UPON hearing the counsel the Court made the following
O R D E R

Delay condoned.

We have heard the learned Senior counsel appearing
for the parties.

The limited grievance of the applicant(s) who was
the respondent(s) in the Special Leave Petition is that
instead of passing an order *qua* an "interim

application", this Court ought to have passed an order requesting the High Court to decide the "Writ Petition", which was the actual intention of this Court.

Taking note of the said submissions, without going into the merits of the case, and by taking further note of the fact that arguments have been concluded from both the sides before the High Court and what remains to be argued is only the case of the intervening party, we request the High Court to expedite the hearing of the main Writ Petition itself, being Criminal Misc.Writ Petition No.9986/2025, and make an endeavour to dispose of the same within a period of three months from the date of receipt of a copy of this order.

The interlocutory application seeking modification stands disposed of in the aforesaid terms.

Accordingly, the Miscellaneous Application stands disposed of.

Pending application(s), if any, shall also stand disposed of.
