Amara Raja Energy & Mobility reports 13% increase in Q2 FY27 revenue over same quarter previous year

Hyderabad/Tirupati: Amara Raja Energy and Mobility Limited (ARE&M), a comprehensive solutions provider in the Energy & Mobility space, (BSE: 500008 & NSE Code: ARE&M) today, reported profit before tax of 250.71 Cr for the Q2 of FY27.

The Company reported an Earnings Per Share (EPS) of ₹10.29 for Q2 FY27, along with an interim dividend of ₹4.30 per equity share.

Standalone financial performance highlights:

Rs. in crores

Particulars	Quarter ended			Half-Year Ended	
	Sep 30, 2026	June 30, 2026	Sep 30, 2025	Sep 30, 2026	Sep 30, 2025
Revenue from operations	3,843.25	4,041.44	3,388.18	7,884.69	6,738.10
Profit before Tax & Exceptional Items	250.71	272.30	283.76	523.01	544.77

Performance was driven by strong double-digit growth in aftermarket and OEM in automotive batteries, and the Home Energy business. The new energy business also witnessed good growth in stationary telecom battery pack demand.

Speaking on the results, **Mr. Harshavardhana Gourineni, Executive Director- Automotive and Industrial**, said, "Robust OEM demand across 4W and 2W, together with healthy aftermarket volumes, drove domestic revenue growth of over 10%, while Industrial UPS grew over 7%. International demand remains strong, but geopolitical shipping disruptions have temporarily limited our ability to fulfil it. As logistics normalize, we are confident of accelerating growth."

Mr. Vikramadithya Gourineni, Executive Director – New Energy Business, said, “We continue to see strong volume growth, led by the stationary segment, while our Giga Factory-1 in Telangana remains on track. With the Telecom sector rapidly shifting to lithium, we are confident of sustaining our market leadership through this technology transition. Our BESS plant is also expected to come online next month, further strengthening our capabilities across the energy storage value chain.”

Mr. Jayadev Galla, Chairman and Managing Director, said, “We delivered a solid performance this quarter. Our Lead Acid Business continued to perform strongly, supported by broad-based traction across segments, while the New Energy Business maintained its growth momentum. The progress on our Giga Factory remains on track, reinforcing our confidence in building a strong, future-ready energy platform.”

About Amara Raja Energy & Mobility Limited

Amara Raja Energy & Mobility Limited (ARE&M) encompasses a diverse range of solutions and products, which includes energy storage solutions, Lithium-ion cell manufacturing, wide range of EV chargers, Li-ion battery pack assembly, automotive and industrial lubricants, and exploration of new chemistries, among others. ARE&M is also one of the largest manufacturers of energy storage products for both industrial and automotive applications in India. Amara Raja is the preferred supplier to major telecom service providers, telecom equipment manufacturers, the UPS sector (OEM & Replacement), Indian Railways, and the Power, Oil & Gas industry segments. Amara Raja's industrial battery brands comprise of PowerStack®, AmaronVolt® and Quanta®. The company also manufactures India's leading automotive battery brands Amaron® and Powerzone, which are distributed through a large pan-India sales & service retail network. The company supplies automotive batteries under OE relationships to Ashok Leyland, Ford India, Honda, Hyundai, Mahindra & Mahindra, Maruti Suzuki, and Tata Motors amongst others. Amara Raja's Industrial and Automotive Batteries are exported to over 70 countries around the world.
