary accounts through Direct Benefit Transfer (DBT).

Anupam Misra appointed chairman of Hind Copper

STATE-OWNED HINDUSTAN Copper on Monday said Anupam Misra will take charge as the company's chairman and managing director (CMD) on July 1.

The development assumes significance as the company is executing a massive

₹7,189 crore capital expenditure programme to increase its mining capacity by three times. The ambitious roadmap aims to boost ore production to meet surging domestic demand from renewable energy, electric vehicles and AI infrastructure. **PTI**

POSTAL BALLOT NOTICE

This notice is hereby given that pursuant to the provisions of section 110 read with section 108 and other applicable provisions, if any, of the Companies Act, 2013 ("the Act"), rules 20 and 22 of the Companies (Management and Administrations) Rules, 2014 and read with General Circular Nos. 14/2020 dated April 8, 2020, 17/2020 dated April 31, 2020 and 03/2025 dated September 22, 2025, issued by the Ministry of Corporate Affairs (MCA Circulars), regulator of the Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015, Secretarial Standards on General Meetings issued by the Institute of Company Secretaries of India ("ICSI") (including any statutory modification or re-enactment thereof for the time being in force and as amended from time to time), and pursuant to other applicable laws, rules and regulations, approval of the members of Trualt Bioenergy Limited ("the Company") is proposed for the following ordinary resolution by way of Postal Ballot through e-voting process ("E-Voting").

S. No.	Description of Ordinary Resolution
1.	To Approve Material Related Party Transaction(s) to be entered into with Niranu Sugars Limited for the Financial Year 2026-27

Further in compliance with the aforesaid MCA Circulars, the Company has completed the dispatch of the Postal Ballot Notice along with the explanatory statement, on June 8, 2026 by electronic means only to all the Members whose names appear in the Register of Members / List of Beneficial Owners as received from the Depositories / Bigshare Services Pvt Ltd, the Company's Registrar and Transfer Agent, (RTA) as on Friday, June 5, 2026 (Cut-Off Date) and whose email addresses are registered with the Company/RTA / Depositories.

The Notice is also available on the website of the Company at www.trualtbioenergy.com and on the website of National Securities Depository Limited ("NSDL") at <https://evoting.nsdl.com>. The Notice can also be accessed from the website of stock exchanges i.e., National Stock Exchange of India Limited at www.nseindia.com and BSE Limited at www.bseindia.com.

The Notice is further given that in compliance with Sections 108 and 110 of the Act, read with the Regulation 44 of the Listing Regulations and the MCA Circulars and SEBI's Company Law Board's Circulars, the Company has provided only the remote E-voting facility to its Members, to exercise their votes electronically instead of submitting a physical copy of the Postal Ballot Form. Accordingly, physical copy of the Notice along with the Postal Ballot Form and pre-paid business reply envelope has not been sent to Members for this Postal Ballot. The communication of the "Assent" or "Dissent" of the Members would take place through the remote e-voting system only. The Company has engaged the services of NSDL for the purpose of providing remote e-voting facility to its members.

The e-voting will commence at 9 AM IST on Wednesday, June 10, 2026, and will end at 5 PM IST on Thursday, July 9, 2026. Shareholders are requested to note that E-voting shall not be allowed beyond 5 PM IST on Thursday, July 9, 2026.

The Board of Directors has appointed Mr. Deepak Sadhu, Practising Company Secretaries, Bengaluru (COP-14992), as the scrutiner for conducting E-voting process in a fair and transparent manner.

In accordance with the provisions of the MCA Circulars, Shareholders can vote only through the remote e-voting process. Shareholders whose names appear on the Register of Members/ List of Beneficial Owners as on Friday, June 5, 2026, will be considered for the purpose of E-voting and voting rights shall be reckoned on the paid-up value of Equity Shares registered in the name of the Shareholders as on that date. A person who is not a Member on the cut-off date shall treat this notice for information purposes only.

The detailed procedure/instructions on the process of E-voting including the manner in which shareholders who are holding shares in physical form or who have not registered their e-mail addresses with the Company as on Friday, June 5, 2026, will be considered for the purpose of E-voting and voting rights shall be reckoned on the paid-up value of Equity Shares registered in the name of the Shareholders as on that date. A person who is not a Member on the cut-off date shall treat this notice for information purposes only.

The Scrutinizer will submit his report to the Chairman or Managing Director or any other person so authorized, after the completion of scrutiny and the results of E-voting will be announced on or before Saturday, July 11, 2026. The said results along with scrutiner's report would be posted on the website of stock exchanges and will also be uploaded on the website of the Company at www.trualtbioenergy.com as well as on E-voting website of the NSDL.

The Resolutions, if passed by the requisite majority through Postal Ballot, will be deemed to have been passed on the last date specified for remote e-voting i.e., July 9, 2026.

In case of any queries/grievances pertaining to remote e-voting, you may refer the Frequently Asked Questions (FAQs) for Shareholders and investor user manual for Shareholders available at the "Download" section of www.evoting.nsdl.com or call on no. 022-4886 7000 or contact Mr. Rajguru Chakraborty, Assistant Manager at their designated e-mail addresses: evoting@nsdl.com.
