INVESTOR RELEASE

Letter of Acceptance for ₹ 717.46 crore from Office of the Additional Chief Engineer, Yamuna Water Zone, Jaipur

Ahmedabad: November 5, 2026: M/s NEC-LCC (JV) has received a **Letter of Acceptance** from the **Office of the Additional Chief Engineer, Yamuna Water Zone, Jaipur**, for a contract valued at **₹717.46 Crore (excluding GST)**.

The scope of work involves the **Construction of an Artificial Reservoir at Dhanoti (Reservoir-A) of the Hansiyawas Reservoir Complex in District Churu Phase-I, (Under Yamuna Water Project)** including **survey, design, construction, and operation & maintenance of the reservoir system**. The project is located at **Tehsil: Rajgarh, District: Churu, Rajasthan**.

The Company's share in the Joint Venture (**NEC-LCC JV**) is **30%**.

Commenting on the development, **Mr. Arjan Suja Rabari, CMD** said *"We are pleased to be associated with the Yamuna Water Project through this significant order secured by our joint venture. The project forms part of the Government's ambitious water infrastructure and river-linking initiatives aimed at enhancing water security, irrigation potential, and sustainable development across water-stressed regions. Being entrusted with a critical reservoir package under this prestigious program reflects our strong execution capabilities and proven expertise in delivering complex infrastructure projects.*

This project not only strengthens our order book visibility but also marks our continued expansion into large-scale water infrastructure development. We remain committed to supporting nation-building initiatives through timely execution, engineering excellence, and the highest standards of quality and sustainability. With a robust pipeline of opportunities across infrastructure segments, we are confident of sustaining our growth momentum and creating long-term value for all stakeholders."
