NDR Auto Components Limited

PRESS RELEASE **Date: 04-11-2026**

NDR Auto Components to form Joint Venture with Korea's DYA Co Limited to manufacture automotive seats in India

-JV to cater to Kia India and Hyundai India-

Gurugram, India – November 4, 2026_: NDR Auto Components Limited (BSE: 543214, NSE: NDRAUTO) the flagship company of the NDR Group engaged in the business of manufacturing automotive seating solutions, today announced that its Board of Directors has approved the formation of a joint venture with DYA Co., Ltd. (KRX: 002880;) ("DYA"), a leading Korean manufacturer of automotive seats, and an investment/project cost of upto INR 62.96 crore in the joint venture, to design, manufacture and supply automotive seats and seat systems in India, for Kia India Hyundai India. The Company will sign a Joint Venture Agreement with DYA setting out the terms of the partnership.

The joint venture company will be incorporated in India. NDR Auto Components will hold 51.0% and DYA will hold 49.0% of its share capital, and the joint venture's financial results will be consolidated into NDR Auto Components' financial statements. Further details of the joint venture will be announced upon incorporation and execution of the definitive agreements.

The joint venture will combine NDR Auto Components' seat component manufacturing capabilities in India with DYA's expertise in the design and manufacture of complete automotive seat systems, to serve Kia India and Hyundai India.

DYA is an established seat supplier to Kia and Hyundai Motor in Korea. The Company is and is highly regarded for its design and manufacturing capabilities and quality competitiveness. reflected in the achievement of Hyundai–Kia's five-star quality rating. Through the joint venture, DYA plans to enter the Indian market and work with NDR to explore opportunities to supply to Hyundai Motor and Kia in India. The joint venture will enable the NDR Group to add Kia India and Hyundai India as new customers and to extend its seating business from seat frames and trims to complete seat systems.

Completion and disclosure

The formation of the joint venture is subject to execution of the definitive agreements, incorporation of the joint venture company and receipt of applicable regulatory approvals. The Company has made the requisite disclosure to BSE Limited and the National Stock

Exchange of India Limited under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which is available on the websites of the stock exchanges and of the Company at www.ndrauto.com.

About NDR Auto Components Limited

About DYA Co., Ltd.

DYA Co., Ltd. () is a manufacturer of automotive seats headquartered in Gwangju, Republic of Korea, and listed on the Korea Exchange (KRX: 002880). The company began manufacturing automotive seats in Gwangju in 1999. It designs and produces complete seat systems for Hyundai Motor Group, supplying the entire domestic seat volume for internal combustion engine models such as the Kia Sportage and Seltos and electric vehicle models such as the EV5 and PV5, and in 2023 commissioned a dedicated electric-vehicle seat line at its Hwaseong plant for Kia's mid-size electric SUV. In 2026, the company plans to establish new plants in Inju and Ulsan to manufacture seats and Pu foam pad for new vehicle models, including the PV7 and the successor to the Kona. Its Gwangju and Hwaseong plants have a combined capacity of about 660,000 seats a year based on 2025 figures. DYA employs about 503 people as of November 2, 2026, and recorded consolidated revenue of KRW 633.3 billion in 2025. For more information, visit www.dy-a.co.kr.
