THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

i. The voting period begins on Monday, August 17, 2026 (9:00 A.M.) and ends on Wednesday, 19 August, 2026. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Thursday, August 13, 2026 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.

ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020,** under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders**, **by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION & ANALYSIS

1. **INDUSTRY STRUCTURE AND DEVELOPMENTS:**

We are an Exporter and Re-packager of variety of FMCG products which include sub-categories of Food stuff, Non-food FMCG products, Household Products, Festive handicraft items and we also deal in the Pharmaceutical products. Our business approach is to sell quality goods at competitive prices. The majority of products dealt by us are everyday products forming part of basic rather than discretionary spending. Our Company purchases products from manufacturer directly while rest are purchased from vendors dealing in the product. While the local products such as flour, spices, grains, pulses of various types, etc. are procured in bulk packaging and then are re packaged in customised pack. Repackaging work is mostly done by manufactures/ vendors wherein we send the packaging materials and labels to be used for re-packaged products while few repackaging is done at our warehouse. Our Company even provides private label facility on the products as required by our customers. We endeavor to minimise our operating costs in several ways such as entering into long-term lease arrangements for a warehouse, procuring goods directly from vendors and manufacturers, employing an efficient logistics and distribution system and maintaining a strong focus on product assortment to minimise inventory build-up, supported by efficient inventory planning.

2. **OPPORTUNITIES AND THREATS**

OPPORTUNITIES

- **Global Export Expansion**

  KGVL already exports to **40+ countries**, and rising demand for affordable FMCG and essential goods in emerging markets provides scope for deeper penetration.

- **Asset-light, scalable model**

  With a 20,000 sq ft warehouse and outsourcing-led operations, the company can quickly scale with minimal capital expenditure.

- **New market penetration & product mix expansion**

  Strategic focus on entering new export markets, enhancing brand presence, and introducing new FMCG and pharmaceutical categories

- **Private-label customization & partnerships with leading brands**

  Collaborations with top Indian brands (Hindustan Unilever, Everest, Parle-G, MDH, Haldiram's, etc.) provide a platform to leverage brand equity and grow customized offerings

- **IPO-raised capital for working-capital and corporate use**

  Post-IPO funds earmarked for working-capital needs has reduced liquidity pressure and fueled further growth. The same is evident in better Working Capital Ratio.

THREATS

- **Export dependency & foreign-exchange risk**

  Over 90% of revenue comes from exports (91–97%), making the company vulnerable to global demand shifts and currency volatility

- **Operating cash-flow volatility and working capital strain**

  The company has experienced negative net operating cash flows, posing risk to liquidity and necessitating external funding for day-to-day operations.

- **Competitive pressures & regulatory dependencies**

  Faces intense competition from domestic and international exporters in food, FMCG, and handicrafts

3. FINANCIAL PERFORMANCE ANALYSIS:

Financial Performance Analysis (FY 2026)

Revenue Growth

- Consolidated Revenue: ₹15,023.99 lakh, up from ₹12,16.01 lakh in FY 2025 → **+23% growth.**

  This indicates strong expansion across the group's operations, reflecting effective scaling and possibly diversified business drivers.
- Standalone Revenue: ₹13,258.48 lakh, up from ₹12,126.01 lakh in FY 2025 → **+9.3% growth.**

  Growth is positive but more modest compared to consolidated figures, suggesting subsidiaries or joint ventures contributed significantly to overall momentum.

Profitability

- Consolidated Net Profit: ₹619.25 lakh vs ₹473.38 lakh in FY 2025 → **+30.8% growth.**

  Profit growth outpaced revenue growth, highlighting improved margins and operational efficiency.
- Standalone Net Profit: ₹600.26 lakh vs ₹473.38 lakh in FY 2025 → **+26.8% growth.**

Healthy improvement, though slightly lower than consolidated, again pointing to stronger subsidiary performance.

Earnings Per Share (EPS)

- EPS Consolidated: ₹8.87 vs ₹7.45 in FY 2025 → **+19% growth.**
- EPS Standalone: ₹8.60 vs ₹7.45 in FY 2025 → **+15.4% growth.**

EPS growth confirms shareholder value creation, with consolidated earnings showing a stronger trajectory.

4. RISK FACTORS

- **Market Volatility in Commodities**

  KGVL operates in the trading of FMCG and commodity-based products, making it highly susceptible to fluctuations in global commodity prices. Any adverse movement in raw material costs or supply chain disruptions can significantly impact margins and profitability.

- **Regulatory and Compliance Risks** The company is subject to various domestic and international regulations governing trade, packaging, and export. Changes in government policies, import-export duties, or compliance requirements could affect operations and increase costs.

- **Limited Product Diversification**

  KGVL's revenue is concentrated in a specific range of food and household products. A lack of diversification may expose the company to risks if demand for these products declines or if competitors introduce substitutes

- **Dependency on Key Personnel**

  The company's performance is closely tied to the expertise and leadership of its core management team. The loss of any key executive could disrupt strategic direction and operational efficiency

5. FACTORS AFFECTING OUR RESULT OF OPERATIONS

- **Economic conditions in the markets in which we operate**

  Our results of operations are dependent on the overall economic conditions in the markets in which we operate, including India. Any change in macro-economic conditions in these markets, including changes in interest rates, government policies or taxation and political, economic or other developments could affect our business and results of operations. The FMCG sector in India may perform differently and be subject to market and regulatory developments that are dissimilar to the markets in other parts of the world. While stronger international economic conditions tend to result into higher demand for our products, weaker economic conditions tend to result into lower demand. Change in demand in the market segments we currently supply or improvement/deterioration in the market or a change in regulations, customs, taxes or other trade barriers or restrictions could affect our operations and financial condition.

- **Relationship with key customers**

  We have historically derived, and may continue to derive, a significant portion of our income from our top 5 customers. In Fiscals 2025, our top 5 customers represented 35.62%, of our total revenues from operations in such periods. Any reduction in orders from our top five customers would adversely affect our income. The demand from our key customers, in particular our top 5 customers, determines our revenue levels and results of operations, and our sales are directly affected by the production and inventory levels of our customers. Our customers in turn are dependent on budget, economic condition of world, demand and growth in FMCG sector. Over the years, we have developed strong relationships with a number of domestic and international corporations through which we have been able to expand our product offerings and also our geographic reach. Our business depends on the continuity of our arrangements with these customers. Our sales to such customers are typically conducted on the basis of purchase orders that they place with us from time to time.

- **Our ability to successfully implement its strategy and its growth and business expansion plans**

  Our revenue and our business operations have grown in recent years. Although we plan to continue to expand our scale of operations, we may not be able to sustain these rates of growth in future periods due to a number of factors, including, among others, our execution capability, our ability to retain, maintain & enter into new distribution agreement, our ability to maintain customer satisfaction, our ability to mobilise sufficient working capital, macroeconomic factors beyond our control such as decline in global economic conditions, availability of cheaper imported / domestic products / brands, competition within each product category from players in the organized and unorganized segments, the greater difficulty of growing at sustained rates from a larger revenue base, our inability to control our expenses and the availability of resources for our growth. There can be no assurance that we will not suffer from capital constraints, operational difficulties or difficulties in expanding existing business operations. Our strategy and revenue plan may not work and might have adverse affect on financials.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS

To
The Members of
KHYATI GLOBAL VENTURES LIMITED
(formerly known as Khyati Advisory Services Limited)

Report on audit of standalone Financial Result

We have audited the accompanying Standalone Financial Statements of **KHYATI GLOBAL VENTURES LIMITED (formerly known as Khyati Advisory Services Limited)** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss for the year ended on March 31, 2026, the Statement of Cash flows for the year ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act & other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profits and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of Financial Results' section of our report. We are independent of the company in accordance with the code of ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and Rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with the requirements with these requirements and the Code of Ethics. We believe that the audit evidences obtained by us is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matters
Revenue Recognition **Refer to Note no 18 to Standalone Financial Statements** The Company is engaged in the export of consumer goods to various international markets. Revenue from export sales is recognized upon transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the shipment of goods, as per the terms of sale. This accounting treatment is in accordance with AS-9 – Revenue Recognition. Given the materiality of export revenue to the financial statements, the variety of Incoterms (such as FOB and CIF) involved in determining the precise point of risk transfer, and the inherent complexities in assessing whether the criteria for revenue recognition have been met, this area required significant auditor attention. There is also a risk of premature recognition of revenue prior to the actual transfer of risks and rewards, compounded by the Company's reliance on multiple documents such as bills of lading, shipping records, export invoices, and customs clearance documents.	**Our audit procedures included, but were not limited to, the following:** • Understanding the revenue recognition policy adopted by the Company and evaluating its compliance with AS-9. • Evaluated the design and tested the operating effectiveness of key internal controls related to export sales, including approval of sales orders, invoicing, and shipment processes. • Reviewed a sample of export sales transactions near the reporting date to assess whether the revenue was recognized in the correct accounting period. • Inspected underlying documentation including customer contracts, shipping documents, bills of lading, and export invoices to verify the timing of revenue recognition. • Performed cut-off procedures at year-end to verify whether revenue related to shipments made before the year-end was recognized appropriately, and whether shipments after year-end were excluded.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON.

The company's board is responsible for the preparation of the other information. The other information comprises the information included Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Financial Statements and our Auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Director's Responsibilities for the Financial Results

These financial results have been prepared on the basis of the annual financial statements.

The company's Board of Directors are responsible for the preparation and presentation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the company and the statement of assets and liabilities and statement of cash flows in accordance with recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant issues thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of accounting policies; making judgement and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give true and fair view and are free for material misstatement, whether due to fraud and error.

In preparing the financial results, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company is responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from a fraud or error and consider material, if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with the SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to our basis of opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud involves collusions, forgery, intentional omissions, misrepresentations, or override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and operating effectiveness of such controls.

- Evaluate the appropriateness of the accounting policies used and reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on our audit evidences obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of financial results including the disclosures and whether the financial results represent the underlying transactions and events in the manner that achieves fair presentation.

We communicate with those charged with governance of the company regarding, among other matters, the planned scope of timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear our independence, and wherever applicable, related safeguards.

ANNEXURE "A" TO THE AUDITOR'S REPORT

Report on the Internal Financial Control under clause (i) of sub section 3 of Section 143 of companies Act, 2013 ('The Act')

We have audited the internal financial control over financial reporting of **KHYATI GLOBAL VENTURES LIMITED (formerly known as Khyati Advisory Services Limited)** as of 31st March, 2026 in conjunction with our audit of the financial statement of the company for the year ended on that date.

Management Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the standards on auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention o r timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE AUDITOR'S REPORT

Referred to in Paragraph 2 Under "Report on Other Legal and Regulatory Requirements" of Our Report to the member of KHYATI GLOBAL VENTURES LIMITED (formerly known as Khyati Advisory Services Limited) of Even Date:

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

1) In respect of the Company's Property, Plant and Equipment and Intangible Assets:

a) (A) According to information and explanations given to us and on basis of our audit procedures, the Company has no proper records showing full particulars, including quantitative details and situation of Property, plant & equipment have been found;

(B) According to information and explanations given to us and on basis of our audit procedures, the Company is maintaining proper records showing full particulars of intangible assets.

b) The Company has a program of physical verification of Property, Plant and Equipment so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

c) The title deeds of immovable properties are held in the name of the Khyati Advisory Services Limited. The name of the company has been changed to Khyati Global Ventures Limited with effect from 26.04.2024 but the title deeds continue to exist in the name of Khyati Advisory Services Limited (former name).

d) The company has not revalued its Property, Plant & Equipment (including Right of use assets) or intangible assets during the year

e) No proceeding has been initiated or are pending against the company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2)

(a) The inventories, except goods-in-transit and stocks lying with third parties, have been physically verified by the management during the year. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories by the Manns

(b) According to the information and explanation given to us and the records produced to us for our verification, the company has been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks or financial institutions on the basis of security of current assets and the quarterly returns/ statements filed by the company with such banks or financial institutions are in agreement with the books of account of the company.

3) In our opinion the investments made by the company are prima facie, not prejudicial to the interest of the company. Further the company has not, provided any guarantee or security, granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, LLP or other parties covered in register maintained under section 189 of the companies act 2013. Hence the question of reporting such loans is not prejudicial to the company's interest or whether the receipt of the principal amount and interest are regular and whether reasonable steps for recovery of overdues of such loan are taken, does not arise.

4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.

5) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

7)
(a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Goods & Service Tax, Duty of Customs, Cess and any other statutory dues with the appropriate authorities and no statutory dues were outstanding as at 31st March, 2026 for a period of more than six months from the date they became payable.
(b) According to the information and explanation given to us, there are no dues of income tax, Goods & service tax & duty of customs outstanding on account of any dispute.

8) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

9)

a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

c) According to the information and explanations given to us by the management, the company has utilized the money obtained by way of term loan during the year for the purposes for which they were obtained.

d) On an overall examination of the financial statements of the Company, the amount invested in subsidiaries was sourced form Packing Credit realization, effectively the amount was received in normal course of business on payment by export debtors.

e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

f) The Company has not raised any loans during the year on the pledge of securities and hence reporting on clause 3(ix)(f) of the Order is not applicable.

10) a) The Company has not raised any money during the year by way of initial public offer.

b) The Company has not made preferential allotment of shares during the year.

11)

a. No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

b. No report under sub section (12) of section 143 of the companies' act has been filed in Form ADT- 4 as prescribed under rule 13 of companies (Audit and Auditors) Rules, 2014 with the central Government during the year and upto the date of this report.

c. Based upon the audit procedures performed and the information and explanations given by the management no whistle –blower complaints have been received during the year by the company.

12) The Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.

13) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

14)

a. In our opinion the company has an internal audit system commensurate with the size and nature of its business.
b. the reports of the Internal Auditors for the period under audit were considered.

15) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

16) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b)In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

17) The company has incurred cash losses in the financial year amounting to Rs.144.97 Lakhs (add preceeding financial year status also)

18) During the year under review, there has been no resignation of the statutory auditors during the year.

19) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub- section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the financial year 2024-25.

21) The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

NOTE 1:
Summary of Significant Accounting Policies:

A) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

B) Property, plant and equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price.
Such cost includes the cost of replacing part of the plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.
Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

C) Inventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads.

D) Depreciation on property, plant and equipment and intangibles

Depreciation is calculated using the Written-Down Value method. Depreciation and amortization on assets acquired / disposed of during the year is provided on pro- rata basis with reference to the date of acquisition / disposal.

E) Impairment of property, plant and equipment and intangible assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an assets or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. Impairment losses of continuing operations are recognized in the statement of profit and loss.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the assets or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

F) Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, discounts and indirect taxes. The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below: -

Sale of goods

Sales are recognized when substantial risk and rewards of ownership are transferred to customer. Generally, sales take place when goods are dispatched or delivery is handed over to transporter.

Other operating revenue

Interest on investments and deposits is booked on a time-proportion basis taking into account the amounts invested and the rate of interest. Revenue in respect of other types of income is recognized when no significant uncertainty exists regarding realization of such income.

G) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

H) Foreign currency transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non- monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the statement of profit and loss.

I) Leases

Where the Company is the lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

Where the company is the lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

J) Retirement benefits

The Company provides gratuity benefits to eligible employees in accordance with the provisions of the Payment of Gratuity Act, 1972, or other applicable regulations. The gratuity scheme is a defined benefit plan. The Company's obligation in respect of the defined benefit plan is determined at the end of each reporting period by an independent qualified actuary. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss.

K) Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situation where Company has unabsorbed depreciation or carry forward losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write down is reversed to the extent that is becomes reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

L) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

M) Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

N) Borrowing

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

O) Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
KHYATI GLOBAL VENTURES LIMITED
(formerly known as Khyati Advisory Services Limited)

Report on Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **KHYATI GLOBAL VENTURES LIMITED (formerly known as Khyati Advisory Services Limited)** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss for the year ended on March 31, 2026, the Statement of Cash flows for the year ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act & other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profits and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of consolidated financial statements in accordance with Standards on Auditing (SAs) specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of Financial Results' section of our report. We are independent of the company in accordance with the code of ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and Rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with the requirements with these requirements and the Code of Ethics. We believe that the audit evidences obtained by us is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matters
Revenue Recognition **Refer to Note no 18 to Standalone Financial Statements** The Company is engaged in the export of consumer goods to various international markets. Revenue from export sales is recognized upon transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the shipment of goods, as per the terms of sale. This accounting treatment is in accordance with AS- 9 – Revenue Recognition. Given the materiality of export revenue to the financial statements, the variety of Incoterms (such as FOB and CIF) involved in determining the precise point of risk transfer, and the inherent complexities in assessing whether the criteria for revenue recognition have been met, this area required significant auditor attention. There is also a risk of premature recognition of revenue prior to the actual transfer of risks and rewards, compounded by the Company's reliance on multiple documents such as bills of lading, shipping records, export invoices, and customs clearance documents.	**Our audit procedures included, but were not limited to, the following:** • Understanding the revenue recognition policy adopted by the Company and evaluating its compliance with AS-9. • Evaluated the design and tested the operating effectiveness of key internal controls related to export sales, including approval of sales orders, invoicing, and shipment processes. • Reviewed a sample of export sales transactions near the reporting date to assess whether the revenue was recognized in the correct accounting period. • Inspected underlying documentation including customer contracts, shipping documents, bills of lading, and export invoices to verify the timing of revenue recognition. • Performed cut-off procedures at year-end to verify whether revenue related to shipments made before the year-end was recognized appropriately, and whether shipments after year- end were excluded.

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON:

a) The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

b) Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

c) In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, compare with the financial statements / financial information of the subsidiaries, joint ventures and associates audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, joint ventures and associates, is traced from their financial statements / financial information audited by the other auditors.

d) If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Director's Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from a fraud or error and consider material, if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with the SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to our basis of opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud involves collusions, forgery, intentional omissions, misrepresentations, or override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and operating effectiveness of such controls.

- Evaluate the appropriateness of the accounting policies used and reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on our audit evidences obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of financial results including the disclosures and whether the financial results represent the underlying transactions and events in the manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its associates and joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled 'Other Matters' in this audit report.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in: (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the company regarding, among other matters, the planned scope of timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear our independence, and wherever applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

We did not audit the financial statements / financial information of 2 subsidiaries, whose standalone financial statements / financial information reflect total assets of Rs. 2943.07 lakhs as at 31st March, 2026, total revenues of Rs. 1733.99 Lakhs, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of Rs. 38.75 Lakh for the year ended 31st March, 2026, as considered in the Consolidated Financial Statements, in respect of 2 subsidiary partnership firms, whose financial statements / financial information have not been audited by us. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the Consolidated Financial Statements / financial information certified by the Management.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. Reporting under Section 143(3) of the Companies Act, 2013, is not applicable in respect of the partnership firm subsidiaries included in the Consolidated Financial Statements, since the said reporting requirements are applicable only to companies incorporated under the Companies Act, 2013. Therefore, our reporting under section 143(3) is only limited to **KHYATI GLOBAL VENTURES LIMITED (the Holding company)**. Hence, as required by Section 143(3) of the Act, based on our audit we report that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c. The Balance Sheet, the Statement of Profit and Loss & Cash Flow Statement dealt with by this Report are in agreement with the books of account;

d. In our opinion, the aforesaid financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

e. On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164 (2) of the Act;

f. With respect to the adequacy of internal financial control over financial reporting of the company & the operating effectiveness of such controls, refer to our separate report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.

g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h. With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanation given to us:

i. The Company has no pending litigations on its financial position in its financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. The Company is not liable to transfer any amounts, to the Investor Education and Protection Fund during the year ended March 31, 2026.

iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) Based on audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.

v. The company has not declared and paid any dividend during the year 2025-26.

vi. Based on our examination which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE AUDITOR'S REPORT

Report on the Internal Financial Control under clause (i) of sub section 3 of Section 143 of companies Act, 2013 ('The Act')

We have audited the internal financial control over financial reporting of **KHYATI GLOBAL VENTURES LIMITED (formerly known as Khyati Advisory Services Limited)** as of 31st March, 2026 in conjunction with our audit of the consolidated financial statement of the company for the year ended on that date.

The reporting on Internal Financial Controls over Financial Reporting under Section 143(3)(i) of the Companies Act, 2013, included in Annexure A of our report is not applicable in respect of the Partnership subsidiaries of the holding Company included in the Consolidated Financial Statements, since the said reporting requirements are applicable only to companies incorporated under the Companies Act, 2013. Therefore, our opinion is only limited to internal financial control over financial reporting of **KHYATI GLOBAL VENTURES LIMITED (the Holding company).**

Management Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the standards on auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention o r timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE 1:
Summary of Significant Accounting Policies:

A) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

B) Property, plant and equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price.
Such cost includes the cost of replacing part of the plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.
Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

C) Inventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads.

D) Depreciation on property, plant and equipment and intangibles

Depreciation is calculated using the Written-Down Value method. Depreciation and amortization on assets acquired / disposed of during the year is provided on pro- rata basis with reference to the date of acquisition / disposal.

E) Impairment of property, plant and equipment and intangible assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an assets or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. Impairment losses of continuing operations are recognized in the statement of profit and loss.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the assets or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

F) Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, discounts and indirect taxes. The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below: -

Sale of goods

Sales are recognized when substantial risk and rewards of ownership are transferred to customer. Generally, sales take place when goods are dispatched or delivery is handed over to transporter.

Other operating revenue

Interest on investments and deposits is booked on a time-proportion basis taking into account the amounts invested and the rate of interest. Revenue in respect of other types of income is recognized when no significant uncertainty exists regarding realization of such income.

G) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

H) Foreign currency transactions

Initial recognition
Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion
Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non- monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Treatment of exchange differences
Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the statement of profit and loss.

I) Leases

Where the Company is the lessee
Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

Where the company is the lessor
Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

J) Retirement benefits

The Company provides gratuity benefits to eligible employees in accordance with the provisions of the Payment of Gratuity Act, 1972, or other applicable regulations. The gratuity scheme is a defined benefit plan. The Company's obligation in respect of the defined benefit plan is determined at the end of each reporting period by an independent qualified actuary. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss.

K) Income taxes
Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situation where Company has unabsorbed depreciation or carry forward losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write down is reversed to the extent that is becomes reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

L) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

M) Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

N) Borrowing

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

O) Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.
