Discussions

14. Heard the Ld. Counsel for the Consortium and perused the record. The Liquidator has been mentioned as respondent to in the memo of parties and the liquidator has expressed no objection if the prayers sought in this application are granted.
15. Before delving into the merits of the case, this Tribunal observes that the e-auction sale of the CD as a going concern was concluded on 25.02.2025. The said e-auction sale predates the notification dated 14.10.2025 (vide F.No. IBBI/2025-26/GN/REG129), issued by the Insolvency and Bankruptcy Board of India, which omitted Regulation 32A and clauses (e) and (f) of Regulation 32 of Liquidation Process Regulations vide the IBBI (Liquidation Process) (Second Amendment) Regulations, 2025 which permitted the sale of CD as a going concern during liquidation. Effectively, w.e.f 14.10.2025, the CD cannot be sold as a going concern during liquidation. As this amendment '*shall prospectively, i.e., to cases where liquidation by sale as a going concern had not commenced*' hence, the erstwhile provisions of Regulation 32A and Regulation 32(e) & (f) of Liquidation Process Regulations remain applicable to the present case.
16. Now, advertng to the facts of the present case, it is noted from the contents of the 1st Liquidation Progress Report dated 14.01.2025, that

the Stakeholders' Consultation Committee (SCC) in its 2nd meeting held on 18.12.2024 approved the Sale of CD as a Going Concern.

17. With respect to Sale of CD as a Going Concern under Regulation 32A of the Liquidation Process Regulations, the Liquidator issued an E-Auction Process Memorandum on 28.01.2025. The E-Auction Process Memorandum described the scope of the sale by providing a detailed description of the assets and liabilities comprising the liquidation estate and identifying the 'Excluded Assets' that did not form part of the e-auction sale.
18. Following the e-auction sale held on 25.02.2025, the Consortium was declared the successful bidder for the Sale of CD as a going concern.
19. The Liquidator subsequently issued a Letter of Intent dated 04.03.2025, confirming that the e-auction sale was conducted in accordance with Regulation 33 and Schedule I of the Liquidation Process Regulations, 2016. Upon perusal of the records, it is noted that the Liquidator complied with the provisions of Section 35(f) of the IBC, read with Regulations 32 and 33 of the Liquidation Process Regulations, by publishing the e-auction sale notice on 28.01.2025 in newspapers namely, The Free Press Journal (English) and Navakal (Marathi), thereby inviting prospective bids for the assets of the Corporate Debtor as detailed in the e-auction notice.
20. Thereafter, the Consortium on payment of entire sale consideration (with interest) on 17.05.2025, was issued a Certificate of Sale dated 16.07.2025 by the Liquidator. Upon a plain reading of the Certificate of Sale it is noted that Block A being the Sale of CD as a going concern was as per Regulation 32A read with Regulation 32(e) of the Liquidation Process Regulations on "AS IS WHERE IS", "AS IS WHAT IS", "WHATEVER THERE IS BASIS" and "WITHOUT RECOURSE BASIS" of, which is described below:

THE SCHEDULE HEREINABOVE REFERRED TO
("Block A - Sale of the Corporate Debtor as a going concern")

Schedule A

Sale of the corporate debtor as a going concern includes

*"All assets as provided in the 29.10.2024 audited financials with all the caveats provided by the auditor but **excluding the following assets** whether or not reflected in the financials*

- (i) Amounts to be recovered from Suspended Management related to the surpluses due to the operations during CIRP and Liquidation process,*
- (ii) Amount of Rs. 25,00,000/- related to the transaction of Corporate Debtor with the Secured Creditor on the date of commencement of CIRP,*
- (iii) Amounts recoverable from Income Tax department to the extent of TDS Refund adjustment for FY 2022-23 and FY 2023-24*
- (iv) Amounts recoverable from the GST Department, if any, related to the pre-deposit amount and*
- (v) Cash and Bank Balance in the current account of the Corporate Debtor.*

And including the following liabilities associated with the above assets namely,

- (i) Any municipal tax liabilities related to the factory premises*
- (ii) Any Society charges including maintenance and rent related to the factory premises*
- (iii) Any water charges related to the factory premises (iv) Expenses related to Pollution Control Board in relation to the factory premises and*
- (iv) expenses related to such other compliances related to the factory premises only.*

The Excluded Assets do not form a part of liquidation estate of the Company and hence will not be a part of the sale process as per the E-Auction herein contemplated.

21. Thereafter, the Consortium applied to this Tribunal for an exhaustive list of general reliefs, concessions and waivers.

22. At this stage, it is appropriate to state that following **Venus Rolling Mills (supra)**, this Tribunal passed subsequent orders such as in the matter of **Mehta FinCorp vs. Alok Kumar Agarwal, Liquidator of M/s Sneh Sadan Traders and Agents Limited (I.A. 1159 of 2025 in CP 2641 of 2019)**, decided on 30.05.2025.

23. The relevant portion of **Sneh Sadan (supra)** is reproduced as under:

11. *In this regard, it is pertinent to emphasize that the law is now well settled in view of the following judgments by Hon'ble National Company Law Appellate Tribunal (NCLAT):*

- i. *Shiv Shakti Inter Globe Exports Private Limited versus M/s KTC Foods Private Limited & Anr. (Company Appeal (AT) (Insolvency) No. 650 of 2020), decided on 25.02.2022;*
- ii. *Shantech International Pvt. Ltd. versus Devendra Singh, Liquidator of Venus Rolling Mills Pvt Ltd, (Company Appeal (AT)(Ins.) No. 1520 of 2024), decided on 20.09.2024.*

xxx

12. *Considering the above judgments, we can safely lay down legal principles for grant or otherwise of the reliefs, concessions, and waivers in favour of the Successful Auction Purchaser on sale of corporate debtor as a going concern during liquidation as under:*

- i. **Distribution of Sale Proceeds as per Section 53 of IBC**
 - a. *All expenses upto CIRP commencement date get settled on the distribution of sale proceeds under section 53 of the Code. The CIRP cost and the liquidation cost have to be paid first in priority. In other words, if the corporate debtor was carrying on its business as a going concern during CIRP period then any CIRP cost will be paid on priority. Further if any expenses are incurred which qualify to be liquidation cost would also be paid on priority.*
 - b. *All claims submitted by the Stakeholders on the liquidation commencement date would stand settled*

once the distribution of the sale proceeds from the liquidation assets are distributed to all stakeholders as per the waterfall mechanism provided under section 53 of the Code in accordance with the order of priority as mentioned in section 53(1)(a) to 53(1)(e) of the Code.

24. In light of the above discussion, there is no need to deal with each and every prayer sought in this application but it would be sufficient to order as follows:

ORDER

- i. The Consortium does not automatically become entitled to all the concessions and waivers as sought in this application.
- ii. The Corporate Debtor has been sold as a going concern on “AS IS WHERE IS”, “AS IS WHAT IS”, “WHATEVER THERE IS BASIS” and “WITHOUT RECOURSE BASIS”, the liabilities associated with the assets as mentioned in the Sale Certificate dated 16.07.2025, as mentioned in para 20 of this order are transferred along with the assets.
