Press Release

Flomic Global Logistics Strengthens Leadership Team with Strategic Appointments

Mumbai, 20th July 2026: Flomic Global Logistics Limited has strengthened its leadership team with the appointment of two seasoned logistics professionals to spearhead its Supply Chain Solutions and Project Logistics businesses. These strategic appointments reinforce the Company's commitment to enhancing its service capabilities, driving operational excellence, and supporting its next phase of growth.

Mr. Arun N. Rao has been appointed as Head – Supply Chain Solutions (SCS). With over 27 years of experience in supply chain management, contract logistics, warehousing, business development and integrated logistics solutions, he has held leadership positions with leading organizations including Emiza Supply Chain, CCI Supply Chain, Stellar Value Chain Solutions, Allcargo Logistics and Maersk Logistics.

Mr. Philip Fernandes has been appointed as Head – Project Division. He brings over 35 years of global experience in project cargo, heavy-lift logistics and EPC logistics, having successfully led complex logistics projects across more than 50 countries. Prior to joining Flomic, he held senior leadership positions with Kerry Indev Logistics, NTC Logistics, Allcargo Logistics and IAL Logistics.

Commenting on the appointments, **Lancy Barboza, CEO & Managing Director, Flomic Global Logistics Ltd., said:**

"We are delighted to welcome Arun and Philip to the Flomic leadership team. Their extensive industry expertise, strategic vision and execution capabilities will further strengthen our Supply Chain Solutions and Project Logistics businesses. As we continue to expand our service offerings and strengthen our market presence, their leadership will play a key role in delivering greater value to our customers and stakeholders."

These appointments reflect Flomic's continued focus on building a strong leadership team, expanding its capabilities across high-growth logistics segments, and delivering integrated, customer-centric logistics solutions in an evolving market.
