Dear Sir/Madam,

In accordance with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information in terms of Regulation 8 of SEBI (Prohibition of Insider Trading) Regulations, 2015, the following is our business update for the quarter and half year ended September 30, 2026 ("the period"):

1. The consolidated total revenue from operations for the period are as below:

Particulars (Rs. in Cr)	Q2FY27	Q2FY26	YoY	Q1FY27	QoQ	H1FY27	H1FY26	YoY
	(Proforma)	(Proforma)		(Proforma)		(Proforma)	(Proforma)	
Total Revenue from Operations (Including Agency Sales)	1,943	1,657	17.26%	1,732	12.18%	3,675	3,073	19.59%

** The proforma revenue from operations above includes revenue from the sale of cars through the Mercedes-Benz agency model. Under the agency agreement, customers now place orders directly with MBIL, on which LCL and LCEPL earn commission on each sale of Mercedes-Benz cars.*

- The Company recorded its highest-ever quarterly and half-yearly Total Revenue from Operations on a proforma basis, supported by outlet ramp-up and stabilization. While H1 is seasonally weaker than H2, business activity typically gains momentum during the festive period, which starts in October this year versus September last year.
- Partner OEMs continue to drive new launches across the premium, luxury, and EV segments. Recent launches, including the Kia Sorento, MG Hector Tomahawk, and BYD Sealion 7 Dynamic, are expected to commence full-scale deliveries from October. Looking ahead, the next quarter will feature key launches such as the India-made Mercedes-Benz GLC EV and BYD's luxury brand,

Denza. We also expect improved availability of the Mercedes-Benz CLA EV, following strong customer demand and initial supply constraints.

4. During the quarter, the Company entered a strategic partnership with OLX India, part of CarTrade Tech, to develop an integrated phygital pre-owned car platform, combining OLX India's digital reach with Landmark's physical retail network to offer customers an integrated car buying and selling experience.
5. Significant flooding in Gujarat during Q2FY27 affected business operations, impacting new vehicle sales and after-sales activities in the affected regions.
6. The Company remains optimistic about the festive season and expects to enter H2 on a strong footing, supported by a healthy pipeline of customer enquiries and bookings during the ongoing festive season while remaining mindful of interest rate hikes and evolving macroeconomic conditions.
