REPORT ON CORPORATE GOVERNANCE

The Board of Directors ('Board') present the Report on Corporate Governance of International Travel House Limited ('the Company' or 'ITHL') pursuant to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

The Company's governance framework upholds the highest standards of ethical and responsible conduct, with a focus on creating value for all stakeholders.

GOVERNANCE PHILOSOPHY

The Company defines Corporate Governance as a systemic process by which companies are directed and controlled to enhance their wealth-generating capacity and to ensure that the Company is managed in a manner that meets stakeholders' aspirations and societal expectations.

The Company's Corporate Governance structure is based on two core principles:

- (i) Management must have the executive freedom to drive the enterprise forward without undue restraints; and

- (ii) This freedom of management should be exercised within a framework of effective accountability.

The Company believes that any meaningful policy on Corporate Governance must provide empowerment to the executive management of the Company and simultaneously create a mechanism of checks and balances which ensures that the decision making powers vested in the executive management is not misused, but is used with care and responsibility.

From this definition and core principles of Corporate Governance emerge the cornerstones of the Company's governance philosophy, namely, trusteeship, transparency, empowerment and accountability, control and ethical corporate citizenship. The Company believes that the practice of each of these principles lead to creation of the right corporate culture in which the Company is managed in a manner that fulfils the true purpose of Corporate Governance.

Trusteeship	Trusteeship represents a coalition of interests, namely those of the shareholders, other providers of capital, business associates and employees. This belief therefore casts a responsibility of trusteeship on the Board to protect and enhance shareholder value, as well as to ensure that the Company fulfills its obligations and responsibilities to its other stakeholders. Inherent in the concept of trusteeship is the responsibility to ensure equity, namely, that the rights of all shareholders, large or small, are protected.
Transparency	Transparency means explaining the Company's policies and actions to those to whom it has responsibilities. Therefore, it must lead to maximum appropriate disclosures without compromising the Company's strategic interests. Internally, this means openness in Company's relationship with its employees, as well as the conduct of its business. The Company believes transparency enhances accountability.
Empowerment and Accountability	Empowerment is a process of actualising the potential of the Company's employees. It unleashes creativity and innovation throughout the organisation by truly vesting decision-making powers at the most appropriate levels in the organisational hierarchy. The Company believes that empowerment, combined with accountability , provides an impetus to performance and improves effectiveness, thereby enhancing shareholder value.
Control	The Company believes that the freedom of management should be exercised within a framework of appropriate checks and balances. Control should prevent misuse of power, facilitate timely management response to change, and ensure that business risks are preemptively and effectively managed.
Ethical Corporate Citizenship	Ethical Corporate Citizenship means setting exemplary standards of ethical behaviour, both internally within the organisation, as well as in external relationships. The Company believes that unethical behavior corrupts organisational culture and undermines stakeholder value. The corporate governance processes must continuously reinforce and help actualise the Company's belief in ethical corporate citizenship.

REPORT ON CORPORATE GOVERNANCE

The Governance Structure

The practice of Corporate Governance in the Company takes place at three inter-linked levels:

- i. Strategic supervision by the Board of Directors;
- ii. Strategic management by the Corporate Management Committee headed by the Managing Director; and
- iii. Executive management by the Functional Heads under the overall guidance and direction of the Managing Director.

The 3-tier governance structure thus ensures that:

- i. Strategic supervision (on behalf of the shareholders), being free from involvement in the task of strategic management of the Company, can be conducted by the Board of Directors with objectivity, thereby sharpening accountability of management.
- ii. Strategic management of the Company, uncluttered by the day-to-day tasks of executive management, remains focused and energised; and
- iii. Executive management of the Company's business gets focused on enhancing the quality, efficiency and effectiveness of its business.

The task of governance at the various levels on the 3-tier structure determines the core roles of the key entities, namely, the Board of Directors, Chairman, the Corporate Management Committee, Managing Director, Directors, the CMC Members and the functional heads. Their core role in turn determines their core responsibilities. In order to enable them to discharge their core responsibilities, the governance process empowers them with the requisite delegated powers.

The core roles, responsibilities and powers of the key entities at the various levels collectively make up the Corporate Governance structure.

ROLES OF VARIOUS ENTITIES

Board of Directors ('Board'): The primary role of the Board is that of trusteeship to protect and enhance shareholder value through strategic supervision of the Company. As trustees, the Board ensures that the Company has clear goals relating to shareholder value and its growth. The Board provides direction, and exercises appropriate control to ensure that the Company is managed in a manner that fulfills stakeholder aspirations and societal expectations.

The Board periodically reviews its own functioning to ensure that it is fulfilling its role. The Board also evaluates the performance of the Managing Director, the other Directors and its Committees.

Board Committees: The role of the Board Committees is determined by the Board, from time to time, synopsis of which is provided under the heading 'Committees of the Board'.

Corporate Management Committee ('CMC'): The primary role of the CMC is strategic management of the Company's businesses within Board approved direction / framework and realisation of Company goals. The CMC operates under the superintendence and control of the Board.

Non-Executive Chairman: The primary role of the Chairman of the Company is to provide leadership to the Board. He presides over the Board meetings and leads & assists the Board in setting and realising the Company's strategic vision and related short and long term goals.

The Chairman ensures that all directors are enabled and encouraged to play a full part in the activities of the Board. He also presides over the General Meetings of shareholders.

Managing Director: The Managing Director holds overall responsibility for the strategic management of the Company and accordingly heads the CMC. His primary role is to provide leadership to the CMC in carrying out the strategic management, as well as to provide leadership in executive management of the Company's business and for realising Company's goals within the charter approved by the Board. As the chairman of the CMC, he is responsible for its working, for ensuring that all relevant issues are on the agenda and all CMC members are enabled and encouraged to play a full part in its activities. In so far as the Executive Management of the Company is concerned, he renders guidance and provides support to the various functional heads in conducting the Company's business in a focused and synergistic manner. He also ensures that the CMC works in accordance with the Corporate Governance Policy.

CMC Member: The CMC Member contributes to the strategic management of the Company's businesses within Board approved direction / framework. A CMC Member is accountable for a business or shared services (Line CMC Member), and assume responsibility for its strategic management, including governance processes and top management effectiveness.

REPORT OF THE BOARD OF DIRECTORS & MANAGEMENT DISCUSSION AND ANALYSIS FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

BUSINESS ENVIRONMENT

Global economic growth is estimated at 3.2% in 2025, compared with 3.3% in 2024, as the world economy adjusts to tighter financial conditions and heightened trade uncertainty (IMF). India continues to remain among the fastest-growing major economies, with growth expectations staying well ahead of most large peers.

The operating landscape shifted materially during the latter part of the year as tariff measures, escalating trade tensions, volatility in the Indian Rupee, and geopolitical developments - including the conflict in West Asia - heightened uncertainty across global markets. For the travel industry, these developments influenced consumer sentiments, impacted fuel prices, route economics, and cross-border mobility.

According to the UN Tourism World Tourism Barometer, international tourist arrivals reached an estimated 1.52 billion in 2025, representing a 4% increase over 2024.

In the aviation sector, IATA reported global air passenger demand growth of 5.3% year-on-year in 2025. In India, domestic air traffic showed a growth of 3.48% year-on-year to 1,669.46 lakh passengers, compared to a 6.12% growth in 2024 (DGCA). While the Indian domestic aviation sector remained on a growth trajectory, the pace of expansion moderated amid external uncertainties and operational constraints.

FINANCIAL PERFORMANCE

During the year under review, your Company recorded Operating Income of ₹ 23,163.10 lakhs (previous year ₹ 23,562.74 lakhs) reflecting a degrowth of 1.70 % over the previous year. BUSINESSES

- **Travel Management Services**

According to the GBTA Business Travel Outlook, global business travel spending is expected to grow by approximately 7% in 2025, compared with around 10% in 2024, reflecting continued uncertainty around global trade policies and economic conditions. Growth is projected to improve to 8.1% in 2026 before normalising over the medium term. Despite a marginal moderation in global GDP growth, the overall demand environment remains positive, subject to macro economic and geopolitical developments.

In India, domestic air passenger traffic recorded growth of 3.48% during 2025. While industry-wide operational and geopolitical challenges moderated growth, demand remained resilient, reinforcing the long-term strength of India's aviation and travel ecosystem.

India continues to be one of the world's fastest-growing business travel markets, supported by sustained economic activity, increasing corporate travel requirements, and greater adoption of structured travel management practices. As the market evolves, digital payments, corporate card programmes, and technology-enabled travel solutions are expected to play an increasingly important role.

The Company continues to enhance its value proposition through technology-led initiatives that strengthen digital servicing capabilities, expense management integration, and automated carbon-tracking solutions. Adoption of the Self-Booking Tool and embedded corporate card programmes is expected to improve operational efficiency, compliance, and customer experience.

The Company offers a comprehensive suite of business travel services, including air ticketing, hotel bookings, mobility solutions, visa facilitation, and related travel services. Integrated travel management solutions remain increasingly relevant as organisations seek stronger cost control, compliance, duty-of-care management, and enhanced traveller experience.

- **Meetings, Incentives, Conferences and Exhibitions ('MICE')**

The MICE industry continues to benefit from the resurgence of in-person business engagements, expanding convention infrastructure, and improved air connectivity. India is strengthening its position as a preferred MICE destination through the development of convention facilities and industry-supporting infrastructure across major cities.

Strong domestic demand and ongoing infrastructure investments continue to support growth across meetings, incentives, conferences, and events. However, geopolitical tensions and travel-related disruptions have affected outbound event timelines and international delegate participation. Despite these challenges, the domestic MICE segment has demonstrated resilience and sustained growth.

During the year, the Company successfully managed several domestic and outbound MICE programmes across sectors including consulting, infrastructure, automotive, information technology, and manufacturing. Supported by expected economic growth and infrastructure development, the outlook for the MICE segment remains positive. The Company remains focused on delivering differentiated experiences and creating long-term value for its clients.

- **Outbound and Domestic Leisure**

India's leisure travel market continues to demonstrate strong long-term growth, driven by rising disposable incomes, growing middle-class aspirations, improved connectivity, and progressively favourable visa policies. Demand trends continue to favour personalised, experience-led, and value-conscious travel.

Domestic leisure travel remained robust, supported by improved air and road connectivity. Key destinations included Himachal Pradesh, Uttarakhand, Rajasthan, Goa, Kerala, the Northeast, and the Andaman Islands. In the outbound segment, short-haul destinations such as Singapore, Thailand, Bali, Malaysia, and Vietnam continued to perform strongly, while demand for Europe and parts of the Middle East was impacted by geopolitical developments and air connectivity constraints.

The Company remains focused on curated travel products, personalised itineraries, seasonal packages, and customised holiday offerings, positioning it well to capitalise on evolving customer preferences across both domestic and outbound leisure travel.

- **Car Rental Services**

India's corporate chauffeur-driven mobility market continues to offer significant long-term growth opportunities, supported by economic expansion, urbanisation, increasing corporate travel activity, and the growing preference for organised, compliant, and technology-enabled mobility solutions.

REPORT OF THE BOARD OF DIRECTORS & MANAGEMENT DISCUSSION AND ANALYSIS FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

During the year, the Company focused on operational excellence, service quality, safety, and reliability, while advancing key digital transformation initiatives. The rollout of a new mobility platform and supporting middleware is expected to enhance service delivery, operational efficiency, and data-driven decision-making.

The Company also undertook initiatives to improve profitability through fleet optimisation, sourcing efficiencies, and disciplined cost management. In line with its sustainability objectives, the Company continued the phased induction of electric and hybrid vehicles.

Going forward, the Company will remain focused on strengthening its technology platform, expanding service capabilities, deepening client engagement, and pursuing sustainable growth opportunities across the mobility ecosystem.

SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES

The Company does not have any subsidiary, associate or joint venture.

INTERNAL FINANCIAL CONTROLS

Corporate Governance in your Company operates at three interlinked levels which clearly delineates the roles, responsibilities and authorities across the three levels of the governance structure. Your Company also has a Code of Conduct which commits Management to conform to the systems and processes, conduct business ethically and ensure strict compliance with all applicable laws and regulations. These policies have been widely communicated across the organisation and together with the planning & review processes and the Risk Management Framework, they create a controlled environment across the Company and provide the foundation for Internal Financial Controls with reference to your Company's Financial Statements.

Your Company's Financial Statements are prepared on the basis of the Material Accounting Policies that are carefully selected by the Management and approved by the Audit Committee and the Board of Directors ('the Board'). These Policies are supported by the Corporate Accounting, System and Policies that apply to the entity as a whole to implement the tenets of Corporate Governance and Significant Accounting Policies uniformly across your Company. The Accounting Policies are reviewed and updated from time to time. These in turn are supported by a set of policies and Standard Operating Procedures ('SOPs') that have been established for individual functions.

Your Company uses Information Technology Systems as a business enabler and also to maintain its books of accounts. The SOPs, in tandem with the Information Management Policy, reinforce the control environment. The whole gamut of controls, policies, procedures and systems are reviewed by management and audited by the Internal Auditor whose findings and recommendations are reviewed by the Audit Committee and tracked through till implementation.

Your Company has in place adequate internal financial controls with reference to Financial Statements. Such controls have been assessed during the year taking into consideration the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. Based on the results of this assessment carried out by the Management, no reportable material weakness or significant deficiencies in the design or operation of internal financial controls was observed. Nonetheless, your Company recognises that any internal financial control framework, no matter how well designed, has inherent limitations and accordingly, regular audit and review processes are undertaken to ensure that such systems are reinforced on an ongoing basis..

RISK MANAGEMENT

Your Company continues to focus on a system-based approach to business risk management and it has been an integral part of your Company's strategy. Backed by strong internal control systems, the current Risk Management Framework consists of the following key elements:

- The Corporate Governance Policy approved by the Board clearly lays down the roles and responsibilities of various entities in relation to risk management covering a range of responsibilities, from strategic to operational. These role definitions, inter alia, provide the foundation for your Company's Risk Management Policy that is endorsed by the Board and is aimed at ensuring formulation of appropriate risk management procedures, their effective implementation and independent monitoring and reporting by Internal Audit.
- A combination of policies and procedures bring robustness to the process of ensuring that business risks are effectively addressed.
- Appropriate structures are in place to proactively monitor and manage the inherent risks in businesses with unique / relatively high-risk profiles.

REPORT OF THE BOARD OF DIRECTORS & MANAGEMENT DISCUSSION AND ANALYSIS FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

- Internal Audit is an independent and external function and carries out risk focused audits, enabling identification of areas where risk management processes may need to be further strengthened. For the financial year 2025-26, these audits were conducted by M/s BDO India LLP, Chartered Accountants who were the Internal Auditor of the Company. The Audit Committee of the Board reviews Internal Audit findings and provides strategic guidance on internal controls. The Audit Review Committee closely monitors the internal control environment within your Company including implementation of action plans emerging out of internal audit findings.
- A robust and comprehensive framework of strategic planning and performance management ensures realisation of business objectives based on effective strategy implementation. The annual planning exercise requires identification of top risks and sets out a mitigation plan with agreed time lines and accountabilities. Businesses are required to confirm periodically that all relevant risks have been identified, assessed, evaluated and that appropriate mitigation systems have been implemented.

Your Company endeavours to continuously sharpen its Risk Management systems and processes in line with a rapidly changing business environment. A combination of policies and processes adequately addresses the various risks associated with your Company's businesses. The risk management practices of your Company and Internal Audit processes, have been found to be relevant and commensurate with the size and complexity of its operations.

AUDIT AND SYSTEMS

Your Company believes that strong internal controls that are commensurate with the size and scale of your Company's operations are concomitant to the principle of governance that freedom of management should be exercised within a framework of appropriate checks and balances.

Your Company remains committed to ensuring a mature and effective internal control environment that inter-alia provides assurance on orderly and efficient conduct of operations, security of assets, prevention and detection of frauds / errors, accuracy and completeness of accounting records, timely preparation of reliable financial information, adherence with relevant statutes and compliance with related party transactions.

Your Company's internal control systems include documented policies and procedures, segregation of duties and careful selection and professional development of employees.

Your Company's independent and robust Internal Audit processes provide assurance on the adequacy and effectiveness of internal controls, compliance with operating systems, internal policies and regulatory requirements.

The Internal Auditor, have assured the Company that they are adequately skilled and resourced to deliver high standards of audit assurances. In the context of the IT environment of your Company, systems and policies relating to Information Management are periodically reviewed and bench marked for contemporariness. Compliance with the Information Management policies receives focused attention of the Internal Auditor.

The Audit Committee of your Board met seven times during the year. The Terms of Reference of the Audit Committee inter-alia include reviewing the adequacy and effectiveness of the internal control environment, monitoring implementation of the action plans emerging out of review of significant Internal Audit findings including those relating to strengthening of your Company's risk management systems and discharging of statutory mandates.

The Statutory Auditor of your Company have not reported any fraud to the Audit Committee or the Board under Section 143 (12) of the Companies Act, 2013 ('the Act'), including Rules made thereunder.

HUMAN RESOURCE DEVELOPMENT

Your Company continued to place strong emphasis on strengthening its human capital as a key enabler of long-term growth. During the year, Human Resources initiatives were strategically aligned to support business priorities, with a clear focus on attracting high-quality talent, enhancing organizational capabilities, and fostering a more connected and responsive workplace.

Recruitment strategies were closely integrated with business needs, with a targeted approach to identifying professionals who could drive impact while contributing to sustained growth. Learning and development remained an important pillar, with a sharper focus on functionality-driven training programs. Structured interventions were designed to deepen domain expertise, strengthen role-specific competencies, and improve overall workforce effectiveness. These initiatives focused on strengthening employees' skills, enabling them to create greater business impact and contribute more effectively to evolving organizational goals.

To foster an open and engaging work culture, the Company introduced an AI-powered employee listening platform that offers a neutral and confidential channel for employees to share their feedback. Employee well-being continued to be an

REPORT OF THE BOARD OF DIRECTORS & MANAGEMENT DISCUSSION AND ANALYSIS FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

integral part of the Company's people strategy, supported by initiatives aimed at promoting a balanced and inclusive work environment.

Your Company also remains committed to maintaining a safe, respectful, and equitable workplace. A robust Policy on Sexual Harassment (POSH) continues to be in place, in line with the provisions of the Prevention of Sexual Harassment of Women at Workplace Act, 2013. Throughout the year, awareness and sensitization programs were conducted to ensure wide spread understanding and compliance.

During the year, the Company did not receive any complaint under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. Further, no complaint was pending for more than ninety days at the beginning of the year, during the year, or at the end of the year.

WHISTLEBLOWER POLICY

Your Company's Whistleblower Policy, as approved by the Board, encourages all stakeholders including Directors and employees, to promptly bring to the Company's attention, instances of any actual, potential or suspected instances of illegal or unethical conduct, incidents of fraud, actions that undermine the financial integrity of the Company, instances of leak of unpublished price sensitive information that could adversely impact the Company's operations, business performance and / or reputation, etc. The Policy requires the Company to investigate such incidents, when reported, in an impartial manner and take appropriate action to ensure that the requisite standards of professional and ethical conduct are always upheld. It is the Company's Policy to ensure that no complainant is victimised or harassed for bringing such incidents to the attention of the Company, and to keep the information disclosed during the course of the investigation as confidential. The practice of the Whistleblower Policy is overseen by the Audit Committee and no employee was denied access to the Committee during the year.

The Whistleblower Policy is available on the Company's website at

https://www.internationaltravelhouse.in/pdf/ithl_whistleblower_policy.pdf.

During the year, your Company received one complaint under the Whistleblower Policy of which the investigation was completed and no evidence was found to substantiate the allegations. Accordingly, the case has been closed.

CORPORATE SOCIAL RESPONSIBILITY ('CSR')

Your Company has a comprehensive CSR Policy that outlines the programmes, projects, and activities it undertakes to create a meaningful and positive impact on identified

stakeholders. In line with this Policy, during the year, the Company contributed ₹ 60 lakhs towards initiatives focused on environmental sustainability, skill development, and holistic education.

These initiatives aim to promote environmental awareness and conservation through various campaigns and programmes; enhance the employability of youth by building and upgrading their skills through training initiatives, infrastructure support, and other market-oriented interventions for better livelihoods; and empower students and communities by providing essential life and digital skills, thereby enabling their overall and holistic development.

The CSR project undertaken is within the purview of Section 135 read with Schedule VII of the Act and the Companies (Corporate Social Responsibility Policy) Rules, 2014.

The Annual Report on CSR activities of the Company, as required under Sections 134 and 135 of the Act read with Rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014 and Rule 9 of the Companies (Accounts) Rules, 2014 is provided in **Annexure I** forming part of this Report.

The Independent Directors of your Company have confirmed that (a) they meet the criteria of independence prescribed under Section 149 of the Act and Regulation 16 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), (b) they are independent of the management of the Company, and (c) they are not aware of any circumstance or situation which could impair or impact their ability to discharge duties with an objective independent judgement and without any external influence.

In the opinion of the Board, the Independent Directors fulfill the conditions prescribed under the Act and the Listing Regulations, and are independent of the management of the Company.

- **Evaluation of Board, Board Committees and individual Directors**

Your Company has formulated the Policy on Board Evaluation, for the evaluation of Board of Directors, Board Committee's and individual Directors, with the approval of the Nominations & Remuneration Committee.

In keeping with your Company's belief that it is the collective effectiveness of the Board that impacts Company's performance, the primary evaluation platform is that of collective performance of the Board as a whole. Evaluation of functioning of Board Committees is based on discussions amongst Committee members and shared by the Chairperson of the respective Committee with the Board. Individual Directors are evaluated in the context of the role played by each Director as a member of the Board at its meetings, in assisting the Board in realising its role of strategic supervision of the functioning of your Company in pursuit of its purpose and goals. The peer group ratings of the individual Directors are collated and made available to the Chairman of your Company.

While the Board evaluated its performance against the parameters laid down by the Committee, the evaluation of individual Directors was carried out against the laid down parameters in order to ensure objectivity. The report on functioning of the Committees were placed before the Board. The Independent Directors also reviewed the performance of the Chairman, other Non-Independent Directors and the Board, pursuant to Schedule IV to the Act and Regulation 25 of the Listing Regulations.

NOTES TO THE FINANCIAL STATEMENTS

I. Company Overview and Material Accounting Policies

A. Corporate Information

International Travel House Limited ('the Company') commenced its operations in 1981 and is engaged in the business of providing travel related services to travellers in India and abroad. The Company is a public limited company incorporated, domiciled, and listed in India.

As per the Scheme of Arrangement amongst the ITC Limited (ITC) and ITC Hotels Limited (ITCHL) and their respective shareholders and creditors under Sections 230 to 232 read with the other applicable provisions of the Companies Act, 2013 ('the Scheme') for demerger of the Hotels Business of ITC into ITCHL, upon the Scheme becoming effective with effect from 1st January, 2025, the Hotels Business and the investments held by ITC in Hospitality entities including International Travel House Limited have been transferred to ITCHL. Accordingly, the Company has become an associate of ITC Hotels Limited from such date.

Other Corporate Information are as follows: -

- a) Registered Address- 'Travel House' T-2, Community Centre, Sheikh Sarai, Phase I, New Delhi - 110017, India.
- b) Corporate Identification Number (CIN)- L63040DL1981PLC011941
- c) Website - www.internationaltravelhouse.in
- d) E-mail: Investor_TH@ith.co.in
- e) Phone: +91-11-26017808

The financial statements were approved for issue by the Board of Directors on 27th April, 2026. Such financial statements are required to be placed before the shareholders for adoption in terms of the Companies Act, 2013.

B. Basis of Preparation of Financial Statements

(i) Statement of Compliance

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 and the relevant presentation requirements of the Companies Act, 2013.

(ii) Basis of Preparation

The financial statements are prepared in accordance with the historical cost convention except for certain items which are measured at amortised cost or fair values, as explained in the accounting policies.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis except for share based payment transactions that are within the scope of Ind AS 102 – Share-based Payment.

The financial statements are presented in Indian Rupee, which is also the Company's functional currency.

A summary of material accounting policies is set out below under section C.

(iii) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

C. Summary of Material Accounting Policies

(i) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, Plant and Equipment recognised as at 1st April, 2015 measured as per the previous GAAP.

Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. Expenses capitalised also include applicable borrowing costs for qualifying assets, if any. All upgradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

NOTES TO THE FINANCIAL STATEMENTS

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of Property, Plant and Equipment are depreciated in a manner that amortises the cost of the assets after commissioning (or other amount substituted for cost), on a straight line basis, less its residual value, over their useful life as specified in Schedule II of the Companies Act, 2013. Leasehold improvement are being amortised over lease period or useful life, whichever is lower.

Property, Plant and Equipment residual values and useful life are reviewed, and adjusted if necessary, at each Balance Sheet date. Such changes are treated as changes in accounting estimates.

Property, Plant and Equipment are subject to review for impairment if triggering events or circumstances indicate that this is necessary. Impairment loss, if any, to the extent the carrying amount of these assets exceed their recoverable amount is charged off to the Statement of Profit and Loss as it arises.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of accumulated depreciation) had no impairment loss been recognised in previous years.

(ii) Other Intangible Assets

Intangible Assets that the Company controls and from which it expects future economic benefits are capitalised upon acquisition and measured initially at cost comprising the purchase price (including import duties and non-refundable taxes) and directly attributable costs to prepare the asset for its intended use.

Internally generated assets for which the cost is clearly identifiable are capitalised at cost. Internally generated brands, websites and customer lists are not recognised as intangible assets.

Intangible assets with finite useful life are measured at cost less accumulated amortisation and accumulated impairment losses, if any. Carrying value of intangible assets includes deemed cost which represents the carrying value of intangible assets recognised as at 1st April, 2015 measured as per the previous GAAP.

Software is capitalised where it is expected to provide future enduring economic benefits. Capitalisation costs include licence fees and costs of implementation / system integration services. The costs are capitalised in the year in which the relevant software is implemented for use and is amortised across a period not exceeding 5 years by the straight-line method. All other upgradation / enhancements are charged to the Statement of Profit and Loss unless they bring similar significant additional benefits.

Useful life are reviewed at each Balance Sheet date and changes, if any, are treated as changes in accounting estimates. .

(iii) Foreign Currency Transactions

Transactions in foreign currencies are initially recorded by the Company at the exchange rate prevailing on transaction date. Gains / losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

(iv) Financial Instruments

Financial assets and financial liabilities are initially measured at fair value except trade receivables that are recognized at Transaction price, including any amount collected on behalf of third parties. Transaction costs that are directly attributable to the acquisition of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of such financial assets and financial liabilities.

Financial Assets

Recognition and Classification: Financial assets include Investments, Trade Receivables, Security Deposits and Cash and Cash Equivalents. Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired.

For purposes of subsequent measurement, financial assets are classified as those measured at:

- (a) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest; and

NOTES TO THE FINANCIAL STATEMENTS

- (b) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value. Unrealised gains and losses arising from changes in the fair value, interest income and dividend income, if any, are recognised under 'other income' in the Statement of Profit and Loss in the period in which they arise.

As most of the financial assets including receivables of the Company are current in nature, subsequent measurement is at cost less appropriate allowance for credit losses. Where significant, non-current loans and receivables are accounted for at amortised cost using effective interest rate method less appropriate allowance for credit losses.

Impairment: The Company assesses at each balance sheet date whether a financial asset or a group of financial assets, measured at amortised cost, is impaired. Impairment losses are recognised in the profit or loss where there is objective evidence of impairment based on reasonable and supportable information that is available without undue cost or effort. For financial assets measured at amortised cost and account receivable, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

De-recognition: A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when the contractual rights to receive cash flows from the asset have expired or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

Financial Liabilities

Borrowings, Trade Payables and Other Financial Liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost.

A financial liability is derecognised when the obligation under the liability is extinguished, discharged, cancelled or on expiry.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

(v) Revenue Recognition

The Company provides travel related services to travellers in India and abroad. Revenue is recognised to the extent that it is highly probable that a significant reversal in the amount of revenue recognised will not occur and the revenue can be reliably measured, and collection is certain.

Revenue is measured at transaction price taking into account contractually agreed terms and excluding taxes or duties collected on behalf of the government. The revenue from transport services are recognised on a gross basis and revenue from other travel related services are recognised on net basis. The timing of recognition of such services is when the control over the same is transferred to the customer, which is mainly in the period in which such services are rendered. The revenue from rendering these services (other than Productivity Linked Bonus, which is accounted when ascertainable and collection is certain) is recognised in the statement of Profit and Loss account at a point in time other than tour income which is recognised over a period of time with reference to the stage of completion. Stage of completion is measured by reference to time elapsed to date as a percentage of total time.

Trade Receivables are recognised when the entity has unconditional right to receive consideration upon the satisfaction of performance obligation.

Other Income: Other income comprises interest income, dividend income, gain from fair valuation / sale of mutual fund investments and gain on sale of property, plant and equipment. Interest income from financial assets is recognised in the Statement of Profit and Loss using the effective interest method. Dividend income is recognised in the Statement of Profit and Loss only when the Company's right to receive payments is established and the amount of dividend can be measured reliably.

(vi) Dividend to Equity Holders

Interim dividends paid are recognised in the financial statements when approved by the Board of Directors and final dividend when approved by the shareholders.

(vii) Employee Benefits

The Company makes contributions to both defined benefit and defined contribution schemes. The defined benefit schemes are mainly administered through duly constituted and approved independent Trusts.

Provident Fund contributions are in the nature of defined contribution scheme. The provident fund is deposited with the Government and recognised as expense.

NOTES TO THE FINANCIAL STATEMENTS

The Company also operates defined benefit pension, medical and gratuity plans. The cost of providing benefits under the defined benefit obligation is calculated by an independent actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in the Statement of Profit and Loss. Gain or loss on account of re-measurements are recognised immediately through Other Comprehensive Income in the period in which they occur.

The employees of the Company are entitled to compensated leave for which the Company records the liability based on actuarial valuation computed under projected unit credit method. These benefits are unfunded.

(viii) Employee Share-Based Compensation

The cost of employee share-based compensation is recognized based on fair value of the equity settled stock options or cash settled stock appreciation units granted under the applicable Scheme(s) to employees in the Company.

In case of equity settled stock options, the fair value of such options at the grant date is amortised on a straight line basis over the vesting/service period. In case of cash settled stock appreciation units, the fair value of such units at the grant date is initially recognized and subsequently remeasured at each reporting date, until settled. Such cost is recognized as an employee benefits expense in the Statement of Profit and Loss with a corresponding increase in financial liabilities, net of reimbursements, if any.

(ix) Leases

A right of use asset and lease liability is recognised at the commencement of the lease for leases other than short term leases or leases of low value assets. The right of use asset is stated at cost less accumulated amortisation. Right of use assets are amortised on a straight line basis over lease term. Lease liabilities are stated at cost using effective interest method and are measured at present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate.

Lease payments for short term leases or leases of low value assets are recognised as an expense in the Statement of Profit and Loss on a straight line basis.

The Company's leasing arrangements are in respect of leases for premises. The lease term of these arrangements generally ranges between 3 years to 6 years.

When measuring lease liabilities, the Company discounted leases payments using its incremental borrowing rate.

(x) Taxes on Income

Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date together with any adjustment to tax payable in respect of previous years. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

Deferred Tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences to the extent it is probable that future taxable profits will be available against which deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and when the deferred tax balances relate to the same taxable entity and the same taxation authority.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

NOTES TO THE FINANCIAL STATEMENTS

(xi) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The expense relating to a provision is presented in the Statement of Profit and Loss, net of any reimbursement.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

(xii) Contingent Liabilities

Claims against the Company not acknowledged as debts are disclosed after a careful evaluation of the facts and legal aspects of the matter involved.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2. Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Accounting estimates could change from period to period. Actual results could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the reporting date that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

a) Useful Life of Property, Plant and Equipment and Intangible Assets:

As described in the material accounting policies, the Company reviews the estimated useful life of property, plant and equipment and intangible assets at the end of each reporting period.

b) Actuarial Valuation

The present value of the gratuity, medical and pension are determined through independent actuarial valuations including determination of amounts to be recognised in the Statement of Profit and Loss. The assumptions include the determination of the discount rate, future salary increases and mortality rates. Information about such valuation is provided in notes to the financial statements.

c) Claims, Provisions and Contingent Liabilities:

The Company has ongoing litigations with various regulatory authorities and third parties. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements.

d) Expected Credit Loss Allowance:

The Company has provided allowances for credit losses on trade receivables based on historical credit loss experience and adjusted for forward looking information.

e) Recoverability of Deferred Tax Assets (net)

The Company has temporary taxable differences that are available for offset against future taxable profit. Deferred tax assets are recognised only to the extent that it is probable that taxable profit will be available. This involves an assessment of when those assets are likely to reverse, and a judgement as to whether or not there will be sufficient taxable profits available to offset the assets. This requires assumptions regarding future profitability, which is inherently uncertain. To the extent assumptions regarding future profitability change, there can be an increase or decrease in the amounts recognised in respect of deferred tax assets and consequential impact in the statement of profit and loss.

NOTES TO THE FINANCIAL STATEMENTS

B Fair Value Hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at 31st March, 2026:

(vi) **Information in respect of Options granted under ITC Employee Stock Option scheme (“ITC ESOS”), ITC Employee Cash Settled Stock Appreciation Linked Reward Plan (“ITC ESARP”), ITC Hotels Special Purpose Employee Stock Option Scheme (“ITCHL SPESOS”) & ITCHL Employee Stock Appreciation Rights Scheme, 2025 (“ITCHL ESARS”)**

The eligible employees of ITC Hotels Limited (ITCHL), who are deputed to the Company at its request [who were on rolls of ITC Limited (ITC) prior to the demerger of its hotels business into ITCHL] (earlier employees on deputation from ITC up to 31st December 2024), have been granted Stock Options / Stock Appreciation Linked Rewards by ITC under the ITC Employee Stock Option Schemes (ITC ESOS) & ITC Employee Cash Settled Stock Appreciation Linked Reward Plan (“ITC ESARP”) and by ITCHL under the ITC Hotels Special Purpose Employee Stock Option Scheme (“ITCHL SPESOS”) in the previous year(s) & in the current year, ITCHL Employee Stock Appreciation Rights Scheme, 2025 (“ITCHL ESARS”).

ITC ESOS

Each Option entitles the holder thereof to apply for and be allotted ten ordinary shares of ₹ 1.00 each of ITC upon payment of the exercise price during the exercise period. These options vest over a period of three years from the date of grant and are exercisable within a period of five years from the date of vesting. The options have been granted at the ‘market price’ as defined under the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014.

ITC ESARP

Under the ITC ESAR Plan, eligible employees would receive cash linked to appreciation in the value of the shares of ITC in accordance with the terms and conditions of this Plan. The stock appreciation units (SARs) vest over a period of five years from the date of grant and entitles each ESAR grantee to the appreciation for the total number of ESAR Units vested.

ITCHL SPESOS

ITC Hotels Special Purpose Employee Stock Option Scheme is formulated pursuant to Scheme (refer Note 1A), with respect to Options granted under ITC ESOS to the Eligible Employees. Each option entitles the employees to apply for and be allotted 10 (Ten) Equity Shares of ₹ 1/- each of ITCHL upon payment of the exercise price during the exercise period. Options granted under the Scheme shall have remaining Vesting Period and Exercise Period of corresponding outstanding stock options of ITC as on the Record Date.

NOTES TO THE FINANCIAL STATEMENTS

ITCHL ESARS

Under the ITCHL ESAR Scheme, eligible employees would receive equity shares linked to appreciation in the value of the shares of ITCHL in accordance with the terms and conditions of this Plan. The stock appreciation units (SARs) vest over a period of three years from the date of grant and are exercisable within a period of five years from the date of vesting and entitles each ESAR grantee to the appreciation for the total number of ESAR Units vested.

The cost of equity settled options granted under the aforesaid schemes have been recognised as equity settled or cash settled share-based payments as applicable, in accordance with IndAS 102 – Share Based Payment. In terms of the deputation arrangement, the Company has accounted for the cost of the fair value of Stock Options / ESAR Units granted to the deputed employees on-charge by ITC and ITCHL. The fair value of the Options / ESARs granted is determined, using the Black Scholes Option Pricing model, by ITC and ITCHL for all the grantees covered under ITC ESOS / ITCHL SPESOS / ITC ESARP / ITCHL ESARS.

Accordingly, an amount of ₹ 47.02 lakhs (March 25 - ₹ 55.27 lakhs), net of reversals (if any) towards ITC ESOS, ITC ESARP, ITCHL ESARS and ITCHL SPESOS has been recognised as employee benefits expense (Refer Note 31) with corresponding credit to Financial Liabilities. The above cost includes ₹ 45.72 lakhs (March 25 - ₹ 49.45 lakhs) attributable to key management personnel; Mr. A Moodliar ₹ 39.73 lakhs (March 25 - ₹ 39.62 lakhs); Ms. Gunjan Chadha ₹ 5.92 lakhs (March 25 - ₹ 9.66 lakhs); and Mr. Sidharth Shah ₹ 0.07 lakhs (March 25 - NIL); Mrs. Sumita Chowdhury Majumdar ₹ NIL (March 25 - ₹ 0.09 lakhs) and Mr. P.V.D. Nandan ₹ NIL ((March 25 - ₹ 0.08 lakhs).

The summary of movement of aforesaid Stock Options/ESARs granted by ITC/ITCHL and status of the outstanding options is as under:

Note: The weighted average exercise price of the Options granted to all Optionees under the ITC ESOS, ITCHL SPESOS, ITC ESARP and ITCHL ESARS is computed by ITC & ITCHL respectively as a whole.

Since the above-mentioned Stock Options and ESAR Units are not tradeable, no perquisite or benefit is conferred upon the employee by grant of such Options / Units.

(vii) Segment Reporting

Operating segment is to be reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Corporate Management Committee.

NOTES TO THE FINANCIAL STATEMENTS

The CODM reviews are conducted for travel related services which encompasses all operations of the Company and as such the figures appearing in the financials relate to a single segment only i.e. travel related services.

The Company's entire revenue from external customers is attributable to India and all non-current assets are located in India. The Company allocates revenue to geographies on the basis of the location in which the sale is originated.

Revenue from one customer (and its group entities) exceeds 10% of Company's total revenue and is ₹ 2,621.82 lakhs (March 2025 – ₹ 3,130.57 lakhs)

(a) Defined Benefit Plans / Long Term Compensated Absences

Description of Plans

The Company makes contributions to defined benefit plans and defined contribution plans for qualifying employees. Some of these are administered through duly constituted and approved Trusts, which operate in accordance with the Trust Deed, Rules and applicable legislations. These Trusts are governed by Trustees, who provides strategic guidance for management of investments and liabilities of such trusts and periodically review the performance of the Trusts.

Gratuity benefits are funded and leave encashment & medical benefits are unfunded in nature. The defined benefit pension plans are based on employees pensionable remuneration and length of service. Under the Provident Fund and Gratuity, the employees are entitled to receive lump sum benefits upon retirement. Under Pension Schemes, the employees are entitled to post-retirement pension benefits and in certain pension plans, the employees can also opt to receive a part of pension as a lump sum.

The liabilities arising in the defined benefit schemes and other benefits are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method. Additional funding requirements are based on actuarial measurement.

Risk Management

The defined benefit plans expose the Company to actuarial deficit arising out of investment risk, interest rate risk and salary cost inflation risk. These plans are not exposed to any unusual, entity specific or scheme specific risks but there are general risks.

Investment risks: This may arise from volatility in asset values and losses arising due to impairment of assets.

Interest Rate Risk: The Schemes' accounting liabilities are calculated using a discount rate set with reference to the Government security yields. A decrease in yields will increase the funds' liabilities and vice-versa.

Salary Cost Inflation Risk: The Schemes' accounting liabilities are calculated with reference to the future salaries of participants under the Plan. Increase in salary due to adverse inflationary pressures might lead to higher liabilities.

The Trustees monitor funding and investments positions and have mandated a diversified investment strategy in line with the statutory requirements. The investment strategy with respect to asset mix ensures that investment volatility risk is appropriately managed. Robust risk mitigation systems ensure that investments do not pose significant risk of impairment. Periodic audits are conducted to ensure adequacy of internal controls. The Company's defined benefit pension plans has been closed to new entrants. Future pension obligation of an employee is secured by purchasing annuities thereby de-risking the Plans from future payment obligations.

XI Sensitivity Analysis

The sensitivity analysis below has been determined based on reasonably possible change of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. These sensitivities show the hypothetical impact of a change in each of the listed assumptions in isolation. While each of these sensitivities holds all other assumptions constant, in practice such assumptions rarely change in isolation and the asset value changes may offset the impact to some extent. For presenting the sensitivities, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the Defined Benefit Obligation presented above. There was no change in the methods and assumptions used in the preparation of sensitivity analysis from previous year.

NOTES TO THE FINANCIAL STATEMENTS

38. Financial Risk Management Objectives and Policies

The Company has a system-based approach to business risk management. The financial risk management process enables the early identification, evaluation and effective management of key financial risks including market risk, credit risk and liquidity risk that may arise as a consequence of its business activities as well as investing and financing activities. Backed by strong internal control systems, the current Risk Management Framework rests on policies and procedures issued by appropriate authorities, process of regular reviews / audits to set appropriate risk limits and controls, monitoring of such risks and compliance confirmation for the same.

A. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprise three types of risk- interest rate risk, foreign currency risk and price risk. Treasury activities, focussed on managing investments in debt instruments, are centralised and administered under a set of approved policies and procedures guided by the tenets of liquidity, safety and returns. The Company has in place appropriate risk management policies to limit the impact of these risks on its financial performance. The Company ensures optimisation of cash through fund planning and robust cash management practices.

i. Interest Rate Risk

Fixed deposits, if any, are held with highly rated banks and have a short tenure and are not subject to interest rate volatility. Since majority of the financial assets of the Company are invested in debt mutual fund schemes of leading fund houses, the Company's net exposure to interest risk is negligible.

ii. Foreign Currency Risk

The Indian Rupee is the Company's functional currency. As a consequence, the Company's results are presented in Indian Rupee. The Company has limited foreign currency exposure which are mainly on account of Money Changing Business activity undertaken by the Company.

iii. Price Risk

The Company's unquoted debt mutual funds are susceptible to market price risk that arise mainly from changes in interest rate which may impact the return and value of such investments securities. The Company manages the price risk through diversification and by placing limits on individual and total instruments. The Company invests in mutual funds of leading fund houses. The Company's Board of Directors has approved an investment policy for the Company. However, given the relatively short tenure of underlying portfolio of the mutual fund schemes in which the Company has invested, such price risk is not significant.

B. Credit Risk

Credit risk is the risk that counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks. Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis.

i. Trade Receivables

Customer credit risk is managed subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. The Company's payment terms generally range from advance to a credit period of up to 90 days. Concentrations of credit risk is limited as the Company's customer base is large and diverse. All overdue customer balances are evaluated taking into account the age of the dues, specific credit circumstances, the track record of the counterparty etc. Expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. There is no significant financing component in respect of its transaction with the customers.

The movement of the expected loss provision (allowance for bad and doubtful trade receivables) made by the Company are as under:

(₹ in lakhs)

Particulars	As at 31 st March, 2026	As at 31 st March, 2025
Opening Balance	860.35	882.72
Add: Provisions made (net)	-	5.58
Less: Utilisation for impairment/de-recognition	159.09	27.95
Closing Balance	701.26	860.35

ii. Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The Board has approved a policy for investment of surplus funds. Investment in debt mutual funds are made only with approved mutual funds and credit risk in such funds are limited because the underlying investments are diversified and the Company's investment framework considers the credit quality of the underlying investments made by the fund house. There are limits for any exposure to financial institutions.

The Company's maximum exposure to credit risk for the components of the Balance Sheet at 31st March, 2026 and 31st March, 2025 is the carrying amounts as illustrated below:

(₹ in lakhs)

Particular	Note	As at 31st March, 2026	As at 31st March, 2025
Loans	14	-	-
Investments in Mutual Funds and Equity Shares	5 & 10	10,479.72	5,459.98
Trade Receivables	11	6,098.11	5,944.45
Cash and Cash Equivalents and Other Bank Balances	12 & 13	1,868.50	6,105.54
Other Financial Assets	6 & 15	384.76	577.14
Total		18,831.09	18,087.11

C. Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations as they become due. The Company manages its liquidity risk by ensuring that it will always have sufficient liquidity to meet its liabilities when due. Investments are made with a range of maturities, generally matching the projected cash flows and spreading the same across wide range of counterparties. Considering the dynamic nature of the underlying businesses, the Company also maintains adequate committed credit lines with the banks.

The Company's treasury function reviews the liquidity position on an ongoing basis.

The Company's Current Assets aggregate to ₹ 19,382.76 lakhs (March 25 - ₹18,617.92 lakhs) including Current Investments, Cash & Cash Equivalents and Other Bank balances of ₹ 12,348.22 lakhs (March 25 - ₹11,565.52 lakhs) against an aggregate Current Liabilities of ₹ 6,549.30 lakhs (March 25 - ₹ 6,214.94 lakhs).

Maturity analysis of financial liabilities, based on undiscounted contractual cash flows, is given below:

(₹ in lakhs)

Particulars	As on 31 st March, 2026	As on 31 st March, 2025	
	Lease Liabilities	Lease Liabilities	Others
Less than 1 Year	62.37	75.09	22.39
1-3 Years	44.54	68.23	-
3-5 Years	16.56	5.20	-
Total	123.47	148.52	22.39

Further, the Company has no borrowings. In such circumstances, liquidity risk or risk that the Company may not be able settle or meet its obligations, as they become due does not exist.

D. Capital Management

The Company's financial strategy aims to provide adequate capital to its businesses to grow and invest whilst ensuring sustained stakeholder value and ensuring continuance as a going concern. The Company funds its operations through internal accruals.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

To The Members of International Travel House Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of International Travel House Limited (the "Company"), which comprise the Balance Sheet as at 31st March 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, its profit and other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matter to be communicated in our report:

Sr. No.	Key Audit Matter	Auditor's Response
I	Recoverability of Trade Receivables We refer to note 1(C) (iv) (Material Accounting Policies), note 2(d) (Use of Estimates) and note 11 (Trade Receivables) of the financial statements. Trade receivable balances were significant to the Company as they represented 24.45% of the Company's total assets as at 31st March 2026. The collectability of trade receivables is a key element of the Company's working capital management, which is managed on an ongoing basis by management. Trade receivables impairment assessment requires significant judgement from management. In making the assessment the management has considered the historical credit loss experience adjusted for forward looking information as well as customer specific profiles and risks. Hence, we determined that this is a key audit matter.	Principal audit procedures performed included the following: As part of our audit procedures, we assessed the Company's processes and key controls relating to the monitoring of trade receivables and aging considered to identify collection risks. We performed audit procedures, amongst others, sending trade receivables confirmations, and reviewing for collectability by way of obtaining evidence of subsequent receipts from the trade receivables. We had discussions with management on the recoverability of long outstanding debts and analysed historical trend of collections for such trade receivables and assessed management's assumptions used to determine the credit loss for trade receivables including consideration of customer specific profiles and risks. We also assessed the adequacy of the Company's disclosures on the trade receivables and the related credit risk in Notes 11 and 38B to the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

- Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether

INDEPENDENT AUDITOR'S REPORT

the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- When we read the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit

INDEPENDENT AUDITOR'S REPORT

and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31st March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements [Refer Note 35(iii)(a) to the financial statements].
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv)
 - a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or

INDEPENDENT AUDITOR'S REPORT

- provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The final dividend proposed in the previous year, declared, and paid by the Company during the year is in accordance with section 123 of the Act, as applicable. Further as stated in note 43 to the financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi) Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended 31st March 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and audit trail that was enabled and operated has been preserved by the Company as per the statutory requirements for record retention. Refer note 42 to the financial statements.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE TO INDEPENDENT AUDITOR'S REPORT

ANNEXURE “A” TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph I (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”).

We have audited the internal financial controls with reference to financial statements of International Travel House Limited (the “Company”) as at 31st March 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and Board of Directors' are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2026, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
