FY26 Key Performance Highlights:

- Recorded ~29% volume growth, reflecting improved capacity utilization and strong order execution
- Total Income was Rs. 1,078 Cr, an increase of 27.9% YoY
- EBITDA of Rs. 194 Cr, an increase of 44.7% on YoY with EBITDA margin of 18.0%
- Net Profit of Rs. 120 Cr, an increase of 45.8% on YoY with PAT margin of 11.1%

Commenting on the performance, Mr. Anand S. Agarwal, Director, Founder & Promoter said:

“As FY2025-26 concludes, the agrochemical industry continued to navigate a dynamic operating environment shaped by changing global demand patterns, pricing pressures and evolving supply chain conditions. Despite these challenges, India Pesticides Limited delivered a strong operational and financial performance, supported by strong demand in the Indian market, higher capacity utilization, and consistent execution across key business segments. Our continued focus on process optimization, backward integration, and strengthening customer relationships enabled us to sustain growth momentum during the year.

During FY2026, the Company achieved Revenue of Rs.1,078 crore, reflecting a growth of 27.9% YoY, while EBITDA increased by 44.7% YoY to Rs.194 crore with EBITDA margins improving to 18.0%. PAT for the year was at Rs.120 crore, registering a growth of 45.8% YoY. The performance was primarily driven by strong domestic demand, healthy volume growth, and improved operational efficiencies.

A key milestone during the year was India Pesticides Limited crossing the INR 1,000 crore revenue mark for the first time, reflecting the Company’s strong execution capabilities, expanding market presence and improving operational efficiencies. This achievement highlights our confidence in sustaining long-term growth through capacity expansion, backward integration and continued focus on innovation-led manufacturing.

Our R&D and project engineering capabilities continue to remain a core strength of the Company. During the year, we received multiple product registrations across Indian and international markets, while our in-house R&D efforts supported process innovation, cost optimization, and development of new molecules and intermediates. The Company remains focused on enhancing manufacturing efficiency and expanding its differentiated product portfolio.

Looking ahead, the Company remains committed to expanding its manufacturing capabilities, strengthening backward integration, and enhancing its presence across Indian and international markets. With strong customer relationships, a diversified product portfolio, ongoing capacity expansion, and a continued focus on innovation and operational efficiency, we believe India Pesticides Limited is well positioned to capitalize on emerging opportunities and create sustainable long-term value for all stakeholders.”

About India Pesticides Limited:

Founded in 1984, India Pesticides Limited is an R&D-driven chemical manufacturer engaged in producing agrochemical technicals, active pharmaceutical ingredients, and branded formulations for diverse agricultural applications. The company offers an extensive portfolio of herbicides, fungicides, insecticides, and intermediates, supplying products across more than 25 countries while maintaining compliance with global quality standards. Its manufacturing operations are strategically located at facilities in Lucknow and Hardoi districts of Uttar Pradesh, supported by two in-house research and development centers registered with the Department of Scientific and Industrial Research. With capabilities to design, test, and commercialize complex off-patent molecules in a cost-effective and environmentally responsible manner, India Pesticides Limited has built trusted relationships with domestic and international customers. The company continues to prioritize backward integration, capacity expansion, and product innovation to strengthen its leadership in technical-grade products. Its growth strategy emphasizes reducing import dependencies, leveraging a strong management team, and advancing its manufacturing and operational frameworks to align with India's Aatma Nirbhar Bharat initiative while delivering sustainable value to stakeholders.
